CAUTION.—Owing to the recent introduction of Soap made from Cocoa Nut Oil, F. S. Cleaver feels it incumbent on him to remark that he entirely abstains from the use of that pernicious article in any Soap bearing his name, the only advantage of which is to enable the maker to produce soap at less cost, and with a smooth and ivory-like appearance, which treacherous and superficial qualification is to be avoided; as a soap so made possesses a much more powerful alkali than genuine English-made soap; and like many other things, beautiful to behold, leaves its sting behind, by causing a severe irritation to the skin—particularly if used for shaving. It likewise produces a faint, sickly, and disagreeable smell, as the hands of any person who has used it can testify.

Buckeye Mower and Reaper,

TO OUR PATRONS IN P. E. I.

IT is now four years since we began shipping Machines to your Island, and from our large increase of sales each season, are assured that our efforts to furnish you with the "best Mower and Reaper in the world," have been appreciated, and with this encouragement we have endeavored to study more particularly your requirements, and each year build our Machine more especially adapted to your country.

We have this year attached a Self-raking Reaper to our Machine, and can now offer you "the most perfect combined Mower and Reaper" manufactured in America, or in any other country. This Machine differs in many respects from all others, and is particularly adapted for cutting lodged grain. By a very simple device the points of the guard-fingers can be dropped at the option of the driver, picking up everything, and making all smooth work. It will cut several inches lower than our Reaper last season Improvements have also been added to the Mower.

Other Machines will probably be offered you at, perhaps, lower prices, but be assured there are "none" that can compete with us in quality of work or quality of material used in construction. We feel confident that our Combined Machine will prove as satisfactory as the Mower has heretofore, and have no hesitation in warranting it to be superior to any Machine in this or any other market.

Yours respectfully

Ayer's Cathartic Pills,

For all the purposes of a Laxative Medicine.

Perhaps no one medicine is so universally required by everybody as a cathartic, nor was ever any before so universally adopted into use, in every country and among all classes, as this mild but efficient purgative *Pill*. The obvious reason is, that it is a more reliable and far more effectual remedy than any other. Those who have tried it, know that it cured them; those who have not, know that it cures their neighbors and friends, and all know that what it does once it does always—that it never fails through any fault or neglect of its composition. We have thousands upon thousands of certificates of their remarkable cures of the following complaints, but such cures are known in every neighborhood, and we need not publish them. Adapted to all ages and conditions in all climates; containing neither calomel or any deleterious drug, they may be taken with safety by anybody. Their sugar coating preserves them ever fresh and makes them pleasant to take, while being purely vegetable no harm can arise from their use in any quantity.

They operate by their powerful influence on the internal viscera to purify the blood and stimulate it into healthy action—remove the obstructions of the stomach, bowels, liver, and other organs of the body, restoring their irregular action to health, and by correcting, wherever they exist, such derangements as are the first origin of disease.

Minute directions are given in the wrapper on the box, for the following complaints, which these *Pills* rapidly cure:—

For **Dyspepsia** or **Indigestion, Listlessness, Languor** and **Loss of Appetite**, they should be taken moderately to stimulate the stomach and restore its healthy tone and action.

For **Liver Complaint** and its various symptoms, **Bilious Headache, Sick Headache, Jaundice** or **Green Sickness, Bilious Colic** and **Bilious Fevers**, they should be judiciously taken for each case, to correct the diseased action or remove the obstructions which cause it.

For **Dysentery** or **Diarrhœa**, but one mild dose is generally required.

For **Rheumatism, Gout, Gravel, Palpitation of the Heart, Pain in the Side, Back** and **Loins**, they should be continuously taken, as required, to change the diseased action of the system. With such change those complaints disappear.

For **Dropsy** and **Dropsical Swellings** they should be taken in large and frequent doses to produce the effect of a drastic purge.

For **Suppression** a large dose should be taken as it produces the desired effect by sympathy.

As a *Dinner Pill*, take one or two *Pills* to promote digestion and relieve the stomach.

An occasional dose stimulates the stomach and bowels into healthy action, restores the appetite, and invigorates the system. Hence it is often advantageous where no serious derangement exists. One who feels tolerably well, often finds that a dose of these *Pills* makes him feel decidedly better, from their cleansing and renovating effect on the digestive apparatus.

THE ROAD TO HEALTH

AND

LONG LIFE,

SECURED BY

HOLLOWAY'S PILLS.

Impurities of the Blood.

In selecting the most appropriate medicine for a particular ailment, there may be some difficulty unless one can be found to purify, regulate, and improve the quality of the blood. These Pills possess and exert these three qualifications in an extraordinary degree. They enable the stomach to digest any ordinary food, increase the secretory powers of the liver, cleanse and purify the blood, expel all morbid matter, and throw into the circulation the purest elements for sustaining and repairing the framo.

Weakness and Debility.

How many persons suffer from debility without knowing the causes why they are feeble! In man cases the stomach is the aggressor. Holloway's Pills have long been famed for regulating a disordered stomach, and restoring its healthy digestion: they are, therefore, confidently recommended as a never-failing remedy in all cases where the constitution, from any cause, has become impaired or weakened.

Disease of the Head and Heart

These formidable diseases are, unfortunately frequent occurrence; for the most part they creep on gradually, but may be prevented by proper precautions. Holloway's Pills are the surest preservatives against all derangements of the brain, and are the speediest correctors of irregular circulation. It may be taken without delay, when tingling in the limbs, drowsiness, or giddiness comes on, the effect will be marvellous.

Ages of all Females and Classes.

The fame of these Pills is paotly based upon the beneficial effects they have upon the constitutions of females. From the domestic servant to the peeress universal favor is accorded to them for their invigorating and purifying properties, which render them so safe and invaluable in all disorders peculiar to the sex. Obstructions of every kind, either in young persons entering into womanhood or approaching the turn of life—the most critical period—may be radically removed by recourse to those Pills.

All Disorders affecting the Liver, Stomach and Bowels.

Whenever the stomach, liver or bowels are disordered by high living, climate, over-indulgence undue exertion or other causes, these fine regulating Pills will soon rectify the evil, and speedily bring babk energy, strength and cheerfulness to the frame where previously all was lassitude, gloom and defebtion.

Despondency, Low Spirits.

The misery occasioned by a disordered digestion is, unfortunately, felt by most. These famous Pills should be taken in appropriate doses to adjust the disturbed functions. They dispel headache, biliousness, nausea, lowness of spirits, and all similar ailments A course of these invaluable purifying Pills never fails in removing thh cause of such morbid affections, without subjecting the sufferer to any inconuenience.

Influenza, Diptheria. Bronchitis, Coughs and Colds.

HEALTH! BEAUTY!!

Strong, Pure and Rich Blood—Increase of Flesh and Weight—Clear Skin and Beautiful Complexion, SECURED to ALL.

RADWAY'S

Sarsaparillian Resolvent

HAS MADE THE MOST ASTONISHING CURES. SO QUICK, SO RAPID ARE THE CHANGES, THE BODY UNDERGOES UNDER THE INFLUENCE OF THIS TRULY WONDERFUL MEDICINE THAT

Every Day an Increase in Flesh and Weight is Seen and Felt.

Scrofula, Consumption, Syphilis, neglected and badly treated Venereal, in its many forms, Glandular disease, Ulcers in the Throat, Mouth, Tumors, Nodes in the Glands, and other parts of the system, Sore Eyes, Strumous discharges from the Ears, Eruptive diseases of the Eyes, Nose, Mouth, and the worst forms of Skin diseases, Eruptions, Fever Sores, Scald Head, Ring Worm, Salt Rheum, Erysipelas, Acne, Black Spots, Worms in the Flesh, Tumors, Cancers in the Womb, and all weakening and painful discharges, Night Sweats, loss of Sperm and all wastes of the life principle, are within the curative range of Radway's Sarsaparillian Resolvent, and a few days use will prove to any person using it for either of these forms of disease, its potent power to cure them.

Not only does the Sarsaparillian Resolvent excel all known remedial agents, in the cure of Chronic, Scrofulous Constitutional, Skin and Syphiloid diseases, it is the only positive remedy for **Kidney, Bladder Urinary, and Womb diseases, Gravel, Diabetes Dropsy, Stoppage of Water, Incontinence of Urine, Bright's disease, Albuminuria, and in all cases where there are Brick dust deposits, or the water is thick, cloudy, mixed with substances like the white of an egg, or threads like white silk, or there is a morbid dark, bilious appearance, and white bone dust deposits, and where there is a pricking, burning sensation when passing water, and pain in the Small of the Back, and along the Loins. In all these conditions Radway's Sarsaparillian Resolvent aided by the application of Radway's Ready Relief to the Spine and Small of the Back, and the Bowels regulated with one or two of Radway's Regulating Pills per day, will soon make a complete cure. In a few days, the patient will be enabled to hold and discharge his water naturally without pain, and the Urine will be restored to its natural clear, and amber or sherry color.**

THE WASTES OF THE BODY

are supplied with new, healthy, and vigorous blood, that furnishes sound structure. Hence all suffering from WEAKENING DISCHARGES, either MALE or FEMALE, of the Womb, Uterus, or other organs, whether Leucorrhœa, Sperm, or Eruptive discharges, of every kind, or from violence of "Self-abuse," from the Genital Glands, or Venereal discharges, or ulcers, or sores, through the reparative process of RADWAY'S SARSAPARILLIAN, are arrested, and the ruptured organs healed.

THE TRUE THEORY OF CURE.

RADWAY'S SARSAPARILLIAN RESOLVENT supplies the system, through the blood, urine, sweat, and structure-making constituents with Tissue making, Flesh making, Heat or Caloric and Fat making elements. All of its constituents are *nourishing, purifying, and strengthening. It Repairs, Heals, Resolves, and drives out of the body* the products of Decay and Corruption, CONSUMPTION, WHITE SWELLING, DROPSY, SYPHILIS, CANCERS, TUMORS, &c., are all of a scrofulous diathesis, and as such, are within the curative range of the SARSAPARILLIAN RESOLVENT!

1. That Scrofula, by whatever name designated, is the result of deposits from the blood, induced or caused by Chronic inflammation. That these deposits take place when the blood *is poor, weak, watery,* and incapable of holding in solution its proper constituents, or from the presence of some virus or poison in the blood, as Mercury, Calomel, Corrosive Sublimate, which is the Corrosive Chloride of Mercury or other agents, given in medicines and which enter largely in the common advertised Sarsaparillas, NOT ABSORBED OR CHANGED FROM THEIR NATURAL CONDITION.

2. That unless the repairs or nutriments are greater than the wastes, that decomposition and decay will supervene, and the powers of life become exhausted.

3. That the dying body cannot be sustained on any treatment of medication that exhausts the system, or fails to nourish the blood, the only medium through which the vital forces are preserved, and on which the growth of the body depends.

4. That **Radway's Sarsaparillian Resolvent** supplies a want never before possessed or known to exist in medicine, that this new found principle of chemical science, which has been brought to such a perfect system of cure is exhibited as follows:

1. Its great power in assimilating the food in its first stage of distillation in the process of digestion, as chyme and chyle with the nourishing elements of blood, seperating from these liquids disease and inert qualities before they are taken up by the lacteals and are formed into blood. Here we see that by its wonderful power it charges the system with the very essence or principle that forms the vital powers of the body, and in its chemical action on the blood in its primitive and complete condition, separates every atom of refuse material or element, out of which the virus of disease is formed.

2. That, the blood thus prepared, and supplied with these nourishing properties becomes strong, rich and healthy, and holds in solution its proper constituents, through the **Sarsaparillian Resolvent**, and repairs the wastes of the body with sound and healthy structures. Such is the wonderful power the **Sarsaparillian Resolvent** exerts on the blood and juices of the system, that no virulent humors or poisons will exist by which deposits are made.

3. The rapidity which the **Sarsaparillian** enters the circulation, and communicates its curative power through the Blood, Sweat, Urine, and other fluids, secures the constituent secretions of each respective organ, establishing functional harmony throughout the system; through its action and power over the Secretions, the Liver secretes its natural or proper allotment of bile; the Skin sweat; the Kidneys urea; and the Lungs carbon; so that this wonderful medicine not only establishes health in the sick body, but preserves the system in health.

As we have shown the principle on which disease is formed, as well as the only sensible theory of cure, we claim that the range of cure of the **Sarsaparillian Resolvent** is unlimited, and that every disease that is of a Chronic, Scrofulous or Organic Diathesis, is properly within its special range.

THE GREAT SECRET OF CURE

in this Medicine consists in the selection of ingredients containing curative and nourishing properties that supply the blood and general system with such constituents which, in a condition of disease and depravity, it is deficient of, together with the combination of the several ingredients that form the SARSAPARILLIAN RESOLVENT.

If the constituent of Oxygen was exhausted from the atmospheric air, life would become extinct. So, when the blood becomes exhausted of its vital constituents, it deposits its tubercles and diseased humors in the body, and the elements of decay and decomposition supervene. **Radway's Sarsaparillian Resolvent** is to the blood and general system what OXYGEN is to the atmospheric air; it supplies the life principle, and causes the blood to hold in solution all its natural constituents.

DAILY CHANGES

take place, for as the Sarsaparillian increases the strength and purity of the blood, all deposits are diminished, and where there are tubercles formed in the lungs, the further deposits are arrested, and those that are established or forming dislodged, expelled, exhausted, or the portion of the diseased lung cicatrized, and the consumptive, scrofulous subject receives good, if not sound, health.

BLIND LADY CURED.

Gravel, Dyspepsia, Sore Legs, Bleeding from the Lungs, Cured.

MR. GEORGE MORTIMER, a commercial traveller, in Canada West, writes us, under date of April 17, 1869, from Woodstock:

"The SARSAPARILLIAN RESOLVENT is in great demand, and working wonders. Mr. HOAG, of Straffordville, merchant, told me of a case where a woman WAS BLIND, but, by the use of the SARSAPARILLIAN RESOLVENT, can now see to read She would give a certificate, but does not wish to be bothered with people writing. Hundreds call to see her. The cure is regarded as wonderful.

"Messrs. WHITE & SCOTT, principal druggists here, inform me of a person of note—high social standing—who for years was afflicted with DYSPEPSIA and GRAVEL, who has been entirely cured by RADWAY'S SARSAPARILLIAN RESOLVENT."

Mr. HOAG reports another case of Chronic Sore Leg, that resisted all other advertised medicines, cured by a few bottles of SARSAPARILLIAN RESOLVENT.

"Mr. JONATHAN FREELAND, of Widder Station, cured, by one bottle, of Bleeding from the Lungs, Night Sweats, Threatened Consumption.

"In every town I visit I hear of wonderful cures by the SARSAPARILLIAN RESOLVENT. For every kind of Humor, Sore, Skin Eruption, and all weakening discharges, the people use it, and become cured: so with Fits, Scrofula, White Swelling, Sore Heads and Eyes, Nose and Mouth, all kinds of Sores, this wonderful remedy acts so powerfully on the blood that all who take it become strong, sound, and healthy.

"GEO. G. MORTIMER,
"Commercial Traveller."
