World Wheat Output Seen New Record... WASHINGTON (AP)—The U.S. agriculture department's foreign service has reported that world production of wheat this year is expected to set a record.

ASIAN OUTPUT LOWER... Asian production is expected to be a little below last year's record, but above the 1960-64 average.

THE SERVICE SAID... The service said production prospects are such that world exports may dip somewhat from those of the last 12 months.
