**SOME V. C. FACTS.**

The Victoria Cross was instituted by Her Majesty at the close of the Crimean war, January 29th, 1856.

Apart from those who have won the V. C. in the present war there are 150 living holders of the medal.

Sixty-two Victoria Crosses were won in the Crimean war; six in the Boer war of 1881. In all 430 odd crosses have been won.

The V. C. is a Maltese cross made from a cannon captured from the enemy. In the centre is the Royal Crest; below a scroll bearing the words "For valour." The reverse side is bare.

When a large number of men are engaged in a daring enterprise, the Cross is awarded by votes of their comrades to one officer, one non-commissioned officer, two privates, seamen or marines.

The first V. C. was won by Midshipman Lucas, of H. M. S. Hecla, on June 21st, 1854. During the bombardment of a Russian fort a live shell fell on board the Hecla. Lucas picked it up and threw it overboard. It burst just before touching the water.

The V. C. is worn on the left breast, suspended by a blue ribbon in the army, by a red ribbon in the navy.

It is illegal for a pawnbroker to accept the Victoria Cross as a pledge under any circumstances.

The Rev. James William Adams, the only clergyman who has won the V. C., gained it in the Afghan war of '79.

The V. C. measures one inch and two-fifths square. The actual weight of the metal is 434 grains, just three and a half grains less than an ounce. Its intrinsic value is a penny farthing.

The Cross is only awarded to officers and men who have performed some signal act of valour or devotion to their country in the presence of the enemy. It carries with it a special pension of £10 a year, and should the holder do some deed which if he had not already won the Cross would have gained it, another bar is attached to the ribbon by which the Cross is suspended. This bar carries an additional £5 a year pension.

**An Interesting Case.**

Mr. W. G. Phyll, proprietor Bodega Hotel, 36 Wellington Street East, Toronto, says:—"While living in Chicago I was in a terrible state with itching and bleeding piles, I tried several of the best physicians and was burnt and tortured in various ways by their treatment to no avail, besides spending a mint of money to no purpose. Since coming to Toronto I learned of Dr. Chase's Ointment, I used but one box and have not been troubled with piles in any shape or form since."

Every man knows better than to go up against another man's game, yet they all do it.
