HANDCRAFT INSTRUCTION

The Handcraft Branch is now offering the following Courses of Instruction:

WEAVING
TEXTILE PAINTING
SILK SCREEN PRINTING
COPPER ENAMELLING
SILVERCRAFT
POTTERY

Get a few people together in your community, who are interested in receiving instruction in one or more of the above crafts. Set a convenient date for classes to begin, find a suitable room in which to hold classes, except in the case of weaving when looms are set up in the homes of the students, and a place for an Instructor to board. Notify the Handcraft Branch of these details. An Instructor will be made available to you on or as near as possible to the date you choose.

These courses are practical. You learn to do by doing. The articles you make are your own and worth far more than the cost of the course, which is the cost of material used. Get several courses in your community and be ready with a co-operatively operated Gift shop next tourist season. You will be pleasantly surprised by the results.

For further information and to register classes, write the Handcraft Branch, 112 Pownal St., Charlottetown, P.E.I.
