

FREIGHT ASSOCIATION MEETS HERE

Top officials among delegates to the Canadian Freight Association annual meeting arriving in the City last night included left to right, R. K. Watson, chairman of the Association, and C. L. McCoy, assistant general freight

traffic manager for the CNR, both of Montreal, and F. J. Conrad, Chicago, vice-president in charge of traffic, Rock Island Lines. Shown with the visiting railroad men is D. Bligh Smith of Charlottetown, division freight

agent and district passenger agent for the CNR. Mr. McCoy declared that the "excellent reception" accorded to the Association when they met here last had drawn the group back again to Charlottetown after a lapse of

only two years. Including wives, the party which arrived last night comprised 60 persons. They expect to complete their annual sessions Friday. All Canadian and several American lines are represented.

16 Scouts And Leaders To Attend Jamboree In N. B.

Sixteen Scouts and one Leader from Prince Edward Island will attend New Brunswick's first Jamboree to be held at Island Park, Woodstock, N. B., from July 5th - 12th.

Training will be the theme of the Jamboree which will see 1700 Scouts gather from Nova Scotia, New Brunswick, Prince Edward Island, the New England States, Quebec, Ontario. Among the contingent will be a group of 5 Scouts from Manitoba.

Mr. Eli Boyaner, Provincial Commissioner of New Brunswick and Chairman of the Canadian Training Committee will be the Camp Chief.

Island Scouts will have T. Earle Hickey of Summerside as their Contingent Leader. As assisting him will be Queen's Scout James Hickey, also of Summerside.

Special items of interest in the week-long programme include a tour to the new Beechwood power development, forest fire fighting displays and a fly past by the Royal Canadian Air Force. In addition there will be many competitions and displays.

Island scouts scheduled to attend are: William Prowse and James MacNutt, St. James Troop; James Stavert, David Rowe and Beverley Breeden of Zion Troop; John Hynes, Ken Dorion, Leo Peters, Charles Trainor and Douglas Mulholland of the Holy Redeemer Troop; Gordon Miller and Cyril Mac-

Leod of St. Pauls Troop; Gerald Auld, Douglas Ross and David Likely of Trinity Troop "B" and James Hickey of the 1st. Summerside Troop.

A CNR Boy Scout special will carry up to 800 New Brunswick youths to the Jamboree in Woodstock, July 5. It was disclosed here Tuesday by Fred Crocker of Saint John, district passenger agent for Canadian National Railways.

Mr. Crocker said at least 10 coaches and possibly more will transport the unformed youths from Moncton to Woodstock via Saint John, Fredericton and up the St. John River Valley to the Jamboree site.

Up to 300 scouts are expected to be aboard the train as its diesel engine pulls it out of Moncton, Mr. Crocker said. This

number may be doubled in Saint John, with another 100 or so scheduled to board the special between Saint John and Fredericton. An additional 100 will join their fellows in Fredericton.

The CNR special will make its reverse run over the same route one week later, on Saturday, July 12, when the jamboree camp breaks up.

Train conducting officer throughout the trip will be Norman T. Phillips of Moncton, Scoutmaster of Central United Church Troop No. 8. Arrangements for the Scout train are being made by Mr. Crocker, member of the Saint John district Boy Scout Association Council and chairman of its publicity committee. A CNR passenger representative will be on board.

Day Training Class Bd. Of Directors Has Annual Meeting

The annual meeting of the Board of Directors of the P.E.I. Day-training Class was held in Dr. Beck's office on Fitzroy St., on Tuesday evening, June 24th, with the full membership of the Board present.

The meeting was called to order at 8:30 by the President, F. P. Smith. The regular business of the monthly meeting was dealt with in the usual order

after which the chairman welcomed Mrs. Clive Stewart as a new member on the Board representing the Kinete Club.

He also welcomed the honored guest of the evening, Mrs. A. M. Johnston, who as he said has been an outstanding worker in the cause of retarded children in this province. Mrs. Johnston is leaving on Saturday for St. John's, Newfoundland, to which detachment of R. C. M. P., her husband, Staff-Sergeant Johnston has been transferred.

The President said, "This Province is losing a great champion of retarded children, but I feel sure that those of this class in Newfoundland will ere long feel the benefit of her interest and endeavor in their cause." He then called on Mrs. Ives who on behalf of the Board, presented Mrs. Johnston with two beautiful pieces of English bone china in a lovely Lady-slipper pattern and bearing the Island crest.

Mrs. Johnston replied fittingly. She spoke feelingly of her association with the Board and said she would ever treasure fond memories of these meetings. She extended an invitation to all to visit her in her new home if at any time it proved convenient.

The minutes of the last annual meeting were then read and adopted on motion. The financial report was then given by the secretary-treasurer, Mrs. Stewart Ives and was found to be satisfactory.

In the President's report, he noted that while nothing spectacular was accomplished during the year he felt that progress had been made and the march was steadily forward. He spoke regarding the work of Miss Elizabeth Coyle who was engaged in training during the year at the day-training class and said she had proven herself to the extent that she had been engaged to teach in the class next year.

He expressed his regret that Miss Jacqueline Gummiskey would not be with the class next year and extended good wishes for success in the continuation of study next year. He then thanked the members of the Board for their co-operation and all organizations and societies who had helped during the year. He thanked the retiring members of the Board for a job well done and welcomed the new members.

After the adoption of this report the election of officers for the coming year took place and are as follows: President, F. P. Smith, (re-elected); Vice - President Mr. Wendal Cudmore; Secretary - treasurer, Mrs. James Walker.

The meeting adjourned at 10:30 after which lunch was served by the ladies.

\$548 Million Poured Into Home Building

OTTAWA (CP)—Some \$548,000,000 went into housing construction under the National Housing Act between June 1, 1957, and last March 31, it was shown in a government return tabled Monday in the Commons.

The figures were provided in reply to questions from Adrien Meunier (L—Montreal Pape-neau).

They show that in the period \$228,519,670 were covered by government-insured loans from private lending agencies and \$319,839,697 formed direct loans by Central Mortgage and Housing Corporation, the federal housing agency.

The largest single amounts were in Ontario, Quebec and Alberta.

The total direct and insured loans, respectively, by provinces: Newfoundland \$1,581,980 and \$422,574; Prince Edward Island \$34,271 and \$75,150; Nova Scotia \$1,948,807 and \$3,089,454; New Brunswick \$1,996,517 and \$2,210,088; Quebec \$62,873,294 and \$31,555,613; Ontario \$169,262,599 and \$127,044,997; Manitoba \$10,777,872 and \$5,886,538; Saskatchewan \$7,750,951 and \$9,198,214; Alberta \$35,958,060 and \$26,899,905; British Columbia \$27,655,346 and \$22,137,137.

Ask Coal Be Used In Thermal Power Plant

OTTAWA (CP)—The federal government has asked the New Brunswick government to use coal exclusively in the proposed East Saint John thermal power plant. Resources Minister Alvin Hamilton said Monday.

Mr. Hamilton told the Commons committee on mines, forests and waters that a general agreement on federal aid for power has been signed with the N.B. government but it does not contain a clause demanding the use of coal.

He said that in original discussions concerning federal aid for the production of thermal electricity in the Maritimes, the New Brunswick government had asked that it be permitted the optional use of oil for the plant.

This was because at certain times residual oil from refineries could be obtained cheaply, reducing the cost of power.

AID LOCAL ECONOMY
"Since the general agreement was signed," Mr. Hamilton said, "the federal government has asked the province of New Brunswick to help the economy of the Maritimes coal industry through the exclusive use of coal."

He added that start of construction of the East Saint John plant is entirely in the hands of the N.B. Power Commission. He did not know when it would be started but understood that the basis of contract tenders now was being worked out.

Inquest In Wheatley River Death Adjourned To July 7

In order that the investigating officers might be permitted sufficient time to gather further information Coroner Dr. L.E. Prowse last evening further adjourned the inquest charged with determining the circumstances surrounding the death of George Axworthy, of Wheatley River.

In this connection the Coroner requested any one present in the Court who knew anything relevant to the case to remain and give their information to the investigation team headed by Cpl. J.T. Leary of the R.C.M.P. The hearing will resume on July 7 at 8:30 at City Police Court.

The 78-year old man died at the Prince Edward Island Hospital the morning of June 5. He had been under treatment since admission to hospital the previous May 14.

er, Halifax pathologist who performing the post mortem, death resulted from traumatic cerebral haemorrhage brought on by severe damage to each side of the brain.

A written deposition of the post mortem findings was read at the inquest by the Coroner. John P. Nicholson represented the Attorney-General's office.

Only the deceased's remarkable physical condition sustained him during the three weeks he was under treatment at the hospital. Dr. Malcolm Putnam, the attending physician stated.

Others giving evidence last night were: Frank MacLean, Wheatley River merchant, who saw the deceased "after dark" on the evening before the day he was found injured; RCMP Constable James Brooks, who introduced photographs taken where the deceased was discovered; 86-year-old Richard Stead, a neighbor of the Axworthy's, who discovered the victim; another neighbor, Fred MacRae, to whose home the deceased was taken for medical examination; and Alfred Axworthy, a first cousin of the deceased, who lives in the same district.

During the time deceased was a patient, deceased strongly resisted all attempts to help him, the physician declared.
