## S'ide Curling Club In Active Organization Now

Organized in 1926 the Summerside Curling Club has had its ups and downs like the other clubs in the Province. It was formed with the encouragement of a group of commercial travellers and visiting business men. Outstanding among these was Mr. M. F. Titus, now proprietor of the Clifton Hotel, Summerside.

It is recorded that after a number of practice games on the ice of the skating rink, the Club decided to purchase the old Crystal Rink on St. Stephen Street, which remained the home of the curling club until 1948. The membership of the Club continued at an average of from 60 to 90, but interest noticeably lagged in the '40's. Three successive winter winters made playing nights few and uncertain, and even in 1947 when there were periods of fairly cold weather the old rink was in such bad condition that good ice was seldom secured and social activities were at a standstill.

In the spring of 1948 only about 40 members remained actively interested in curling, and the task of reconstructing the Club seemed almost hopeless. There was, however, a very active nucleus in the membership, and work was begun on a new rink, which has been completed at a cost in the vicinity of \$35,000. The building is of concrete foundation and cement block walls reinforced with brick pillars. Three sheets of artificial ice have been laid on a four foot Macadam fill. At the north, or Notre Dame Street end of the ice, the club rooms have been located, consisting of a full sized ground floor club-room with large fire-place and plate glass view over the playing surface with office, tannet and telephone booth adjoining and with ladies' dressing room in connection. There is a full-sized basement providing for locker rooms and card rooms, in addition to the housing of the oil furnace and refrigeration plant.

## Millionaires And Victorias In 4-All Tie

**NORTH SYDNEY, N. S., Nov. 30 (CP)**—Sydney Millionaires came from behind to score a 4-4 tie tonight with North Sydney Victorias, cellar-dwelling team of the Cape Breton Senior Hockey League.

Only the brilliant net minding of Nick Pidsodny rescued the league-leading Millionaires as they trailed 3-1 up to the last half of the third period. Pidsodny handled 28 shots while Morrisette was on the dangerous end of only 11 in the Vics net.

The game was the normal fast and rough variety the C. B. S. H. L. produces. Sydney sat out eight of nine penalties, all minors.

**First Period**  
1—North Sydney, Robertson. (Peterson, Desrosiers) 16:15  
Penalties: McBride (2).

**Second Period**  
2—Sydney, Whalen. (Matthews, McRae) 23  
3—North Sydney, Peterson. (Robertson, Verrier) 11:52  
Penalties: McBride, Rockey, Hildebrand, Desrosiers, Pidsodny, (miscellaneous).

**Third Period**  
4—North Sydney, Anderson. (Storey, Verrier) 1:09  
5—North Sydney, Peterson. (Desrosiers, Robertson) 9:36  
6—Sydney, Matthews 12:06  
7—Sydney, Bonness 18:17  
8—Sydney, Berry. (Hildebrand, Marchand) 18:53  
Penalties: McBride, Rockey.

## Maple Leafs, Canadiens In Scoreless Tie

**MONTREAL, Nov. 30 (CP)**—Toronto Maple Leafs and Montreal Canadiens played to a listless 0-0 tie tonight in a National Hockey League game that lacked the usual fireworks of Leaf-Canadian games.

A crowd of 14,571 saw the league-leading Leafs suffer their first shutout of the season. But the game preserved a couple of Leaf records.

It marked their fifth game without defeat and preserved the perfect record of rookie goaltender Al Rollins, unbeaten in the Leaf nets this season with six victories and two ties in his eight starts.

For Rollins, it was his first shutout in N.H.L. competition. Montreal goaltender Gerry McNeil racked up his fourth, tying for the League lead with Walter (Turk) Broda, the Leaf veteran who shares the netminding chore with Rollins.

Both teams elected to play a careful, cagey game, striking fast only when good scoring opportunities popped up. At times play dragged and late in the final period both teams appeared willing to call it a scoreless sawoff.

Sid Smith, Ted Sloan and Harry Watson had the best scoring chances for the Leafs, and Billy Reay, Maurice Richard and Vern Kalra for Canadiens. At times each goalie had a bit of luck but both played a steady game.

**SUMMARY**  
**First Period**  
Scoring—None.  
Penalties—Watson (2) MacKay, Juzda, Kennedy.

**Second Period**  
Scoring—None.  
Penalties—Johnson, Barliko, Bouchard (2) Sloan, Harmon, Lach, Gardner.

**Third Period**  
Scoring—None.  
Penalties—Barliko.

**CLEVELAND, O., Nov. 30 (AP)**—Harold D. (Muddy) Ruel, Cleveland Indians' bullpen coach for the last three seasons, today was named director of the Tribe's farm system and scout. Ruel will take over the task handled last year by general manager Hank Greenberg.

At Wednesday night's annual meeting of the Abegweit Amateur Athletic Club, some excellent reports were given by committee chairmen, outlining the successful activities of the Club in various fields of sporting endeavour throughout the past year. Many of those reports contained interesting highlights of the Club's accomplishments in making their contribution to the welfare and support of true amateur sport. For the benefit of sports followers who take a keen interest in local athletic endeavour, the following are some excerpts from those reports:

As head of the track and field committee and team captain of the Abbie representatives in that department, Mr. George Walters states: "During the past summer, representatives of the Abegweit A.A. took part in five track and field meets, winning their share of honors in open Maritime competition. This year, greater emphasis was taken in the development of juniors, and coach Walter Smith brought together a squad that took top honors in three of the four meets in which they competed. Although the senior team was weak, several top stars, they won top honors in one meet, and placed high in the point standing in other meets."

"Individual scoring honors were won by Wendall Barrett in three junior meets and placing second in another, one of these being the Maritime Junior Championships. (Mr. Walters, incidentally, was high point winner at the Maritime Invitation Meet held at Charlottetown.) Several Maritime Championships were won by our stars, Wendall Barrett winning both the Maritime senior and junior broad jump championships, while Ernie Matheson retained his Maritime title in the hammer throwing event in the Wandersiders (Halifax) relay team of C. Delorain, R. Jay, J. Cash and R. Naylor again retained the Maritime title, this being the fourth year the Abbies have gone undefeated in this event.

"Although their strongest competition came from the smart Halifax Wandersiders team, our Abbie juniors rolled up a grand total of 129 points during the season to lead all other teams, while our senior team took second place with 163 points to the Wandersiders 189. In individual placings the senior team won 16 firsts, and placed second in 13 events and third in 26 events. The juniors won 11 firsts, placed second in 16 and third in 11.

"In conclusion, your committee wishes to extend their thanks to the many who assisted the teams on their trips during the season and particularly to Brigadier "Bill" Reid, our Director of Physical Fitness. During the past several periods, Mr. Reid has performed an outstanding job in organizing and conducting our local meets, with the result that top Maritime teams eagerly look forward to competing here each year. It was through his initiative and untiring efforts that track and field competition took an upswing in the Maritimes following the war, and his development of Memorial Field has brought us one of the top sports recreational centres in the Maritimes."

Reporting as chairman of the hockey committee, Jackie Kane outlined a widespread activity in that division last year. He stated that "teams wearing the Club colors were entered in competition in Paperweight, Pee-Wee, Bantam, Midget, Juvenile and Intermediate "A" brackets, as well as in Girls Open competition. All of these teams had practices arranged by club management and in addition to playing in organized leagues, made several trips to other centres for exhibition games. On the whole," Mr. Kane stated, "it was a good active year in spite of the fact we won no outstanding titles, etc."

"In the Paperweight and Pee-Wee brackets, our little fellows bowed out only after hard-fought battles. In bantam class, "Do" Sheppard led his charges to the Island title undefeated. In Midget class, our lighter but game squad put up a real battle in the City League before being knocked out by the local Vics. In juvenile play, Paul Williams' boys took the Island title but lost out in play-downs to Moncton Beavers. In the Island Intermediate "A" League our team, under the tutelage of your hockey chairman, sprung quite a surprise by placing first in regular league play. However, in the league playoffs, Saint Dunstan's University team packed too much power for our boys and we were eased out by them. St. Dun-

## Saint John Beavers In 4-1 Victory Over Moncton

**SAINT JOHN, N. B., Nov. 30 (CP)**—Saint John Beavers humbled Moncton Hawks 4-1 tonight in a generally unexciting Maritime Senior Hockey League fixture. The third place Beavers left Hawks nine points in the rear of the four-team circuit.

Rod McKenzie scored for Moncton in the first period after Saint John had gained a 2-0 lead. Beavers shot singles in the second and third.

Tommy Brennan opened the scoring on a passout from Paul Platz. The next tally was by Buck Whitlock on Nick Nicolle's rebound. Moncton's orphan came when Beavers failed to check McKenzie as he emerged from behind the Saint John cage. The homesters were awarded a penalty shot after Winn Mousseau fell on the puck in the crease but Brennan missed the shot and Mousseau scored a minor. Beavers had an edge in the territory play while the Saint-McKenzie-Gaudet line was outstanding for Moncton.

Whitlock fired the lone goal of the listless second period 56 seconds after it opened. Bolan passed to McIntyre and Whitlock was in the right spot to make Manny's rebound good. Hawks had an edge in the period but Beavers showed a more definite pattern than usual in their plays against their old New Brunswick rivals.

The final goal was scored unassisted by Vic Jackson at 16:25. He kicked up a loose puck at centre ice and felled the single defence man opposing him. Moncton's Les Colvin had to make 15 stops during the session against only three by Brodeur.

It was Saint John's fifth win over Moncton this season. Hawks have taken only seven games to date, including four at the expense of Beavers. The teams tied once.

Moncton—Goal, Colvin; defence, Delmonte, Dunville; centre, Barkwell; wings, Morrow, Donchuk; subs, Jeanneau, McKernie, Mousseau, Imonti, Larlee, Gaudet, Dowling, Milani.

Saint John—Goal, Brodeur; defence, Mudge, Heon; centre, Brennan; wings, Jodoin, Platz; subs, Bolan, Armstrong, McIntyre, Whitlock, James, Nicolle, Jackson. Referee, Casey Bradshaw; linesmen, Ed Larabee and Neil Sanford.

## Boucher Favors Overtime Play

**NEW YORK, Nov. 30 (AP)**—Manager Frank Boucher of New York Rangers said today he would like to see the 10-minute "sudden death" overtime period returned to National Hockey League games.

"I don't know how the fans in the rest of the League cities feel about it but I'm sure New York fans would welcome back the overtime session," Boucher said at a hockey writers luncheon.

Travel restrictions during the war caused the abolishment of overtime during the regular season. Overtime now is only in vogue during a Stanley Cup playoff game.

**BOURNEMOUTH, England, Nov. 30 (AP)**—A special 72-hole open golf tournament offering £3,000 (about \$9,000) in prizes will be played here next spring in connection with the Festival of Britain. Tentative dates for the competition are June 13-15.

## Victorias To Get Playing Coach

**NORTH SYDNEY, N. S., Nov. 30 (CP)**—President Ed Swyers of Northside Victorias, cellar team in the Cape Breton Hockey League, said tonight his club has closed a deal with a new playing coach but declined to reveal his name.

However, Swyers described Sweeney Schriener's successor as a former professional and a playing coach in the O. H. A. last season. Swyers said the new coach asked for a few days to clear up business matters before heading for North Sydney.

Trent Anderson, released last night by Glace Bay Miners of the C. B. S. H. L., joined Vics tonight in time to score one goal as they tied Sydney Millionaires 4-4.

## Action-Packed Game Expected Tonight

Local hockey fans should be in for something big in the way of hockey here tonight when the Charlottetown Islanders and Halifax Saint Mary's Square off at the Forum at 8:30 in the second contest in as many days.

The match will probably be a continuation of the terrific struggle they put up against one another at Halifax last night when they battled it out for 70 minutes (10 minutes of overtime) to a 2-2 deadlock.

Saint Mary's, rejuvenated by the masterminding of Dave "Sweeney" Schriener, will be making their first appearance here since their new coach took them over, and is expected to be a battle royal over every inch of the game distance.

Both teams put up a rousing battle at the Nova Scotia capital last night, Islanders scoring ahead twice only to have the Santamarians tie the score each time, with neither team able to break the deadlock during the overtime period.

Danny Wilkes, one of Saint Mary's front line stars who was out of action last night, is expected to be in uniform against the Islanders in tonight's game.

## Well-Known Harness Race Driver Dies

**URBANA, O., Nov. 30 (AP)**—Dr. H. M. Parrshall, widely-known harness race driver and twice winner of the Hambletonian, died of a heart attack at his home Wednesday night. He was 51.

Parrshall, who was the No. 1 race-winning driver on American harness tracks for 14 years, had been in retirement since December, 1949. At that time he suffered a heart attack while working as trainer for the Hayes Fair Acres stables at Duquoin, Ill.

His Hambletonian victories were scored with Lord Jim in 1934 and in 1939 with Peter Astra.

## Given Life Sentence For Stabbing Wife

**NEW YORK, Nov. 30 (AP)**—Phil Rizzuto, the American League's most valuable player for 1950, today signed his 1951 Yankee contract calling for a nice boost in pay. Terms were not disclosed but the little New York shortstop probably will collect around \$50,000 for next season's work.

**LONG CAMPAIGN**  
Exactly 90 years before Lincoln was assassinated, a society to abolish slavery was formed in Philadelphia in 1775.

stan's then withdrew from further play so we played off with Summerside, losing out to them in a tough three game series. In the Girls' class, Janet MacEachern's Abbie Sisters went through the season undefeated. Although there was no official series to decide a title, this was a very indomitable showing.

"In conclusion, as I look back on the past year's programme, I would like to say that I feel the Abegweit Club made a lot of hockey possible for a lot of people. I trust that during the coming season we may be able in this club to do a lot more for our boys, both young and old."

—A third report, on Abegweit football activities by chairman Gordon Bennett, was also given. Although space does not permit to carry the report in this column today, it is hoped that it may be used in the near future in a manner similar to the ones above.

## U.S. Decorates British Flyer in Korea

**A HANDSHAKE** from Lt.-General George E. Stratemeyer, Commanding General of the Far East Air Force, follows the award of an Air Medal to Wing-Commander Peter G. Wykeham-Barnes, of Britain's Royal Air Force. The American decoration was bestowed on the British flyer for his part in extremely hazardous night intruder missions in Korea. The United Nations' flag is behind the clasped hands. (Official Department of Defense Photo)

## Police Quell Threatened Fight When Ch'town Goal Is Called Back

**HALIFAX, Nov. 30 (CP)**—A capacity crowd saw Halifax St. Mary's and Charlottetown Islanders battle ten-minute overtime here tonight in a fruitless attempt to break a 2-2 tie.

The game threatened to break into open fights and called for the intervention of the City Police in the first period.

The police were asked to keep order when a goal by Charlottetown was not counted. The players on the Islanders bench began to raise a disturbance but it was quickly quelled by the police.

Frank Bathgate opened the scoring with Charlottetown's first goal at the 3:27 mark of the first. Bill Watson tied it for Halifax in the second period when he out-guessed Charlottetown goalie Hal Gordon at 7:24.

Nine minutes later Bruno Favaro put the Islanders back in the lead. It looked like Charlottetown's game from then on, but in the third Jackie (Muckle) Hollett combined

with Bill Watson and Pat Power to tie the score at the 14:02 mark. The Islanders were handed eight penalties, including a misconduct to defenceman Phil Vitale, while Halifax drew two minors.

Halifax: Goal, D'Aoust; defence, Powers, McLaughlin; centre, Watson; wings, Campbell, Hollett; subs, Grabowski, Buck, Miller, Ford, Thomas, McGregor, Diguier, Elack.

Charlottetown: Goal, Gordon; defence, Conway, McLagan; centre, Trainor; wings, Favaro, Pawlinsky; subs, Travis, Duchak, Vitale, Bathgate, D. Horeck, J. Horeck, Clements, Beaudry.

Officials: Referee, Swain; linesmen, Sleep, Beazley.

**First Period**  
1—Ch'town, Bathgate 3:27  
Penalties: J. Horeck, Vitale (misconduct), McLagan

**Second Period**  
2—Halifax, Watson, Hollett, Grabowski) 7:24  
3—Ch'town, Favaro, (Trainor) 14:02  
Penalties: J. Horeck, Vitale (misconduct), McLagan

**Third Period**  
4—Halifax, Hollett, (Watson, Powers) 14:02  
Penalties: Clements, J. Horeck, Beaudry, Thomas.

**Overtime**  
Scoring—None.  
Penalties—None.

**LIND CENTENARY**

**DECORATION GRADES**  
The Royal Victorian Order instituted in 1896 has five classes from members to Knights Grand Cross.

climbed into the spectators stands in defence of one of their players. "Afterwards," states Murphy "in the hotel, a fellow says he's got to hand it to my team. You fight the opposition, you fight the crowds and you fight among yourselves. Well, I tell him, I don't want to be connected with any outfit that doesn't like to fight. If my team won't fight for me and for each other, I don't want 'em, you can have 'em, they're too soft for me."

Apparently Chamberlain has been doing a lot of talking since he hit the coast and the usual nickname of "Murph" is being replaced with "Durocher," after the famed New York Giants baseball manager Leo (Lippy) Durocher.

Murph also lowered the boom publicly on Coley Hall, the club owner who provided the new Canucks' coach with the fabulous salary of \$7,500. "Hall tells me," stated Chamberlain, "I have full control of the players and he won't interfere. That's fine as far as it goes. But when he tells me in the next breath, that Bill Carse (whom he replaced as coach) should be fitted in as a spare player, I begin to wonder if I heard him right the first time." Chamberlain also gave West Coast newspapermen a birds-eye picture of the team he left back here on P.E.I. Describing a particular incident in a game between Islanders and Moncton, when some six of his players

## Chamberlain In Limelight On Pacific Coast

Murph Chamberlain, the "Old Hardrock of Hockey", who in less than six weeks put Prince Edward Island back on the hockey map of the Maritimes, is causing a mild sensation on the West Coast since he took over the reins of the Vancouver Canucks of the Pacific Coast Hockey League. According to recent reports Chamberlain started stealing headlines and cracking a stinging whip 24 hours after he arrived in the British Columbia centre.

Watching his team go down to a 7-2 defeat the ex-N.H.L. hockey star said, "this club hasn't condition, and that means mental condition, too. We're locking the doors on practise." The next day after a two-hour workout hardly a player could stand on his feet steadily. Murph growled: "Just as I thought. They're not in shape."

Apparently Chamberlain has been doing a lot of talking since he hit the coast and the usual nickname of "Murph" is being replaced with "Durocher," after the famed New York Giants baseball manager Leo (Lippy) Durocher.

Murph also lowered the boom publicly on Coley Hall, the club owner who provided the new Canucks' coach with the fabulous salary of \$7,500. "Hall tells me," stated Chamberlain, "I have full control of the players and he won't interfere. That's fine as far as it goes. But when he tells me in the next breath, that Bill Carse (whom he replaced as coach) should be fitted in as a spare player, I begin to wonder if I heard him right the first time." Chamberlain also gave West Coast newspapermen a birds-eye picture of the team he left back here on P.E.I.
