

To Keep a Trim Figure.

Women who wish to preserve the slenderness and contour of their figure must begin by learning to stand well. That is explained to mean the throwing forward and upward of the chest, the flattening of the back, with the shoulder blades held in their proper places, and the definite curving in of the small of the back, thus throwing the whole weight of the body upon the hips.

Scott's Emulsion of Cod Liver Oil and Hypophosphites

Is sold all over the world. It is far superior to plain Cod Liver Oil, palatable and easily digested. Dr. Martin Miles Stanton, Bury Bucks, London, England, says: "I have prescribed Scott's Emulsion and taken it myself. It is palatable, efficient, and can be tolerated by almost anyone, especially where cod liver oil itself cannot be borne."

Every young pianist should commit to memory the following words spoken by Dr. Von Billow in an interview.—"I find the great fault with pianists is that they do not learn to phrase properly. Every pianist should learn to sing and play the violin; then their ears would hear more critically the sound they produce, and thereby teach them how to phrase. But the average pianist plays by sight only, and has no ears. He sees the keys and tries to execute correctly, but the sound he produces, the effect of his work, is not apparent to him. My advice to young pianists—old ones won't take advice—is to cultivate their ears and strive to obtain beauty and expression in what we term phrasing. It is the real beginning of greatness as a performer."

ACTS AT THE SAME TIME ON THE NERVES, THE LIVER, THE BOWELS, and the KIDNEYS. This combined action gives it wonderful power to cure all diseases.

Why Are We Sick? Because we allow the nerves to remain weakened and irritated, and these great organs to become clogged or torpid, and poisonous humors are therefore forced into the blood that should be expelled naturally.

The treatment of many thousands of cases of those chronic weaknesses and distressing ailments peculiar to females, at the Invalid Hotel and Surgical Institute, Buffalo, N. Y., has afforded a vast experience in nicely adapting and thoroughly testing remedies for the cure of women's peculiar maladies.

Dr. Pierce's Favorite Prescription is the outgrowth, or result, of this great and valuable experience. The success of testimonials, received from patients and from physicians, who have tested it in the more aggravated and obstinate cases which had baffled their skill, prove it to be the most wonderful remedy ever devised for the relief and cure of suffering women. It is not recommended as a "cure-all," but as a most perfect Specific for women's peculiar ailments.

As a powerful, invigorating tonic, it imparts strength to the whole system, and to the womb and its appendages in particular. For overworked, "worn-out," run-down, debilitated teachers, milliners, dressmakers, seamstresses, "shop-girls," housekeepers, nursing mothers, and feeble women generally, Dr. Pierce's Favorite Prescription is the greatest earthly boon, being unequalled as an appetizing, cooling, and restorative tonic.

As a soothing and restorative tonic, Dr. Pierce's Favorite Prescription is unequalled and is invaluable in allaying and subduing nervous excitability, irritability, exhaustion, prostration, hysteria, spasms, and other distressing, nervous symptoms commonly attendant upon functional and organic disease of the womb. It induces refreshing sleep and relieves mental anxiety and despondency.

Dr. Pierce's Favorite Prescription is a legitimate medicine, carefully compounded by an experienced and skillful physician, and adapted to women's delicate organization. It is purely vegetable in its composition and perfectly harmless in its effects in any condition of the system. For morning sickness, or nausea, from whatever cause arising, weak stomach, indigestion, flatulency and kindred symptoms, its use, in small doses, will prove very beneficial.

"Favorite Prescription" is a positive cure for the most complicated and obstinate cases of leucorrhoea, excessive flowing, painful menstruation, unnatural suppurations, prolapsus, or falling of the womb, weak back, "female weakness," atresion, retroversion, bearing-down sensations, chronic congestion, inflammation and ulceration of the womb, indigestion, neuralgia, and tenderness in ovaries, accompanied with "internal heat."

As a regulator and promoter of functional action, it is equally adapted for change from girlhood to womanhood. "Favorite Prescription" is a perfectly safe remedial agent, and can produce only good results. It is equally efficacious and valuable in its effects when taken for those disorders and derangements incident to that later and most critical period, known as "The Change of Life."

"Favorite Prescription" when taken in connection with the use of Dr. Pierce's Golden Medical Discovery, and small laxative doses of Dr. Pierce's Purgative Pellets (Little Liver Pills), cures Liver, Kidney and Bladder diseases. Their combined use also removes blood taints, and abolishes cancerous and scrofulous humors from the system.

"Favorite Prescription" is the only medicine for women, sold by druggists, under a positive guarantee, from the manufacturers, that it will give satisfaction in every case, or money will be refunded. This guarantee has been printed on the bottle-wrapper, and faithfully carried out for many years. Large bottles (100 doses) \$1.00, or six bottles for \$5.00. For large, illustrated Treatise on Diseases of Women (100 pages, paper-covered), send ten cents in stamps.

World's Dispensary Medical Association, 605 Main St., BUFFALO, N. Y.
