Between the ages of fifteen and forty-five, the time when womanhood begins and motherhood ends, it is estimated that the aggregate term of woman's suffering is ten years. Ten years out of thirty! One third of the best part of a woman's life sacrificed. Think of the enormous loss of time. But time is not all that is lost. Those years of suffering steal the bloom from the cheeks, the brightness from the eyes, the fairness from the form. They write their record in many a crease and wrinkle. What a boon then to a woman is Dr. Pierce's Favorite Prescription. It promotes perfect regularity, dries up debilitating drains, heals ulceration, cures female weakness, and establishes the delicate womanly organs in vigorous and permanent health. No other medicine can do for woman what is done by Dr. Pierce's Favorite Prescription.

Free.—Dr. Pierce's Common Sense Medical Adviser, 1008 pages, 700 illustrations, is sent free on receipt of stamps to defray expenses of mailing and customs. Send 31 one-cent stamps for paper covers, or 50 stamps for cloth, to Dr. R. V. Pierce, 633 Main Street, Buffalo, N. Y.

ALCOHOL AND MORPHINE HABITS.

Rev. Father McCallen's Tribute.

On the occasion of a lecture delivered before a large and appreciative audience in Windsor Hall, Montreal, in honor of the Father Matthew anniversary, Rev. J. A. McCallen, S. S. of St. Patrick's church, and president of St. Patrick's Total Abstinence Society, paid the following grand tribute to the value of Dr. Dixon's new discovery for the cure of the alcohol and drug habits:

Referring to the **PHYSICAL CRAVE** engendered by the inordinate use of intoxicants, he said: "When such a crave manifests itself there is no escape unless by a miracle of grace or by some such remedy as Mr. Dixon's Cure, about which the papers have spoken so much lately, and if I am to judge of the value of the Dixon Remedy, or by the cures which it has effected under my own eyes, I must come to the conclusion that what I have longed for twenty years to see discovered has at last been found by that gentleman."

Full particulars of this new medicine are sent, sealed, free to all applicants. Address Mr. Dixon, 81 Willsucks Street, Toronto, Ont.
