JULY 5, 1892.

The Annual Victim.

The very day after the new liquor law to preserve public decency and repress drunkenness in Charlottetown came into force...

Who the guilty party is that furnished the deceased with the liquor will perhaps never be known. Perhaps it is now no one's business.

W. F. Stead electrified a London audience not long ago by proposing an annual sacrifice—that a human being be selected from the people and butchered and offered up in a public square.

Convicted of Perjury.

The conviction of Thomas McTague in the supreme court of perjury committed on the trial of an information laid against Jas Hennessy for Sunday liquor selling...

A Catholic Protest Against Alcohol.

Srs.—This being the first of July, and observed as it is as "Dominion Day," it seems but right that some notice should be taken of it as the day on which our new "Municipal Act" comes into operation...

Yours in the cause, OBSERVER. Charlottetown, July 1, 1892.

Of all the evils that have cursed mankind, crushed woman's heart, sent youth to destruction, driven virtue to the resort of shame, and smoothed the pathway of hell, none can compare with the evil of intoxicating drink.

This demon of drink grapples with a man in his physical, civil, and spiritual life. It is a good thing to have health; glorious to be strong—without it there is no real happiness in life; yet nothing ruins the health or saps the strength like alcohol.

Closing Examination at Spring Park.

The annual examination of Spring Park School took place on Wednesday, 29th inst., in the presence of a goodly number of parents and visitors.

In all the subjects in which the classes of both departments were examined the pupils answered in such a manner as to reflect credit upon themselves and their teachers.

At the close of the examination the scholars assembled in the principal's room, where a lengthy and carefully chosen program was well rendered by the pupils.

Perhaps the most pleasing feature of all, to the children at least, was the distribution of prizes. For Mr. R. E. Stevenson's, the principal's department prizes were presented by the following persons:

Remarks were then made by Messrs Long and Hazard, expressing themselves as highly pleased with the performance and progress of the school.

Mr. S. G. Derry of Providence, R. I., widely known proprietor of Derry's Water-proof Harness Oil, tells below of his terrible sufferings from Eczema and his cure by Hood's Sarsaparilla.

HOOD'S Sarsaparilla

"Gentlemen: Fifteen years ago I had an attack of inflammatory rheumatism, which was followed by eczema or salt rheum, breaking out on my right leg. The humor spread all over my legs, back and arms.

A Foul Mass of Sores, swollen and itching terribly, causing intense pain if the skin was broken by scratching, and discharging constantly. It is impossible to describe my suffering in those years of agony and torture.

Thousands of Dollars in futile efforts to get well, and was discouraged and ready to die. At this time I was unable to do down bed, had to sit up all the time, and was unable to walk without crutches. I had to hold my arms away from my body, and had to have my head and legs bandaged by my faithful wife twice a day.

Stomach Was All Out of Order. But the medicine soon corrected this, and in six weeks I could see a change in the condition of the humor which nearly covered my body. It was driven to the surface by the Sarsaparilla, the sores soon healed, and the scales fell off. I was soon able to give up bandages and crutches, and my health was restored. I had been taking Hood's Sarsaparilla for seven months; and since that time, nearly two years, I have worn no bandages, crutches, and my legs and arms are sound and well.

The Delight of myself and wife at my recovery it is impossible to tell. To all my business friends in Boston and over the country, I recommend Hood's Sarsaparilla.

From personal experience, S. G. DERRY, 45 Broadway, New York, N. Y.

If you are Bilious, take Hood's Pills.

As I Want TO give every Farmer a chance to reap a good harvest, I have decided, after a year's experience in the Lime business that I can, with a small profit and large sales, put the price of Lime within the reach of every Farmer in the country to get sufficient Lime to enable his land to yield him the fruits of his labor, which it is impossible to expect land to do without the aid of lime or some other more expensive stimulant.

Prices and terms for this season: Unriddled Lime for farm purposes, cash \$2.00; credit 60 cents; Riddled Lime for Mason and Plastering, cash 65 cents; credit 70 cents; Riddings or Slack Lime, cash 20 cents; credit 25 cents.

GOFF BROS

Charlottetown, P. E. I.

The Telephone Co'y OF P. E. ISLAND.

PERSONS using the Telephone would find talking much more satisfactory if they would observe the following Rules:

1st. Speak with your mouth about four inches from the transmitter.

2nd. Speak in a moderate tone of voice, not too loud, and distinctly.

3rd. Place the Telephone so as to cover the Ear, just as if you wished to shut out all other sounds. Do not press too hard on the Ear.

It is possible to talk and be heard when standing back two or three feet from the transmitter, if you shout loud enough, but it is not a pleasant mode of conversation, is entirely unnecessary, and is a useless waste of wind and lungs, besides being very annoying to all within range of your voice.
