Why  
you take  
Cold  
and  
Cough.

Generally caused by exposure to cold,  
wet feet, sitting in a draught, coming  
from hot and crowded places, in thin  
dress, or wearing damp clothes, stock-  
ings, or any other cause tending to  
check suddenly the perspiration. The  
result produces inflammation of the  
lining membrane of the lungs or throat,  
and this causes phlegm or matter, which  
nature tries to throw off by expectora-  
tion. In many cases this is unable to  
do so without assistance, and this is

Why  
you use  
Allen's  
Lung  
Balsam.

**McLean Rescued.**  
HORNING'S MILLS, Feb. 17.—People of this  
village and vicinity who read with wonder and  
astonishment the marvellous cure Dodd's Kid-  
ney Pills made in the case of Sam Murray,  
of Gravenhurst, and Mrs. Brown, of Toronto,  
which seemed almost too startling to be true,  
are now no longer in doubt that Dodd's Kid-  
ney Pills are the greatest medicine on earth,  
as there has been a cure right here in this  
village almost as wonderful. Mr. Wm. Mc-  
Lean, of this place, has for months been  
troubled with backache, nervousness, lack of  
ambition, loss of appetite and flesh. Sym-  
ptoms which only exist when the feet destroy  
"Bright's Disease" has the victim in its grasp,  
which is generally regarded as incurable. Mr.  
McLean has been thoroughly cured by a two  
months' use of this remedy, and frankly says  
that they saved his life.

**Doing Good Work.**—The annual meeting  
of the charitable Irish Society was held at  
Halifax on Thursday night. Mayor Keeffe  
was re-elected president. During the year  
\$500 was spent in charity, 117 families hav-  
ing been visited; \$300 was voted for charity  
for the ensuing three months, and \$100 each  
was voted to the Home of the Guardian Angel  
and Catholic Orphanage.

A receiver has been appointed for the  
People's Mutual Life and Accident Insur-  
ance Association of Pittsburgh.

**The Ladies Delighted.**  
The pleasant effect and the perfect safety  
with which ladies may use the liquid fruit  
laxative, Syrup of Figs, under all conditions,  
make it their favorite remedy. It is pleasing  
to the eye and to the taste, gentle, yet effec-  
tual in acting on the kidneys, liver, and bowels.

George's mother—I can say this for George:  
He has always been a good boy to me. He  
has always treated his mother well.  
George's fiancée—Yes, and he treats  
me well too, but not often.

**The Children's Enemy.**

Scrofula often shows itself in early life and  
is characterized by swellings, abscesses, hip  
disease, etc. Consumption is scrofula of the  
lungs. In this class of disease Scott's Emul-  
sion is unquestionably the most reliable medi-  
cine.

The man who has no aim in life is never  
ready to make a hit when opportunity offers.
