SIXTEEN YEARS OF IT.

Charles Schryver had Kidney Disease all this time and Didn't Know it. How he Found out and How he Was Cured.

TORONTO, Oct. 1.—Sixteen years ago kidney disease attacked Charles Schryver, a bricklayer in this city, but he did not know it. It showed itself in the forms of pains in the small of the back. They did not amount to much at first but kept growing worse. Within the past six years, Mr. Schryver has almost every week had to quit work for one or two days on account of their severity. Doctors ascribed them to the liver and other causes and prescribed, but their medicine did no good. Last spring, a city physician diagnosed the case as one of diabetes and wanted to prescribe, but Mr. Schryver said, "No, if its diabetes, I'll use Dodd's Kidney Pills, which I know will cure me." They did cure him, too, and to-day Mr, Schriver is free from ache or pain and able to do his day's work, week in and week out, with any man in his trade.

Inquirer—Does a fish diet strengthen the brain?

Philosopher—Perhaps not; but going fishing seems to invigorate the imagination.

That Joyful Feeling.

With the exhilarating sense of renewed health and strength and internal cleanliness, which follows the use of Syrup of Figs. is unknown to the few who have not progressed beyond the old time medicines and the cheap subsitutes sometimes offerd but never accepted by the well informed.

Common sense is only a modification of of talent. Genius is an exaltation of it. The difference is, therefore, in degree, not nature.—Bulwer.

Studied too Hard.

Many a young girl falls a victim to overstudy and is brought to a condition of nervous prostration bordering on complete breakdown of the whole physical system. Hawker's nerve and stomach tonic, the result of years of careful experiment by its originator, is peculiarly adapted to meet such cases as this, and no household can afford to be without it. It restores nerve force, revitalizes the blood, builds up the whole system and makes the weak strong. It has no equal as a health restorative. Sold by all druggists at fifty cents per bottle or six bottles for $2.50

Necessity dispenses with decorum.

Skaters. Atheletes, and all Gymnasiums should have Pond's Extract at hand, Invaluable for wounds, bruises, contusions, strains, stiffness, Soreness, etc. Used by champion atheletes of the world. Buy the genuine. ......

He who gives himself airs of importance exhibits the credentials of impotence. —Lavater.

Open as Day.

It is given to every physician, the formula of Scott's Emulsion being no secret; but no successful imitation has ever been offered to the public. Only years of experience and study can produce the best

In general, indulgence for those we know is rarer than pity for those we know not.—Rivarol.

Not that Kind.

Scott,s Emulsion does not debilitate the stomach as other cough medicines do; but on the contrary, it improves digestion and strengthens the stomach. Its effects are immediate and pronounced.

Opinion is the main thing which does good or harm in the world. It is our false opinions of things which ruin us.—Marcus Antonius.

The oil of Norwegian Cod Liver is nature's grand restorative, and is only found in its entirety and purity in Miller's Emulsion, "the kind that cures" colds, coughs, bronchitis and all affections of the throat and lungs. Every bottle warranted. No oily taste like others. In big bottles, 50c. and $1.00, at druggists. ......

There is liable to be much base alloy in coined words.

This is a hard season on old people. Many are weak, have no appetite, and are generally depressed. A course of Hawkers nerve and stomach tonic will give them a new lease of life.

Theatrical manager—I find it impossible to make use of your play. It is too long for the stage.

Amateur playwright—But can't you lengthen your stage?

All who desire to avoid imposition and be cured, should insist on having Pond's Extract, put up only in bottles, with landscape trademark, on surrounding buff wrapper. ......

Have you ever stopped to think how perfectly needless it is that one out of a hundred of those who now die in early life as a result of Lung troubles, should do so? If, when first threatened with weak Lungs, a few bottles of PUTTNER'S EMULSION OF COD LIVER OIL WITH PANCREATINE AND HYPOPHOSPHITES OF LIME AND SODA, were judiciously administered to the invalid, in nine cases of ten, an early and permanent restoration to health and vigor would result.

There is a magic in the perfect costume It makes beauty more powerful than the sovereigh. It is the brilliant setting for beauty; and for those who have not the conquering power of looks, it lends the illusion of them. Some ladies say: "It is not so much the material as the make up.' But the right material must be there, or you cannot have a creation. Priestley's dress fabrics are noted for the beautiful result they realize in the hands of the modiste, draping and fitting the figure with exquisite grace. The trade mark is "The Varnished Board.

BOSTON, Sept. 30.—John Willis Baer, general secretary of the united society of Christian Endeavor, announced to-night that the international convention of 1895 would be held in this city next July, instead of in San Francisco. It has been understood for two years that the convention would be held in the latter city, but the long delay of western railroad managers to announce a decision regarding special rates has compelled the officers to send out notifications that the conviction cannot go to the Pacific coast. The Boston convention, it is expected, will be larger than the one at Cleveland, and it is expected to bring from 25,000 to 30,000 delegates together from the United States and Canada.
