

THE ROYAL BANK OF CANADA IN LONDON

The eyes of the world will be on London in June. Thousands of Canadians will be there for the Coronation. And they will find in the heart of the Commonwealth two little pieces of Canada.

Through the years our two London branches have become popular "rendezvous" for Canadians visiting the Old Country. Here you can

cash or purchase travellers cheques, exchange money, leave valuables for safekeeping, arrange to have mail forwarded or held and make use of other services provided by Canada's largest bank. So if you are off to London this Coronation year, make a note of these handy Royal Bank offices, where you can do all your banking business in a familiar, friendly atmosphere.

TWO BRANCHES IN LONDON

Our main London office (right) is at 6 Lothbury, in the heart of the financial district, opposite Tivoli corner and the northern side of the Bank of England. Our West End Branch (left) is situated at 2 Cockspur St., just off Trafalgar Square, a step from Canada House and the Office of the High Commissioner.

Before you leave for England, call at any of our branches for travellers cheques and other financial arrangements for your trip. Ask for a free copy of our Coronation folder containing a handy map of London.

"There was a time when all a fellow thought for his hogs was a bit of linseed and fish-meal. And that," he chuckled, "was considered quite an outlay. Yes," he laughed, "a man had to be what they called 'a big farmer' to stand that expense! But now — and it, as expensive as 'all get-out,' it's brought home in tons! And," he continued, "farmers don't think anything of the like — why, they don't even handle it respectfully! It is indeed a new era of farming."

A new era? Yet as of old, seeds die and are re-birthed, even the Autumn winged-gossamer of the
