Between the ages of fifteen and forty-five, the time when womanhood begins and motherhood ends, it is estimated that the aggregate term of woman's suffering is ten years. Ten years out of thirty! One third of the best part of a woman's life sacrificed. Think of the enormous loss of time. But time is not all that is lost. Those years of suffering steal the bloom from the cheeks, the brightness from the eyes, the fairness from the form. They write their record in many a crease and wrinkle. What a boon then to a woman is Dr. Pierce's Favorite Prescription. It promotes perfect regularity, dries up debilitating drains, heals ulceration, cures female weakness, and establishes the delicate womanly organs in vigorous and permanent health. No other medicine can do for woman what is done by Dr. Pierce's Favorite Prescription.

Free.—Dr. Pierce's Common Sense Medical Adviser, 1698 pages, 700 illustrations, is sent free on receipt of stamps to defray expenses of mailing and customs. Send 31 one-cent stamps for paper covers, or 50 stamps for cloth, to Dr. R. V. Pierce, 663 Main Street, Buffalo, N. Y.

### FAMILY RECORDS

One of the most beautiful pictures in color. Upon a background of PURE GOLD rests the FAMILY RECORD in its shape of a handsome volume with GOLD CLASPS upon a cushion of crimson velvet with a beautiful GOLD TASSEL. On the pages, under different headings, are spaces in which to write the name and date of birth. On either side is a beautiful scroll on which to record marriages and deaths. In top of the picture are the words, "FAMILY RECORD" in the richest lettering known to the printer's art. Under this are spaces for father's and mother's pictures. In the lower part of the picture is A BEAUTIFUL HOME SCENE. THE DEAR OLD GRANDPARENTS, THE HANDSOME, STALWART HUSBAND and HAPPY YOUNG WIFE, THE LOVING DAUGHTER and BABY-BOY—the IDOLIZED GRANDCHILD—are all gathered around the table, while grandfathers reads a portion of GOD'S HOLY WORD. A truly beautiful scene. Underneath are the words, "GOD BLESS OUR FAMILY." Around this picture are eight spaces for photographs of other members of the family, each space enclosing a gem flower piece. Elsewhere on the picture are scattered creeping vines, buds and blossoms in rich confusion, the whole resting on, and thrown in bold relief by the gorgeous background of solid gold which produces a picture of DAZZLING BEAUTY.
