City Mission Guild Members Visit Montague

Members of the Zion Mission Guild, Charlottetown, were guests of the Young Women's Guild of St. Andrew's Presbyterian Church, Montague, Monday evening at the regular meeting in the church hall.

The president, Mrs. Percy Myers, presided, and the meeting opened with the hymn "Jesus The Very Thought Of Thee." The scripture lesson was read by Mrs. Malcolm MacKenzie, and Mrs. E. MacNeill led in prayer. A duet "Ivory Palaces" was sung by Mrs. Robert Murray and Miss Florrie Beaton, accompanied at the piano by Mrs. Elsie Waterworth.

The minutes of the last meet-

ing were read by the secretary, Mrs. Claude Nicholson, and the financial report was read by the treasurer, Mrs. Byron Stewart. Roll call was answered by 21 members, and there were 32 visitors present, including 22 from Charlottetown.

Reports of committees were given by Mrs. Lorne Johnston and Mrs. George McCannell. Plans were discussed for holding an ice cream social the last of June and the president appointed Mrs. Waterworth, Mrs. Thomas Clair and Mrs. Leland Nelson on a committee to make the necessary arrangements. A cordial welcome was extended to the guests by Mrs. Myers, who expressed the pleasure of the members at having the Charlottetown ladies present. Miss Harding, on behalf of Zion Guild, very graciously expressed their appreciation for the invitation. The closing hymn was "O Master Let Me Walk With Thee," followed by the Mizpah benediction. An hour of fellowship was enjoyed and the program featured a sing-song, led by Mrs. Walter Goss, Charlottetown, with Mrs. MacKenzie as pianist. A delicious lunch was served by a committee of the Guild members.

AT THE Y. M. C. A. JUNE 15 - SEPT. 15

Articles of historical interest and of interest as relics of our pioneer past will be on display for the summer months at the Y. M. C. A. under the auspices of the Historical Society of P. E. I. It is planned to make this year's exhibit the greatest to date and the people who so kindly loaned their heirlooms for previous exhibitions are asked to do so again this year and anyone having any articles surviving from the early days in the Province are asked to communicate with Mrs. William Brehaut, phone 6350, or Mr. Earl Taylor, phone 4253. Necessary arrangements will be made to call for your articles. The articles will be insured and if possible all will be displayed under glass. They will be exhibited in a fireproof space under constant supervision. Articles will be received at the Y. M. C. A. from 2-5 p.m. on June 15-16-17.

It Speaks Eloquently of Your Pride in Your Family Name

There is no finer way of bespeaking your pride in your family name...preserving memories...of putting sentiment into permanent form than by a monument of marble or granite.

There is no better time to choose that memorial than now while all concerned are here to give it careful thought. We offer you our assistance and counsel, without obligation.

NEW McCULLOCH "turn action" POWER LAWN MOWER

This new power lawn mower will mow lawn, sweep up or mulch leaves and clippings, trim and edge, and cut grass or weeds of any height. Secret of its remarkable performance is an entirely new design, using high-speed, twin cutters and four tiny safety blades. Inside each cutter are wide support wheels on which the mower rides. This new type of mower won't scalp a lawn, no matter how bumpy or hilly. It cuts over edges and along walls or fences just as easily as on a wide lawn. It cuts a broad, 20-inch swath in any kind of grass, and through weeds of any height. See a demonstration of this wonderful new kind of power mower before you buy.
