

# YOU & YOUR BARN

## THE BARN

The Barn, located on the UPEI campus, is the Student Union Centre.

This past year, 1977-78, the Student Union paid in full, the amount owing on their building and now own it completely.

This summer, the Barn has been newly renovated and can now provide even better service to the students.

The Barn houses the Executive of Student Union offices as well as that of Mickey Place-the UPEI's Student Union Business Manager.

Also located on first floor is the Panther lounge, with newly installed seats and tables plus a bar-a very filled up room on Pig and Whistle nights!

The second floor is completely open for dancing with a round bar located in the centre of the area.

The live band plays at one end of the room so there is lots of space for people who want to talk and watch.

The cafeteria, which was previously located on the second floor has been moved to third.

The new food service will be provided by the Beaver Foods. They will be open Mon. thru Fri. and are available to all students who wish to eat there.

When it's too cold to walk downtown it's great to know you can have dinner at the Barn!

The Bar is open 9-5

every day Monday thru Friday and there is always someone around to have coffee with.

It's not a far walk from any of the campus buildings so come down someday and see it for yourself.

After all, it's your building!

## We're looking for people with eight toes.

We're looking for people with eight toes.

Why? To join the UPEI Sun staff. It's not common knowledge but every Sun staff member has eight toes. If you don't believe us, just visit our office on the fourth floor of the Main building any day or night and see for yourself. If you want to join the staff (and we do need lots of new people), we'll be willing to amputate your toes. If you aren't keen on losing two toes we'll let you join anyway - we don't discriminate! That's a point that will be obvious when you get a look at our staff - and their eight toes.

So please drop by for a visit. We seriously need new staff and we promise to show how to pretend that you have eight toes.
