PRESENTATION AND ADDRESS TO REV. H. G. MELLICK

It has been learned with regret that Rev. H. G. Mellick and Mrs. Mellick, of the North River group of churches have severed their connection with this field and plan to make their future home in N. B. At the close of Mr. Mellick's farewell sermon in North River Church, he was presented with the following address accompanied by a sum of money:

Dear Mr. and Mrs. Mellick: We the members and congregation of the North River Baptist Church desire to express our sincere regret that you are about to leave this field of labor and make your home in another province.

During your pastorate with us you have endeared yourselves to all hearts by your very faithful service unfailing kindness and ever ready sympathy and helpfulness to all. We realize that this country field of four churches involves very arduous labor for any pastor and means much hard work and self sacrifice in many ways.

You have always very cheerfully and most efficiently performed the many duties incumbent upon a pastor and his wife.

You have very ably and faithfully expounded the word of God to us and your highly edifying discourses have been listened to with much appreciation.

Your sincere Christian lives have been an inspiration and a living sermon to all with whom you have come in contact and we assure you, Dear Friends, that the ennobling influence of your friendship will ever remain in our hearts.

Please accept this gift as a small token of love and appreciation from your North River friends.

May God's richest blessing rest on you both in all your ways. Our prayer for you is: "May the Lord bless you and keep you; May the

Lord make His face to shine upon you; may He lift up His countenance upon you and give you peace." Both the pastor and his wife in thanking their friends spoke feelingly of the many ties of love and friendship which existed between them and their congregation.

Rev. H. G. Mellick is an outstanding figure in the Baptist denomination, being one of the oldest, as well as one of the ablest of our Maritime ministers. His departure from P. E. Island is much regretted.

LANDS ENOUGH NOW ON FARMS AT SASKATCHEWAN, REGINA, May 27. Demand and supply in the farm labor market just about balance at the present time, according to Thomas H. Mollery, commissioner of labor. He says that practically all the men brought into the province for spring and summer farm work have been absorbed and there is no further demand for more men now.
