

Alberton Fair Is Praised At Opening Ceremonies

The official opening of the twenty-ninth Prince County Exhibition at Alberton took place yesterday afternoon. Due to the inclement weather, it was necessary for the speeches to be made in the Exhibition Building, which was crowded all afternoon.

The speakers were introduced by Lester Wallace, president of the Exhibition Association.

Mayor Hilton Barbour cordially welcomed all who were present to the town of Alberton.

Hon. A. W. Matheson, Premier of Prince Edward Island, congratulated the president and directors of the Exhibition Association on the continuation of a two-day show and expressed the interest of the Government in the work carried on.

Mr. J. Watson McNaught, M.P. expressed approval of having the exhibition earlier in the season than it has been in previous years, one advantage being that more tourists are likely to attend. He stressed the importance of the tourist industry and voiced the opinion that there is not sufficient tourist accommodation in the western part of the Island.

STRESSES LIVESTOCK

Hon. Eugene Cullen, Minister of Agriculture, congratulated the management on the excellent arrangements made for the exhibition and the exhibitors on the quality of their exhibits.

He stated that the object of the Department of Agriculture in supporting exhibitions is to improve the quality of crops and livestock. He felt that there is nothing better than good livestock to encourage young people to stay on the farm. It will pay better and also be something in which they may take pride.

Senator George H. Barbour expressed his pleasure at being present and having the pleasure of meeting many old friends. Recalling earlier days when much business was done by barter, he made mention of the way things have changed. Today farmers must produce good crops, etc., in order to raise the money necessary to buy modern machinery.

Referring to Joe O'Brien as one who is perhaps doing more than any other person to advertise Prince Edward Island, he said Joe is proof that there is opportunity for young people who try to improve themselves. They must have a moral standard. While improving their stock, our people will lose out if they are not also improving themselves and becoming good citizens.

Mr. F. C. Ramsay, M.L.A., commented on the knowledge gained by young people as they watch the judges and learn what is required in good livestock and crops. He hoped that everyone present would derive some benefit from the show.

Dr. L.G. Dewar, M.L.A., made reference to the "dependence we all have on farmers" and to the fact that what helps them helps all.

Mr. A. J. Bernard expressed the opinion that no previous exhibition had been better than this one. He commended the effort being made to entertain people in spite of the rainy weather.

In his closing words Mr. Wallace invited everyone to return next year.

JUDGING CONCLUDED

Judging of livestock was concluded during the afternoon.

Carriage and draft horses were judged by George C. Kitson. In the carriage horse class first prize brood mare with her 1955 offspring was awarded to Willard Coughlin, Alberton, and second prize to Hilton Barnett, Elmsdale. First prize for a foal of 1955 went to Mr. Barnett and second to Mr. Coughlin. The champion mare was shown by Charles Gordon, Cascumpec.

In the draft horse class the first prize brood mare and foal were shown by Fred Johnston of Elmsdale. The champion mare was shown by Lorne Crockett of Alma and the champion stallion by Byron McKenna of Elmsdale.
