When it Hurts To Cough

The cough that hurts, the cough that gets tight in the chest is daily getting deeper and deeper into the bronchial tubes and is making directly for the lungs, to become pneumonia, inflammation of the lungs or consumption.

Such coughs are sometimes referred to as "graveyard coughs," because they usually bring their victim to that last resting place.

Dr. Chase's Syrup of Linseed and Turpentine has long been known as mother's favorite remedy for croup, bronchitis, coughs and colds. It gains in popularity every day and now has by far the largest sale of any similar preparation.

It loosens the tightness in the chest, allays the inflammation, cures the cold and prevents pneumonia, consumption and other lung troubles. 25 cents, all dealers', or Edmanson, Bates & Co., Toronto.

TRUE ECONOMY

THE DIFFERENCE between buying a cheap suit and a good suit is the cheap suit never looks well, and a man doesn't look well in it—looks as if it was made for some other man, and will only wear a short while at the longest when it is all out of shape. Our make of Suits, Overcoats and Trousers always look well, and a man feels good in them, feels as though there is no better dressed man than he; and will keep their shape and look well till they are worn out.

Every Person Would Like to be Well Dressed

WELL, COME TO OUR STORE, where you are sure of getting the best fitting suit in the city. No wrinkles on the shoulder, no falling off at the collar, but every garment made decently and according to order
