

Large Delegation Presses For Road Paving Project

A large delegation waited on Hon George MacKay, Minister of Highways, yesterday asking that the road from Dundas to Dingwells Mill be paved. This, they stressed, would link up the towns of Souris and Montague on the most direct route. The road is approximately four miles in length.

The delegation included residents of Dundas and vicinity, supported by delegates from Souris and Montague. Heading the Souris delegation was Mayor Joseph J. Campbell. Montague had May- or Bruce Yeo with them.

That put the town councils of Souris and Montague in the picture. Other organizations strongly supporting the petition included the Women's Institutes of Dundas and Albion Cross, the Montague Junior Chamber of Commerce, a group of Montague business men the Souris Board of Trade and Southern Kings group of fishermen.

Accompanying the group were Hon Kelt Clark and Joseph Campbell, M.L.A. Representatives in the Legislature from 3rd Kings,

and S.S. Hessian, Q.C. who is a representative from the Fifth district. Mr. Hessian was chosen by the delegation to act as chairman.

A spokesman for the delegation told The Guardian afterward that they received a splendid reception from the Minister of Highways. One man said that the Minister said he would make an immediate investigation to see if the road was ready for paving and if not, he would put it in shape for paving at the earliest opportunity.

gether there were 19 from the province.

He referred to the fact that the next conference will be held on the island and already negotiations have been made to use the facilities of St. Dunstan's university for this purpose.

Mr. Campbell said from reports given from the National Restaurant Ass'n and the Canadian Consumers' Association it would appear evident that producers will have to endeavour to put up a more attractive package if they are to compete with the other branches of the fruit and vegetable industry.

"If we don't put up our pack more attractively, the consumer will pick up the nice looking package of some other vegetable and leave the dirty potatoes under the counter," said Mr. Campbell.

Mr. Campbell emphasized the need of a promotional program for the potato industry in Canada. He noted that in Idaho the growers are spending millions of dollars each year. "They get their money from a two cent levy per cwt. We have been unsuccessful in collecting a 1/2 cent levy in this Province," he observed.

Ark. Governor, Eisenhower Will Meet

AUGUSTA, Ga. (AP) — Governor Orval E. Faubus of Arkansas Wednesday asked President Eisenhower for a personal meeting on the Little Rock integration dispute. The president agreed to see him Friday or Saturday.

"The meeting will take place at the president's vacation headquarters in Newport, R.I. Faubus told the president in his request that he wants to abide by the court orders directing integration at Little Rock Central High School "consistent with my responsibilities under the constitution of the United States and that of Arkansas."

It had been reliably reported in Little Rock earlier that intense behind-the-scenes negotiations were going on between emissaries of the governor and the White House.

Temper dropped suddenly in Little Rock, although state militia maintained a close watch around its schools.

Meanwhile at racially tense Nashville, Tenn., police set up road blocks to keep potential troublemakers away from integrated schools, and cracked down on armed loiterers.

And at Birmingham, Ala., new rock-throwing incidents were reported.

No Tuna For Fleet Again

By ED SMITH
Canadian Press Staff Writer
WEDGEPORT, N.S. (CP)—The 14th international tuna tournament Friday went through its second successive day without an official weigh-in at dockside.

The fleet returned to port here through thick fog and a heaving sea to report, as on Thursday, a single but losing skirmish with the bluefin.

Opening day records posted on the basis of two catches still hold. The standings are Mexico 855 points, Cuba 585, and the British Commonwealth, Peru, the United States, Spain and Venezuela remain pointless.

Officially the tournament championship would have been declared Friday. This year however, the match has been extended another day and the final action boils down into a six-hour trol of Soldiers Rip and Lobster Bay waters Saturday.

Unofficial presentation of the Alton B. Sharp Trophy is scheduled for the tuna dock here at 1 p.m. Saturday. The official presentation will be made to the winning team captain at a Nova Scotia government reception in the evening.

SNAPPED LEADER
Venezuela's Alfred A. Behrens nearly put his country into the race Friday morning but his heavy piano-wire leader snapped nine minutes after a big bluefin swished through rip waters to grab his herring-baited hook.

A similar experience befell Mexico's Rogelio Arreola Thursday morning when a tuna ripped loose from the hook after a 15-minute play.

Standing big on the scoreheet Friday was the 655-pound fish floated by Juan de Dios de la Torre, a Guadalajara engineer. De la Torre got his after an hour and 45 minute tussle Wednesday. Cuba's Gnozal Nunez had a

Potato Producers

behalf of the potato industry, the Tariff Board could have no alternative but to recommend an all year round tariff of 37 1/2 cents on United States potatoes entering Canada.

Mr. Campbell said the immediate increase in price noted last Spring when the tariff was put on American potatoes was one of the strongest arguments. However it was pointed out that although shipments were stopped from the northern states, California new potatoes still continued to roll into Canada with the result that the Canadian growers were seriously affected.

"It was felt that the only solution lay in the all year round imposition of tariff on U.S. potatoes," he said.

WELL REPRESENTED
Speaking of the conference of the Potato Council concluded in Guelph, Mr. Campbell said he was happy to see so many Islanders at the meeting. Alto-

Riders Defence Is Awful But Offence Coming Along

By THE CANADIAN PRESS
The accent is on defence as the Western Interprovincial Football Union schedule nears the half-way mark.

Coach Frank Filchock of Saskatchewan Roughriders, only idle club in tonight's league action, sees his offence as starting to come along now, but our defence has been awful.

Filchock has the figures to back that up: one victory in six games for the Riders, who have had an average 27 points a game scored against them while counting 19 points themselves.

Edmonton Eskimos have no complaints. "We were proud of our defensive team," Coach Frank Ivy said following Esks' 22-2 victory over Calgary Stampers Monday night.

"Our veterans, some young ones like Mike Knech, did what they had to along the line and our defensive backfield came up

big. There was only one import in it, the rest being Canadians. They were alert."

TAKE ON B.C.
Tonight, Eskimos in Edmonton take on the same B.C. Lions they drubbed 35-13 in their last meeting, while Stampers—now one game behind Edmonton as a result of Monday night's loss—are at home to Winnipeg Blue Bombers.

Halfback Howie Waugh, leading WIFU ground-gainer in his 1955 season with Stampers, joined the club again last week but isn't likely to play against Bombers tonight. However, indications are that he will be in harness Monday night against Saskatchewan Roughriders.

At Edmonton, Canadian quart-

EATON AGRICULTURAL SCHOLARSHIP

The T. Eaton Company, Limited, is again donating a Scholarship to be awarded at the 1957 Royal Agricultural Winter Fair, Toronto.

This Scholarship is open to boys who have reached their 17th birthday but who have not reached their 23rd birthday on October 18th, 1957. The Scholarship provides for all College fees, board, and lodging, for a four-year course commencing in the Autumn of 1958 at any Agricultural College in Canada selected by the winner. Candidates must be in their graduating year in High School or have already graduated, but not in attendance at a University.

The winning candidate in Prince Edward Island will be awarded a trip to the Royal Winter Fair at the expense of the T. Eaton Company where he will compete with winners from the other provinces for this Scholarship.

Interested students should forward their application before September 28th to S. C. Wright, Provincial Department of Agriculture, Box 2000, Charlottetown.

Teachers Request 12-Month Pay; Praise Studies Course

The second day of the teacher's convention at Montague commenced at 9:30 Friday morning with a full attendance of teachers. The president, Mr. Cecil LeLacheur occupied the chair.

After roll call the president called upon Mr. Kenneth Parker, superintendent of Charlottetown schools, to address the convention. Mr. Parker spoke at length on the importance of Junior Red Cross in the schools. From it the teachers received a great amount of motivation material. The Junior Red Cross magazine was an aid to teaching and home work.

Miss Helen Yeo of the teacher training department at P.W.C. gave a very interesting and instructive address on "creative writing."

Miss Estelle Bowness took for her theme "The educational crisis from the teachers' standpoint." Reason for teacher shortage and the apathy of people towards education were dealt with at length and were stressed particularly by the speaker.

Following the address, the teachers were formed into groups for discussion dealing with the foregoing address. Following the discussions each group gave its decision on the various problems. The convention then adjourned for dinner.

During the afternoon Mrs. Ina Hickox gave a talk and demonstration on the teaching of word recognition, reading and art in the primary grades.

Mr. Malcolm MacKenzie, assistant director of education, gave a talk on course of studies and curriculum changes. Following this a question box was held.

RESOLUTIONS

Be it resolved that the thanks of this convention be extended to the president, to Mrs. H. MacPhee (acting secretary), to the guest speakers and many others who contributed so generously of their time and talents towards the success of this convention.

Be it resolved that the thanks of this convention be extended to the press for the excellent coverage of this convention.

Be it resolved that a copy of the Dominion Bureau of Statistics "Canada 1957" be supplied free to all schools by the Department of Education.

Be it resolved that teachers be paid according to their class, not according to the number of children in the district.

Whereas salaries are paid on the basis of ten months, be it resolved that it be paid on a 12 month basis.

Be it resolved that grade ten pupils taking Latin and French be credited with the higher mark in provincial examination results.

Be it resolved that the Department of Education be commended on the excellence of the recently revised course of studies.

Following is the state of officers for the ensuing year: President, Mr. Leslie Stuart; vice-president, Mr. Dan A. MacCormack; second vice-president, Mrs. Hazel MacPhee.

The convention came to a close with the singing of the National Anthem.

Uigg Baptist Church Holds Opening Service

Despite a steady downpour of rain large congregations assembled for the re-opening services.

The inspiring services in song and with the theme "Co-workers with God" were under the leadership of the pastor Rev. C.W. Passey who also offered a prayer of dedication.

The organist, Blair Hackett, was assisted by Mrs. Harold Carver and Miss Sue Jones. Special numbers included a hymn "How Great Thou Art" by the Matheson-Carver quartet, and a duet by Mrs. C.W. Passey and daughter Sharon, and a solo by Miss Arlene MacDonald "Bless this House" were much appreciated.

Old friends were delighted to have with them again Verner Jones and greatly enjoyed his clarinet selections.

The thanks of the congregation went out to all those who gave of their time and talent on the occasion also to those whose contribution of flowers added so much to the appearance of the church.

RUNNERS-UP IN BIG MATCH

Wendell Jenkins, Millview placed second in the Esso Provincial championship plowing match at Dundas this week. He

Teachers Request 12-Month Pay; Praise Studies Course

Right is Douglas MacDonald of Forest Hill who placed third in the big match in very strong competition.

No Tuna For Fleet Again

strike almost simultaneously and snafed a 485 pounder.

If anything the 1957 series will probably go down as the foggiest in the 14-year record. Judge's craft had a hard time locating the 21 anglers' boats in Thursday's pea soup and the situation was even more obscure Friday.

At one stage the official vessel radioed to dock that contact with shome of the fishing craft might be lost until they returned to port at 4 p.m.

The series if following the exact pattern of the 1955 tournament. That one, dubbed the poorest in Wedgeport history, also had two opening day catches. The second and third days went fishless.

Potato Producers

That further enforcement of the disease control act in the Province be urged on the Department of Agriculture and that the Department appoint more personnel to be directly responsible in this field was included in a resolution which also asked that growers sincerely cooperate in an attempt to keep the province a disease free area.

It was resolved that the freight rate charges in the Maritimes and to American points be further investigated with the possibility of getting a more favourable agreement.

Another resolution urged the Association to continue to press for all year round tariff on United States potatoes.

It was strongly urged that the possibility of establishing a starch factory in the province be given consideration.
