THELMA SWEET
Clerk

10,000 P. E. I. Farmers Wanted

Your attendance at a Meeting to be held at Provincial Building, Charlottetown, May 3rd, 1:30 P.M. with Prov. Government Cabinet is of great importance to you as producers of livestock and to the economy of P.E.I.

The purpose of this meeting is to ask the Provincial Gov. to build and equip a complete killing and processing plant for livestock which will be operated under Federal Meat Inspection by the farmers and pay damages to the Company that was organized to do this job but was refused Gov. Loan which was promised under Order In Council No. 205-56 for $50,000.

A leading Nova Scotia meatpacker is willing to amalgamate with the livestock producers regarding this project, and if Nova Scotia farmers can own and operate a plant successfully, why can't P. E. I. farmers?

A serious monopoly exists to-day in the marketing of livestock and whether you know it or not, every individual farmer is losing thousands of dollars yearly and your attendance at this general meeting in Ch'town will be proof that you are opposed to this marketing condition and intend to demand your rights as free citizens in a democratic way of life. At present your marketing birthright is being sold very cheaply . . . do you want it to continue?

Signed:—ANDREW STEVENSON
