YOUR DOLLARS 'SNOWBALL'
... piling up extra benefits for YOU when you **SHOP AT HOME!**

Just as a snowball grows bigger and bigger as you roll it along, the dollar that you spend on shopping at home grows bigger and bigger in its impact on local business, as it passes from hand to hand! It creates more local trade volume which, in turn, means greater prosperity, faster growth, more employment in your own community. Part of it, too, helps to pay the taxes and provide the contributions that maintain and improve your schools, streets, parks, playgrounds, churches, hospitals and other vital services and facilities. Pile up benefits for your community, for yourself, by shopping at home!
