# "Crazy Fun with the Economics Society"

The Economics Society is getting on the way and already had a bowling-social at the Basilica-Rec-Centre. Many more events are planned for the future. Some of these events include an adventure games night at **The Wave, on Friday, November 15th**, and a guest speaker who specializes in investing.

Given this is our first year as a Campus Society, we really want it to be a success. Everyone who is taking Economics is welcome to join in the fun.

Anyone who is seeking information, or is interested in joining, should talk to Daran Gilbert, Paula Lajeunesse, or Jerome Michelin, or stop by the Economics wing in Main Building.
