Council Planned National Seminar

OTTAWA (CP) — The Canadian Political Youth Council, made up of representatives of the youth wings of four political parties in Parliament, is planning a national seminar on political education before next spring.

The council said Tuesday the seminar will study the ways in which politics now is taught in the "secondary schools" and discuss means for improvement. The purpose would be to stimulate Canadian youth into greater understanding and interest in the political process. The 12-member council is composed of three young representatives each of the Liberal, Progressive Conservative, New Democratic and Social Credit parties.

It was organized last summer to tackle mutual needs related to the health and survival of the Canadian political system. It is the first time that Canadian political parties have come together in one organization, a spokesman said.

The council's new executive officers are: Alan P. D. Smith of Victoria and Guelph, Ont., Conservative, president; Michael A. Levine of Toronto, Liberal, secretary-treasurer; and Hans Brown of Ottawa, NDP, and Larry Verheyden of St. Thomas, Ont., Social Credit, vice-presidents.

Sign Agreement On Wheat Sale

OTTAWA (CP) — A new three-year agreement to sell approximately \$85,000,000 worth of Canadian wheat to Poland has been signed by Trade Minister Winters and Zygfryd L. Wolniak, Polish ambassador to Canada, it was announced Tuesday. By an extension of existing trading arrangements which come into force Nov. 3, Poland will buy a minimum of 33,000,000 and a maximum of 44,000,000 bushels. The government here authorized credit guarantees under the Export Credits Insurance Act. Poland will buy at least 11,000,000 bushels in the first year following Nov. 3, 1966, and a combined total of 22,000,000 bushels in the remaining two years. Each year, Poland may buy an additional 3,700,000 bushels.

Under the credit terms, Poland will pay 10 per cent cash and the balance in equal instalments 24, 30, and 36 months from the date of each shipment.

Canada and Poland have exchanged most-favored-nation tariff treatment since 1935. Since 1955, Poland has bought 125,000,000 bushels of wheat, valued at \$225,000,000.

AMBASSADOR RESIGNS
WASHINGTON (AP) — President Johnson announced Monday the resignation of Edwin O. Reischauer as U.S. ambassador to Japan and the selection of U. Alexis Johnson to succeed him. Reischauer, who has been ambassador for more than five years, resigned to return to the faculty at Harvard University. U. Alexis Johnson is currently deputy state under-secretary.
