

Local and Other Items.

JUST BEFORE THE BATTLE.—The usual pre-election meetings were held last evening.

WE have 30 pieces of Worsteds to select from in all the leading novelties. John McLeod & Co.

TRAFFIC ON THE C. B. RAILWAY.—A very large quantity of freight is daily passing over the Cape Breton Railway. There were 20 car loads of freight for Cape Breton at New Glasgow the other day.

CASHEW CLAMS.—They are just beautiful—only 20 cents—better than lobsters or oysters. Try them. Half dozen \$1.10. At R. K. Pease's. Also strawberries and blueberries. mar2 1wk

DYSPEPTIC.—Is not a palliative, but a cure! It first relieves, then controls, and finally entirely subdues the irritation and inflammation of the stomach that causes indigestion and dyspepsia.

GOOD WORK.—As a result of Rev. Mr. Carver's appeal last Sunday, the congregation of St. James' Church have already raised upwards of \$150 for the Springfield disaster, and the returns are not all in yet.

SKATING RACES.—There will be a series of skating races in the Hillsborough Rink, tomorrow (Friday) evening, at 8 o'clock. The programme is a good one, and a large attendance of spectators is expected.

NATURAL HISTORY SOCIETY.—Rev. Wm. Hamlyn, Rector of St. Paul's Church, will read the next paper before this Society on Monday evening, at 8 o'clock, in Y. M. C. A. Parlor. Subject—"Plants and Their Uses." Admission free.

BAD FOR THE WORKMEN.—The rolling mills at Joliette, Ill., shut down on Saturday night for an indefinite period, throwing out 1,000 men. With those already out waiting for the blast furnaces to fire up, this makes 2,000 men idle.

AN OLD DOCUMENT.—The Halifax Echo says: Mr. Street, clothes dyer, bought some goods at auction the other day. In the drawer of a cabinet he found a warrant for the arrest of a then prominent Halifax citizen. The document was dated in the year 1818.

THE CRIMEAN WAR.—On Friday evening last, Major Macintosh lectured under the auspices of the Cavendish Literary Association, on "The Crimean War." Those who heard the lecture say it was both interesting and instructive. The lecturer was tendered a cordial vote of thanks at the close.

THE LATEST.—According to an exchange the latest fad for young ladies is a "guess party." The ladies send the gentlemen in invitations reading: "Party in our set this evening. Guess where, and come there." It is needless to say that the boys get around late, as they frequently visit a dozen houses before finding the right one.

SLEET IN THE SNOW.—St. John Telegraph: The snow is deep in York County, N. B., and many of the lumbermen experienced great difficulty in going to and from their camps. Last week, Henry Turabull and a party of axemen and gum pickers from Stanstead started for their camp on the South West Branch, but so slow was their progress that they overtook them, and they had to sleep in the snow. Fortunately they had some blankets with them.

A PROVIDENTIAL ESCAPE.—The St. John Gazette says: On Saturday evening about 7:30 o'clock an unknown man had quite a narrow escape from death at the railroad crossing on Mill Street. He was walking along in an unobtrusive manner, when he suddenly went up against an engine that was slowly going into the station. The force of the shock whirled him around, but in some manner he pushed himself clear of the engine and escaped without injury.

PHILHARMONIC SOCIETY.—We learn that the new work which is to be immediately taken up by the Philharmonic Society is Dudley Buck's cantata "The Golden Legend." This famous work gained the \$1,000 prize for the best cantata for a choral society in a competition which took place some years ago in America. The conductor has gone very carefully through it and he is sure that it will be much appreciated by the members. Two or three tenor and about the same number of bass voices are required by the society.

PLACING THE RESPONSIBILITY.—Halifax Mercury: In the action brought by Mrs. Lordy of St. John, against the city of Halifax on account of injuries which are said to have been sustained by running against a plug one dark night when the electric light was on, the question seems to be, which should not have been out that night—the light, or the plug, or Mrs. Lordy? The Mercury would decide the matter at once, only that the case is still before the court, and it has much respect for the court while a matter is pending.

NEW STEAMER.—The Halifax Chronicle says: Messrs. Pickford & Black received a cable yesterday from W. B. Black, now in Glasgow, G. B., in which he says he is about closing the purchase of a suitable steamer for the Eastern Shore and Prince Edward Island route. The steamer will steam twelve knots, have accommodation for forty first-class passengers, and is well found in every respect. He expects to have her here for the early spring business.

RENNIE'S SEED CATALOGUE.—We have just received a copy of "Rennie's Illustrated Guide," issued by Wm. Rennie, the well known seedman of Toronto, and it is certainly the most complete publication of the kind which has reached us this season. Mr. Rennie also a general list of Vegetables, Flower and agricultural seed, seed grain and potatoes, and in addition to a large collection of standard varieties, has a number of sterling novelties, which are worthy of a trial from our patrons. This handsome catalogue will be mailed free to all upon application to Wm. Rennie, Toronto.

THEY'RE ALL INTERESTED.—The Boston British-American Citizen says: The intense interest in the general election is not confined to the people of the Dominion. The Provincialist resident in Boston have made arrangements for a gathering in Tremont Temple on Thursday evening, March 5th, at which there will be a choice entertainment, consisting of music, readings, etc., and arrangements have been made with newspaper men across the border to telegraph the result of the election in various counties directly to the temple, where the returns will be thrown by stop-typing on the curtain before the audience, interspersed with humorous and patriotic pictures.
