Charlottetown Royals Play To 5-5 Tie With Ramblers

Sports

The powerful Amherst Ramblers came from behind in the late minutes of the third period to score two goals and earn a 5-5 tie with the Charlottetown Royals, last night at the Sports Arena.

Hayden's goal at the 17:14 mark of the final stanza brought an end to one of the closest hockey games so far this year.

The Ramblers who only had nine players dressed for play fought a come-from behind battle from the early minutes of the first period until the final whistle.

Jack Ready, started the ball rolling for the Royals at about the 10 minute mark in the first period when he took a pass from Buck Whitlock during a sramble in front of the Rambler's net, and poked the puck behind Tuffy Steeves.

Gotheau and McLure got into a minor fist fight a few minutes later to leave each team shorthanded. Buck Whitlock was sent to the sin bin a couple of seconds later to leave the Royals down one man. The ever-trying Ramblers try as they might couldn't score on Frankie Roper who played a sensational game in the nets while they had the odd man advantage but Lou Kiley finally dented the twines for the visiting Ramblers, near the end of the period.

JACK READY

ROYALS GO AHEAD

The Royals went ahead 2-1 about midway in the second period when Allie Carver, playing his usual good game took a pass from the old pro, Buck Whitlock and banged the puck behind Steeves. Jack Ready then scored his second goal of the evening on a solo effort, 21 seconds later, to bring the score up to 3-1 in favor of the home forces.

Gotheau of the Ramblers brought his team to within one goal of the Royals by fooling Roper at 17:35.

The two teams battled back and forth for the remaining two and a half minutes but neither squad was to blink the red light.

The Royals added another goal to their lead early in the third stanza with Allie Carver getting his second tally of the night.

Carver was coming down the ice across from Jack Ready who was carrying the rubber. Ready shot a pass to Carver which missed, Carver recovered the puck and stuck it in a space a few inches wide between Steeves pads and the net post to score.

MacKinnon took the Ramblers back in the game with a goal two minutes later that made the score read 4-3 in favor of the Royals.

Buck Whitlock had a great chance to score minutes later, when he broke away from the rest of the pack and came in all alone on Steeves. He did not have time to deke out the Amherst net-minder so he let fly a hard shot that Steeves deflected behind the nets.

Cecil Dowling, playing his first game in a Royals uniform scored his first goal of the season to put the Royals into a short-lived 5-3 lead at the 15:07 mark.

Boss got that one back for the Ramblers 33 second later to bring the score around to 5-4 for the surging Royals.

For a while it looked like the Royals were going to hold the powerful Amherst team in check, but Hayden forced the tie when he took a pass from Red Mullins and came in on Roper to slam the puck between his legs.

As the final seconds of the game ticked off both teams were pressing hard to break the tie but final buzzer sounded before any more goals were collected.

Halfback Has Four Offers

MONTREAL (CP) — Gerry McDougall, Hamilton Tiger-Cats' good running halfback, was reported Tuesday to have four offers from National Football League teams in the United States.

With players from the Big Four league of the East and the Western Interprovincial Football Union gathering for Saturday's East-West all-star game, the offers were the topic of football conversation.

It was reported McDougall is seriously considering moving to the NFL but will decide after talking with officials of the Hamilton club after Saturday's game.

If a financial agreement is not reached it is believed the former UCLA halfback will become the first eastern player to return to the pro circuit in the U.S. since Alex Webster left Montreal Alouettes and went to New York Giants in 1955.

McDougall is particularly valuable to the Tiger-Cats because he was classed as a Canadian. His parents were born in Nova Scotia. The Cats actually had 14 imports, two above the allowed number, because Vince Scott came to them from the U.S. Scott now is a Canadian citizen.

SPORT OF KING'S

Basketball Now Has Big Hold In Eastern Section

Basketball has really taken hold on this end of the Island. In the last two week's interest has grown at a tremendous rate Last week, the Local High School paid a visit to Charlottetown where they were defeated by Prince of Wales Seconds. This was a return game, with Prince of Wales having won the first game in Souris.

The last match was a much closer affair, with the local lads showing the benefit of more practice. For the first time, they attempted to use a zone defense, and while the results weren't outstanding, they were encouraging. Another home and home series will be arranged with the College boys, probably in January.

On Monday night, the town team, known as the Woodpeckers got into the act, in an exhibition game with the High School. While they had little difficulty with the school boys they showed the effects of a year's layoff. Only one practice had been held so far this year.

Henry Paquet, a former star with the High School led the Woodpeckers as they manhandled the High School. Kenny O'Hanley, another former high school star also played a good game. On the defense, James Cheverie was the pick of the crop. For the High School, Mel Walsh was the scoring hero, while Ed Lutz was the defensive star.

Both the Woodpeckers and the High School are hoping to bring in other outside teams for exhibition contests. These teams will probably come from the Charlottetown area, as it is the nearest region with basketball teams.

Two minor basketball leagues have been formed. One consisting of boys ranging in age from ten to twelve years has three teams, while the other, boys under fifteen has four teams. Practice sessions for these groups are expected to get underway this week.

With Harold Bailey leading the way the Lobster Kings defeated St. Peters in an exhibition bowling contest in Souris last week. The St. Peters bowlers had the disadvantage of having had no practice as their bowling leagues have not, as yet, gotten underway.

The Federals, of the Men's League have finished the first half of the schedule with a perfect record. Eight wins in eight games. They hold an eleven point lead over their nearest rivals, the Ramblers. At present they seem almost a certainty to finest in the top spot. Members of this undefeated team are Bill Pierce, Art Wright, David, Morrow, Walter Douglas, Miles Foster and Roy Richard.

MINOR HOCKEY

In midget hockey action yesterday, the Arrows defeated the Ramblers 5-2 and the Flyers beat the Darts 3-1.

Billy Sherry scored two goals in pacing the Arrows attack. David Curry, Billy Giggey and Jackie Hynes scored singles. Steven Connelly and Fredie Gau chiefly connected for the Ramblers.

In the other game, Mayne with two goals led the Flyers to a 3-victory over the Darts. Gallan scored the other goal for the Flyers while Brown got the Darts lone tally.

The only activity scheduled today in minor hockey at the Sports Arena is a combined workout for all City juveniles and juniors from six to seven p.m.

Didn't Realize Hand Broken

MONTREAL (CP) — Winnipeg halfback Gerry James did not realize his right hand was broken in Saturday's Grey Cup contest against Hamilton Tiger-Cats until after the game, coach Bud Grant of the Blue Bombers said Tuesday.

Garnil here to coach the West in next Saturday's Shrine bowl game, said x-rays taken later in a Toronto hospital disclosed that James had two broken bones on the back of the hand.

James made four fumbles as the Ticats crushed the Bombers 32-7 in Toronto. He is left-handed.

"Gerry came off in the first quarter and everyone on the bench saw his hand was swollen, but he wasn't complaining," Grant said in a telephone interview. "We knew that he had hurt it, but we could only suspect it was that bad."

DOWN THE BACK STRETCH

We had a chat with Elwood Shaw about the recent sale at Delaware, Ohio. Elwood thinks that the horses that are coming to the Maritimes will give a good account of themselves and make the racing more interesting for spectators. Elwood shared the front seat with driver A. Bernard in the Andrew Perry horse van, which carried the Maritime purchases from Delaware to their destinations, and he took a turn at driving. He said that arrangements were made with the Customs so that there was no delay, and the total fee, including entry, veterinary examination, etc., is now only $12.50 a horse—quite different from years ago when we had to pay a high duty on a gelding. They left off Francis Breaux's "War Cry Ranger", 2.08, at Moncton; he will be trained and raced by Joe Hennessey next season.

A horse passenger in the truck that we hadn't listed in our previous report is "Sycamore", p, 2.05 1-5, winner of over $35,000. His best performance was when he was photoed out in 2.02 4-5 at Roosevelt Raceway. His owner resides in Summerside, P.E.I.

The two highest priced horses in the sale were Senator Pete, p, 2.04 3-5, 3, 2.03 3-5. This is his 1957 race record. He started 28 times, was 7 times first, 5 times second and 5 times third. The price was $8,000. A four-year-old named "Flashy Jim" that does not sport a record but must have shown a lot, brought $900.

AT ST. STEPHEN

At a meeting of the St. Stephen Agricultural Society at St. Stephen, N. B., last week, revival of harness racing during the annual exhibition in 1958 was considered. A declaration that the show, in its 1957 format, had nothing to attract patrons from out-of-town points was made. A committee was appointed to prepare an estimate of costs of preparing stalls and a track for racing, and also to despatch letters to racing officials in Woodstock, Fredericton and Saint John, advising them that 1958 racing is being considered, and asking their cooperation on keeping dates open for St. Stephen.

Many of our readers will remember when St. Stephen was one of the top racing spots in the Maritimes. The track records there are as follows: Pacing, 2.06, made by Walter Dale, 2.06 3-4, on September 2, 1937, driven by H. Clukey. Trotting 2.06 3-4, made by Watchim, 2.06, on August 25, 1944, driven by W. Hood. The latter mark is the Maritime track record for trotting.
