TORONTOING to-night.

No news of the Northern Light.

ROUÉE RISK to-morrow afternoon.

WM. WELSH, Esq., arrived from New York to-day.

The Catholic Literary Union meets this evening at eight o'clock.

The great attraction to-night at the Carnival will be the "Kazoo Minstrel Band," something new and genuine. Don't miss seeing it.

The Dominion Temperance Alliance will meet to-morrow, Saturday afternoon, at 4 o'clock, in the Y. M. C. Hall—F. W. Hales, President.

Your attention is called to the advertisement of Jas. Paton & Co., where, we are sure, you will not be disappointed if you purchase from their well selected stock.

It is stated on good authority that Judge Travis has been removed from Calgary to Battleford, owing to the amount of unpopularity he has brought upon himself.

The "Third Party" will meet at the usual place and hour to-morrow (Saturday) evening. Unpaid subscriptions must be handed to the Treasurer immediately or names will be removed from the roll. Full attendance—important business.

A MEETING of the Belvidere Gun Club will be held at Falconwood to-morrow afternoon at 2:30 o'clock, and "Ced" is respectfully invited to be present. Perhaps he may like to try a shot or two himself, "though this thing requires some practice."

A MAN named Dubis, of Madawaska, had the toes of one foot cut off in a Restigouche lumber camp, the other day and was sent to Campbellton to have the wounds dressed. He died of lockjaw on the road, and was buried at Campbellton.

"I WISH I were you star," he said dreamily. "So do I," she returned promptly, heroically swallowing a yawn. "And why, dear one," he asked impulsively, "why do you wish I were you brilliant orb?" "Because," she replied in cold, matter-of-fact tones, "because your brilliant orb is just 11,760,971 miles away." And he faded silently out like a mist before a summer sun.

The Evening Auction Sales at the Diamond Bookstore continue to be the attraction. A new and improved system has been inaugurated to-day and will be continued daily. The large show windows will contain the goods to be sold in the evening, so as to enable purchasers to view and select any time previous to the sale. This evening a choice selection of Miscellaneous, Books, Albums, Fancy Goods, Toys, &c., will be offered.

GREATLY to the regret of the Shareholders of the Merchants' Bank of P. E. I., at the meeting held yesterday, W. A. Weeks, Esq., positively declined to allow himself to be put in nomination for re-election to the Directorate. Donald Farquharson, Esq., was thereupon elected in his stead, and Owen Connolly, Esq., chosen President of the institution. The newly chosen and the retiring President alike command the confidence of the community.

It is beyond all doubt that "Myrtle Navy" is the favorite tobacco with the smokers of Canada. They obtain more enjoyment from it than from any other tobacco made, and those of them who have used it long enough to test its merits never abandon it for any other brand. The reason of this preference is that the "Myrtle Navy" is made of the very finest leaf which is grown and that in every process of its manufacture the most vigilant care is exercised to preserve the genuine aroma of the leaf.

The Literary and Scientific Society had a very interesting meeting last night. Mr. Kaitonbury read selections from Hamlet and Julius Caesar in a manner that elicited well merited applause. Mr. Roddin read the history of "Richard Double Dick." The reader aimed to convey to the audience not only the words of the author, but the sentiment and pathos as well, and he eminently succeeded. Selections were also presented by Messrs. Harris, McDonald and others, which was followed by a general and lively discussion.

The market to-day was fairly well attended and stocked. Following are the prices:—Beef (small) 5 to 10 cts per lb.; do per quarter 4 to 7 cts; mutton, 5 to 8 cts; pork (carcass) 4 1/2 to 5 cts; pork (small) 6 to 8 cts; lamb, 6 to 8 cts; ham, per lb. 13 to 14 cts; fowls, each, 25 to 35 cts; butter (fresh), 20 to 23; do (tub) 17 to 19 cts; eggs, per doz. 13 to 14 cts; ducks, per pair, 70 to 75 cts; flour per 100 lbs. \$2.25 to \$2.75; oatmeal, do. \$2.30 to \$2.50; oats, 32 to 33 cts; hay per 100, 40 to 50 cts; potatoes, 18 to 20 cts; green, 50 to 70; cabbage, per doz. 35 to 50; turnips, per bush, 12 to 14 cts; apples, per bush, 64 cts; Veal, 3 to 7c per lb; Turkeys, 80c to \$1.75.

The Northwest half-breeds held a public meeting at St. Laurent, on Saturday, leading men from all the French parishes being present. Resolutions were adopted, thanking the Government in warm terms for the humane manner in which the half-breeds had been treated since last spring. It was decided that the half-breeds should ask the Government for a free grant of their lands, basing their claim on being the original possessors. They will also ask that industrial schools for half-breed children be established in the district, that amnesty be extended to the half-breeds in prison and across the border, that naturalization be made more accessible and that electoral districts be erected in French settlements. Riel's name was not mentioned in any way by any of the speakers during or after the meeting.

DURING the excitement of the fire on Wednesday night, one of the unfortunate sufferers, Mrs. Wayman, catching up her children, rushed out, clad only in her night-clothes. Soon after reaching the sidewalk she remembered that the pocket of her dress, which she had left behind, contained a, to her, large sum of money, some \$17, which she had been paid for services only the same evening. In answer to her frantic entreaties at least save that, Dr. Robins gallantly made an attempt. Placing a ladder to the upper window, the Doctor forced his way into the room, but, just as he was within grasping distance of the dress, the burning floor gave way, and he was precipitated to the floor below. The horrified spectators thought that he must have been killed, and were much relieved to observe the doctor emerging unhurt from the debris, but unfortunately without the poor woman's ALL which he had so bravely attempted to rescue.

The New York Horse Car Strike.

DIED.

At Souris West, Feb. 17th, of consumption, Mary Ellen, beloved daughter of Captain T. and Annetta McCarthy, aged 16 years.—May she Rest in Peace.

ORIGINAL.

Millner, the tinner, the other day, On meeting a friend, just happened to say: "I've a splendid machine to save coal; Now, I know you're a wit, so write us a bit On the sifter, and shop, and the whole."

Very soon the following was presented:—

Wit is good, that bright'y flashes, As the man that buys for cash is, Boys of Millner, where tin trash is. Sold to none.

Through his window panes and sashes, You may see his paints and splashes; But good signs he off-hand dashes. — Just for fun.

Use your pretty eyes and lashes, While his cinder sifter mashes, Sorting, perfectly, the ashes As they run.

While the little sifter thrashes, Every cinder downward cr ashes, And like cakes they sell, where cash is— So get one.

ADVICE TO MOTHERS.—Mrs. Winslow's Soothing Syrup should always be used when children are cutting teeth. It relieves the little sufferer at once; it produces natural quiet sleep by relieving the child from pain, and the little cherub awakes as "bright as a button." It is very pleasant to taste. It soothes the child, softens the gums, allays all pain, regulates the bowels, and is the best known remedy for diarrhoea, whether arising from teething or other causes. Twenty-five cents a bottle. Be sure and ask for "Mrs. Winslow's Soothing Syrup," and take no other kind. [Feb 4 eod wky]
