PORT MONMOUTH, N. J., Oct. 3 — (AP) — A military field wire that can be laid up at speeds up to 120 miles an hour has been used successfully in Korea, the Army Signal Corps announced yesterday. The wire can be laid by airplane, or by automatic dispensers fired from a bazooka or rifle.

BERN, Switzerland, Oct. 3 — (AP) — The Swiss military department, taking a lesson from the fighting in Korea, disclosed today that urgent steps will be taken to strengthen the army's tank defences and provide the infantry with more modern weapons.

Now! Proof that BRUSHING TEETH RIGHT AFTER EATING WITH COLGATE DENTAL CREAM HELPS PREVENT TOOTH DECAY!

2 Years' research by LEADING UNIVERSITIES proves that test groups brushing teeth right after eating with Colgate Dental Cream showed amazing reduction in tooth decay!

Under the direction of eminent dental authorities, one group of college men and women always brushed their teeth with Colgate Dental Cream right after eating—while another group followed their usual dental care. The average of the group using Colgate's as directed, and using Colgate's exclusively, was a startling reduction in the number of new cavities—far less tooth decay. The other group developed new cavities at a much higher rate.

Research shows that decay is caused by mouth acids which are at their worst after meals. When you brush your teeth with Colgate's right after eating, you help remove mouth acids before they can harm enamel.

FURTHER PROOF FROM SCHOOL CHILDREN
Leading Canadian dentists examined and directed over 8,000 school children in corrective dental habits. In addition to diet changes where required, the children were asked to brush their teeth after each meal.

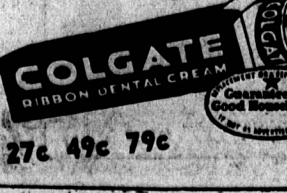

The results! 16% fewer children with tooth decay!... Cavities dropped from an average of 5 per child to just over 3!... 33% more children received dental care that prevented either loss of teeth or serious dental troubles later in life!... The number of children with no defects—increased by 200%!

CLEANS YOUR BREATH AS IT CLEANS YOUR TEETH!
Scientific tests prove that in 7 out of 10 cases, Colgate's instantly stops bad breath that originates in the mouth! Colgate's active penetrating foam gets into hidden crevices between teeth—helps clean out decaying food particles—stops stagnant saliva odors—removes the cause of much bad breath!

HELP YOUR CHILDREN AVOID TOOTH DECAY!
Insist that your children always brush their teeth right after eating with Colgate Dental Cream. They'll love Colgate's delicious double-minty flavor, so it's easy to get them to use Colgate's correctly.

IN MEMORIAM

MRS. JOHN HUGHES

On Aug. 21st, 1950, the people of Dromore and vicinity were greatly surprised to learn of the sudden and unexpected death of Mrs. John Hughes. She had been ailing for a short time and was so far recovered that she was preparing to get up when she took the turn that ended fatally.

Mrs. Hughes, who was 76 years old, was formerly Rose Ann Trainor. Born at St. Theresa's, the daughter of the late Henry Trainor and Ann McWade, she came to Dromore 57 years ago, the bride of John Hughes who predeceased her 36 years ago.

The late Mrs. Hughes was a woman of a kind, friendly and unassuming disposition. She was a person of great sociability and enjoyed the company of the younger set as much as those of her own generation. Her presence was always appreciated at social gatherings. Mrs. Hughes was a most kind and considerate neighbor in times of sickness, trouble and distress. She always gave a helping hand.

She leaves to mourn two sons, Daniel J. on the homestead, and John at Iona; also nine grandchildren in this province and one, Sister St. Daniel of the Redeemer, in Huntingdon, Que.; also three great grandchildren. She also leaves to mourn two sisters, Mrs. Patrick Gormley and Mrs. Patrick McAree, both of St. Theresa's.

Her funeral to Fort Augustus under the direction of undertaker Mr. Milton Jenkins, took place on August 24th and was one of the largest ever seen here.

A Solemn High Mass of Requiem was celebrated by Rev. Father Callaghan with Rev. Father A. J. McLeod as deacon and Rev. Father Simpson as sub-deacon. The Rev. Father Butler was also in the sanctuary.

The pallbearers were Messrs. Louis Grimes, George Mitchell, Joseph Trainor, Harry Trainor, Patrick Kelly and Owen Callaghan.

Newly Organized Ford Foundation to Improve Man's Well-Being

The need for "unremitting efforts to remove war's basic causes and to build a world-foundation for permanent peace... is the great single issue of our times." In these words the multi-million-dollar Ford Foundation, directed by former U. S. Economic Co-operation administrator Paul G. Hoffman, described the first of the goals toward which its efforts will be aimed. After two years of careful study by eight selected leaders, the committee found that Ford foundation "could most effectively and intelligently put its resources to work for human welfare" by contributing to world peace, securing greater allegiance to basic principles of freedom, advance economic well being of people everywhere, improve educational facilities and to increase knowledge of factors which influence or determine human conduct. Seen above is Henry Ford II, chairman of \$200,000,000 company, and his wife.
