Alway of London, Ont., tell you "Baby's Own Tablets" are a great help at the first sign of upset stomach, during teething or when a cold is coming on. They help quickly yet gently. Carry away poisons and promote restful comfort. "I gave my baby shortly after being alarmed over a teething accident and her stomach became quiet. I gave her Baby's Own Tablets and she soon stopped crying—and quieted down. Equally effective for teething troubles, constipation, simple fever, sweet-tasting, easily crushed to a powder. If desired—prompt in action. No "leaky" stuff—no dulling effect. Buy a box today for sickness so often strikes in the night. 20 cents.

Even when dried indoors... EVEN WITHOUT RINSING

Surf gives you Sweeter Washes

...whiter, brighter to look at! ...fresh-air-sweet to smell!

Surf contains an amazing detergent which not only gets out every trace of dirt and grease... but every hint of "dirty clothes" odor, too.

Your Surf-clean clothes are really doubly clean. Dazzling white, rainbow bright—and sunshiny sweet to smell. There's never a trace of sour, "musty" odor, even when you dry them indoors.

What's more—you don't even have to rinse those Surf-clean clothes. Here's why: The detergent in Surf has the magic power of grabbing the dirt and holding it in the wash water. When you wring out the water, you wring the dirt out with it—and every hint of "dirty clothes" odor, too!

When you don't rinse, Surf's purifying action continues to keep clothes sweeter longer. So, if you prefer to rinse, add a little Surf to the rinse water.

Use Surf for EVERYTHING

Surf gives you rich, long-lasting suds that do 3 times the work of ordinary soaps, in hardest water. Use it in the washing machine for your heavy wash. For lingerie and stockings, too.

All the Surf you grocer has now, in the same familiar blue box, is "no-rinse" Surf—especially developed to save you time and work.

Once you discover Surf you'll say it's the one and only suds for you.

"ORDINARY" CLEAN

A faint "musty" odor often betrays the fact that remnants of dirt still cling. Rinsing won't get rid of this... but Surf does!

SURF CLEAN

Even without rinsing, Surf removes every last trace of dirt and odor, too! That's why it gets your clothes so white, so bright, so wonderfully sweet to smell!

If it's Surf-clean, it's really clean... EVEN WITHOUT RINSING

Adeline Campbell volunteered to put the quilt together, and this was gratefully appreciated by all the members. As the members of the sick committee were not present, they were re-elected for the ensuing month. It was suggested that the secretary write to Simpsons and Eatons for the annual donation. The only correspondence available was the report from the president and vice-president of the local convention on the course they attended on leadership, at the Vocational School. This proved very interesting. The discussion arising out of this report was left over to the May meeting, when it is hoped more members will be present to voice an opinion. Mrs. James Evans gave a very amusing reading, and as the remaining program committee was not present, Mrs. Willard
