

ANOTHER VICTORY.

Mr R. Morrow Cured of Lumbago by
Dodd's Pills

TORONTO, Nov 28.—The vast majority of Torontonians know and esteem Mr. R. Morrow, the able and popular agent for the Toronto Auer Light Co.

For this reason the following statement made in writing by Mr. Morrow, possesses unusual significance.

"Two years ago I was attacked by Lumbago, a very cruel trouble which caused me to be unable to do any work. I took several different medicines, but they did me no good. Then I began using Dodd's Kidney Pills, and was completely cured by them."

Lumbago is unusually prevalent this fall. All sufferers should know that Dodd's Kidney Pills are the only known cure for it. They never fail.

'Tis the voice of the slugger!
I hear him complain:
"You have matched me too soon—
Let us argue again!"

Every household should have on hand a box of Dr. Chase's Ointment. The diversity of uses to which it can be put and the many doctor's bills it saves warrant its place in the family medicine chest. All dealers sell and recommend it.

"Is the suburb in which you live a healthful place?"
"I don't know. I don't get there often enough to have a chance to stay there long enough at a time to find out." — *Chicago News.*

Pain in the Back.

Being troubled off and on with pains in my back, caused by constipation, I tried several kinds of pills I had seen advertised, and to put the truth in a nut shell Dr. Chase's Kidney-Liver Pills are the only pills that have proved effectual in my case. I can heartily recommend them.
