THE SURE ESTATE.

What signify the care and pain
That I must yet endure,
The loss of love—the love in vain,
The crime of being poor?
I've an estate of solid earth,
Nor broad nor very deep,
Where wild winds blow and daisies grow,
And moonlight shadows sleep.
'Tis six feet long and two feet wide,
Shut out from sorrow's call;
It shall be mine some happy day,
Enough though it be small.
Till trump of doom it shall be mine,
And make amends for all—
Lost health, lost heart, lost love, lost hope,
More than amends for all.

IRISHMEN IN MARSEILLES.—By a curious coincident, the two distinguished inhabitants of the city of Marseilles at this moment are Irishmen, although subjects of the Emperor of the French. The Bishop of the diocese is Monsignor Patk. Cruice, and the Commandant of the district General Patrick O'Mally, lately returned from Algeria. The General is one of the most distinguished infantry officers in the service of the Emperor. He received his promotion for special gallantry on the bloody field of Magenta. The Regiment of which he had command was assigned a strategic post at the village of Buffalroa, when it not only held its position under circumstances of eminent danger, but also succeded in taking up another more favorable position in which it contributed in a great degree to secure the victory for the arms of France. It was probably owing to the bayonet charge of this Regiment at an Austrian Brigade that the Emperor was prevented from being taken prisoner, a circumstance which would have slightly altered the fortunes of the day. For this service O'Mally was made General of Brigade. He subsequently served in China, having been present at the capture of Tein Sein and the sacking of the Summer Palace of the Brouher of the Sun. He is a Mayo man, by origin, if not by birth, and is the son of a 'rebel' of 1798.

A CHAPTER OF CRIME IN NEW YORK.—*New York, Jan.* 3.—Harry Lazarus, a prize fighter, was killed this morning. He was stabbed by Barney Friery in an altercation. Friery escaped. An officer was shot last night while defending a woman from ruffians. A Mr. Burnett was shot while attempting to secure a burglar caught on *his* premises. A Mr. Habelsted was nearly killed by a ruffian on the corner of 26th Street and Broadway. An old man of eighty was severely cut and nearly killed by a gang of ruffians, on the corner of 26th Street and 6th Avenue. A woman named Catherine Smith was shot through the window of her residence in 2d Avenue. A fireman named James Carnes was shot on the corner of 30th Street and 5th Avenue; and Martin O'Connell was shot on the corner of Stanton Street and the Bowery.

The above is only a part of the chapter of crime committed in this city last night.

President Juarez writes to a friend in the United States as follows:—"Our situation is far from being hopeless, as our enemies are trying to make everybody believe. Our resources are great, the love of the Mexicans for their country, and their disposition to fight for its independence, are unabated. Before long we will begin to show this more efficiently. The enthusiastic reception I have met in this State has strengthened my faith in the ultimate success of our holy cause."

A SINGULAR CASE.—The Boston Traveller says:—A gentleman in one of our cities raised a company two or three years since for one of our regiments, and departed for the battle-field, leaving behind a young wife. A few months afterwards the lady gave birth to a child, and subsequently the name of her husband appeared among those killed in one of the battles fought by the Potomac army. A body said to be that of her husband was sent to her, and the remains were interred, she believing all the time that she was burying her husband. The lady remained single about a year, then removing her mourning, was married again, and now has a child to her second husband. A few weeks ago the wife was somewhat surprised at reading the name of her first husband in a list of Massachusetts soldiers who has recently been released from a rebel prison, he having arrived at Annapolis, Md. She now has two living husbands, and children by both.

ENTOMBED IN AN OAK.—A Rouen paper reports, on the authority of a letter from Caen, a very extraordinary discovery made on an estate in the Forest of Cinglais. There are many fine old Druid oaks in that forest, and one of them being very much decayed, was felled. The trunk being split, was found to contain the body of a man which turned to powder on being touched. The remains of a lance or javelin was found at its side, the iron head alone bearing exposure. The people of the district have been greatly puzzled by this discovery, though the local antiquaries think that the body must have been that of one of the companions of Rollon, the chief of the Northern men who first invaded Feustria. How it got into the heart of the tree is however as great a mystry to them as the apple in the dumplin was to George the Third.

A NOBLE BOY.—During the assault on the rebel stronghold on the summit of Kenesaw Mountain, among the mangled and lacerated sufferers that drifted from this terrible maelstrom to the rear, bearing themselves as only heroes do, was a young boy about seventeen years of age, who, while nearing the cliffs, was shot through both arms by a minnie ball that fractured the bones of both. Men with stretchers saw him clambering slowly down the rocks with mangled arms dangling at his side, and asked permission to carry him. He was not walking because no aid was near. He, a sufferer, was sacrificing his interests to those of his fellows. With a look of mingled pain and firmness, he replied: "Go on up the mountain and bring down the boys that can't walk. Don't mind me;" and he staggered on alone and unsupported down the mountain through the hail of shells and bullets to the hospital.

A MAGISTERIAL FOOTPAD.—A Prague journal relates the following curious incident:—One night last week, M. M———, a magistrate, when returning home through a dark and narrow street, came into violent contact with a passenger, who instantly made off with all speed. The judge immediately felt for his watch, and finding that it was not in his pocket, he ran after the supposed robber and demanded its restitution. The man hesitated a moment, but at last handed him a watch. On arriving at home M. M——— was astonished to see his own watch on the table. The next morning he went to the police office, related his adventure, and gave up the watch which he had so strangely obtained on the previous evening. The officer on duty then informed the magistrate that a person had just called to complain that he had been robbed of his watch in the street mentioned, and the fact was at once ascertained that both the magistrate and the complainant had mistaken each other for robbers.

All the way from Gotham there comes a good story anent the juicy joker Saxe, to the effect that once, taking a trip up the Hudson, he fell in with a lively young lady, to whom he made himself very agreeable (as is his will or his wont.) Of course he made an impression upon the damsel, who said at parting: "Good by, Mr Saxe, but I fear you'll soon be forgetting me!" "Ah! Miss," said the inveterate punster, "if I were not such a very married man already, you may be sure I'd be for getting you!"

THE UNDERSIGNED has been instructed by the owners to offer FOR SALE, or RENT, several VALUABLE FREEHOLD and LEASEHOLD PROPERTIES and FARMS in BELFAST and other parts of the Island, in good cultivation, well wooded, and possessing other advantages; and for which good and valid titles and immediate possession can be given.
ALSO—FOUR LOTS, being the residue of thirteen Building Lots (the other nine having been sold the present season) in that most advantageous mercantile situation known as SUMMER HILL, adjoining MONTAGUE BRIDGE, ten miles from Georgetown, where close on to 150,000 bushels of produce are annually shipped, and nearly all paid for in cash. Americans and other speculators purchase here, and ship for Great Britain, the United States, &c. A number of Stores, Wharfs, a Meeting House, Post Office, and Temperance Society have been established for some time, with many Grist, Saw and Cloth Mills in the vicinity; where also any quantity of all kinds of Lumber can be had in trade at low rates. SUMMER HILL property is the only *Freehold Property* for sale in the place, which renders it most desirable for all classes of artizans, now so much wanted in this rising town. A STORE, and Dwelling in it, capable of holding 15,000 bushels of produce, with a double Wharf and site for Lime Kiln, will be sold cheap or leased on reasonable terms.

[EXTRACTS FROM NEWSPAPERS.]
On reference to a return made to Parliament, and ordered by the House of Commons to be printed, 7th June, 1861, it will be seen that the increase of Duty for the year, paid by the "QUEEN," was £2567, being upwards of £1000 more than paid by any other office ever yet established in this City.
[From Gore's General Advertiser, Oct. 24, 1861.]
"Indeed, we believe that we are perfectly justified in saying that no other Company, within the same period, ever attained so large an income in either the Fire or Life Departments as the Queen Insurance Company. In making this statement, we make no exception even in favor of our older local companies, namely, the Liverpool and London, the Royal, and the Lancashire Insurance Companies."
[From the Civil Service Gazette, Nov. 2, 1861.]
"Among these important institutions stands eminent for its solidity, as well as for its success, "the Queen Insurance Company," which last week held its annual meeting of proprietors in Liverpool. A reference to the ample report in another page will fully satisfy every reader of the signal progress made by this association since its foundation. Such success is, indeed, rarely attained; and it attests at once the excellence of its management, and the public confidence in its constitution."
[From the Liverpool Mercury, Nov. 2, 1861.]
"It must be gratifying to the public generally, and especially to the proprietors, to find that its income during the past three years has increased at the rate of £20,000 per annum. We believe that no other Company, within the same short period, ever attained so large an increase either in the Fire or Life Department. This speaks highly for the activity and zeal of the management, while the promptness with which all the claims, arising out of the late disastrous fire in London were met, testifies to their financial ability and the care and prudence which marked the investment of these funds."

JUDSON'S
MOUNTAIN HERB
PILLS.
The Manochan or Great Medicine.
THESE Pills have now been thoroughly tested and have maintained the highest character everywhere, they have the wonderful power of restoring to health persons suffering under all diseases arising from
IMPURE BLOOD,
and as the Blood is the life when pure, so it is when corrupt the source of nine-tenths of the diseases which afflict mankind.
The following are among the distressing variety of diseases in which these Pills are invaluable
BILIOUS FEVERS AND LIVER COMPLAINTS—General Debility, Loss of Appetite and Diseases of Females,—the Medicine has been used with the most beneficial results in cases of this descriptions.—King's Evil and Scrofula, in its worst forms, yields to the mild yet powerful action of this most remarkable Medicine. Night Sweats, Nervous Debility, Nervous Complaints of all kinds, Palpitation of the Heart, Painters' Colic, are speedily cured.
DYSPEPSIA, by thorougly cleansing the first and second stomachs, and creating a flow of pure, healty bile, instead of the stale and acrid kind, Flatulency, Loss of Appetite, Heartburn, Headache, Restlessness, Ill Temper, Anxiety, Langour, and Melancholy, which are the general symptoms of Dyspepsia, will vanish as a natural consequence of its cure.
COSTIVENES, by cleansing the whole length of the intestines with a solvent process, and without violence: all violent purges leaves the bowels costive within two days
FEVERS, of all kinds, by restoring the blood to a regular circulation, through the process of respiration in such cases, and the thorough solution of all intestinal obstruction in others.
SCURVY, ULCERS AND INVETERATE SORES, by the perfect purity which this Medicine gives to the blood and all the humors.
SCORBUTIC ERUPTIONS and bad complexions, by their alterative effect upon the fluids that feed the skin, and the morbid state of which occasions all eruptive complaints sallow, cloudy and other disagreeable complexions.
The use of these Pills for a very short time will effect an entire cure of SALT RHEUM, and a striking improvement in the clearness of the skin. COMMON COLDS and INFLUENZA will always be cured by one dose, or by two in the worst cases.
MERCURIAL DISEASES—Persons whose constitutions have become impaired by the injudicious use of Mercury, will find this medicine a perfect cure, as they never fail to eradicate from the system all the effects of Mercury, infinitely sooner than the most powerful preparations of Sarsaparilla.
☞ The Plants and Herbs of which these Pills are made, were discovered in a very surprising way among the Tezucans, a tribe of Aborigines in Mexico. Get the Almanac of our Agent, and you will read with delight the very interesting account it contains of the "GREAT MEDICINE" of the Aztecs.
OBSERVE.—The Mountain Herb Pills are put up in a beautiful Wrapper. Each box contains 40 Pills, and retail at 25 cents per box. All genuine, have the signature of B. L. Judson & Co. on each box.

THE INFALLIBLE REMEDY.

Holloway's Ointment.
Contracted or Stiff Joints.
All the Medicines in the London dispensaries would barely benefit, much less cure, any chronic cases of contracted or stiff joints; whereas if this invaluable Ointment be effectually rubbed into such parts twice a day, the effects will be immense. Paralytic patients even can derive advantages from this fine remedy when other means fail.
Scorbutic Humors, Scald Heads and Skin Diseases.
Scorbutic humors arise from an impure state of the blood, and in most cases the *liver and stomach* are the organs at fault. The Pills will speedily restore these to a healthy action; while the Ointment, if well rubbed in at least twice a day, will soon cure any case of skin disease. Soldiers, sailors and miners use this famous Ointment in all parts of the world.
Disorders of the Kidneys, Stone and Gravel.
In any of the above complaints more benefit may be derived in twenty-four hours by adopting the following simple means than is frequently brought about in six months by any other treatment. In bad cases, if the Ointment be rubbed into the small of the back over the region of the kidneys, it will quickly penetrate, and in most instances give immediate relief. Six or eight of the Pills should be taken nightly according to circumstances.
Diptheria, Sore Throats, &c.
These maladies are of so serious and dangerous a nature that the Ointment would not be recommended unless the Proprietor was sure of its effect It will cure, when every other means have failed, if applied immediately, and not delayed until the patient is beyond recovery. It is a sovereign remedy for sore throats. Settled coughs or wheezing will be promptly removed by rubbing in this unguent. Mothers should rub it into the chest of their infants whenever there is any hoarseness, tightness, or other affection of breathing.
Bad Legs, Bad Breasts—Old Wounds, Sores and Ulcers.
It is surprising how quicky a sore, ulcer or wound deprives the body of strength, and unfits it for the duties of life; but it is no less wonderful to watch the effect of Holloway's Healing Ointment, when it is used according to the printed directions, and assisted by appropriate doses of the Pills. The pain, inflammation, and other morbid manifestations soon disappear from the affected part, and health and strength return. This treatment creates sound flesh, and therefore makes its cures complete.
Gout and Rheumatism
Will be cured with the greatest certainty if large quantities of the Ointment be well worked into the complaining parts. This treatment must be perseveringly followed for some time, and duly assisted by powerful doses of Holloway's Pills. The essence of these diseases lies in the blood, which has floating through each vessel the pain-giving poison which vitiates and inflames every tissue it comes in contact with, and produces the hot, swollen, elastic enlargement about the joints so characteristic of gouty and rheumatic maladies.
Both the Ointment and Pills should be used in the following cases:

Bad Legs	Corns (Soft)	Rheumatism
Bad Breasts	Cancers	Scald
Burns	Contracted and Stiff Joints	Sore Nipples
Bunions		Sore Throats
Bite of Moschetoes and Sand Flies	Elephantiasis	Skin Diseases
	Fistulas	Scurvy
	Gout	Sore Heads
Coco-bay	Glandular Swellings	Tumours
Chiego-foot		Ulcers
Chilblains	Lumbago	Wounds
Chapped Hands	Piles	Yaws

THE NEW FRENCH REMEDY.
By Royal Letters Patent, under the special sanction of Her Majesty's Government, and the Chiefs of the Faculte de France.
THERAPION:—or CURE OF CURES; This successful and highly popular medicament, as employed in the continental hospitals by Rostan, Jobert, Velpeau, and others, combines all the desiderata to be sought in a medicine of the kind, and surpasses everything hitherto employed. Devoid of *taste, odour*, and *appearance* of medicine, it can be left or carried anywhere, and taken from time to time without exciting suspicion Each package contains full instructions for every case.
THERAPION, No. 1, in three days only removes gonnorrhœ, gleet and all discharges, effectually superseding injections, the use of which does irreparable harm by laying the foundation of stricture and other serious diseases. In dysentery, piles, irritation of the lower bowel, cough, bronchitis, asthma, and some of the more trying complaints of this kind, it will be found astonishingly efficacious, affording prompt relief, where other well-tried remedies have been powerless.
THERAPION, No. 2, for syphilis, disease of the bones, sore throat, threatened destruction of the nose and palate; impurity of blood, scurvy, pimples, spots, blotches, and all diseases for which it has been too much a fashion to employ mercury, sarsaparilla, &c., to the destruction of the sufferer's teeth; and ruin of health. Under this medicine every vestige of disease rapidly disappears; and the skin assumes the pleasing softness of infancy
THERAPION, No. 3, for relaxation, spermatorrhœa, and all the distressing consequences arising from early abuse, excess, residence in hot, unhealthy climates, &c It possesses surprising power in restoring strength and vigour to the debilitated. To those who are prevented entering the marriage state by the consequences of early error, it will render essential aid by subduing all disqualifications; and restoring the lost tone to the system. Therapion may be procured at 11s, and 33s per package, through all medicine vendors, or in £5 packages for foreign shipment, direct from London only, by which £1 12s are saved; and £10 packages for the more inveterate cases, by which a still greater saving is effected. In ordering the above, the purchaser should state which of the three numbers he requires.

The Cause and Cure of Premature Decline.
Sold by all the Agents for Dr. De Roos' Medicines, or sent post free, secure from observations direct from the Author, for 2s 6d.
THE MEDICAL ADVISER on the modern treatment of mental and physical incapacity, syphilis, stricture, &c.; with unfailing rules and prescriptions for the speedy cure, by very simple means, of all the more common diseases and supposed incurable maladies of the sexual system. By Dr. W DE ROOS, M. D., M. R. C. S., L. S. A., &c., *of the Ecole de Medicine, Paris, Graduate in Medicine, Surgery and Midwifery; Licentiate of the Royal Society of Apothecaries, &c.*
REVIEWS AND NOTICES.
"To be your own counsel or your own doctor, entails risks that have become proverbial to a degree that prevents much good resolution from taking any benefit or advantage when reasonably offered. Suspicion begets irresolution, and where there is no confidence good results seldom follow. Medical books are a field for the faculty alone, and the public act wisely in refraining from their study. 'Drink deep or taste not the Pierianspring,' is good advice where the uninformed mind, listening to its own apprehensions is oftener ready to imagine than use its cool judgment. There is one class of medical lore, however, that stands in a position somewhat exceptional to our remark, and which treats on disorders and irregularities in which morality is offended. For this reason the patient too often suffers in secret, or pursues in ignorance practices that daily bring him into a more hopeless condition for want of friendly advice. To such we recommend a perusal of the 'Medical Adviser' of Walter De Roos, M. D., of London, an established Physician, graduate and licentiate of all the regular institutions of London and Paris; and who has made nervous disorders and their baneful origin his particular study, and obtained such a practice in this branch of therapeutics as qualifies him to be a safe and competent adviser.—*County Chronicle, May 7th,* 1861.
"The MEDICAL ADVISER, by WALTER DE ROOS, M. D., for the class of diseases upon which it treats is undoubtedly the best and most soundly practical book which has come under our notice. The author is a man of most enlarged experience."—*Derby Telegraph, June 29th,* 1861.
To those who contemplate marriage its perusal is especially recommended.—The knowledge it imparts must come *some* time, and happy they who do not possess it too late.—Cure is certain in every curable case, and few indeed are they which are not so.—It is calculated to effect a complete revolution in the treatment of these complaints.—Simple and inexpensive, every sufferer may cure himself speedily, privately, and at the least possible cost.
From long practical observation of the treatment pursued in the most famous Institutions of this country and the continent, for those diseases referred to in the above work, the Proprietor has had somewhat unusual facilities for acquiring that uniform success which has hitherto characterized his practice, in which the distressing consequences resulting from the injurious employment of mercury, capivi, sarsaparilla, and similar dangerous medicines are entirely obviated. Lasting benefit in these cases can only be reasonably expected at the hands of those who devote their chief attention to such diseases; and to such only can confidence be safely extended. Dr. De R. refers with pride to the numbers he has been instrumental in restoring to health and happiness, whilst to all who need such aid he offers every assurance of speedy restoration.
FOREIGN RESIDENTS can be successfully treated by correspondence, on sending the detail of their cases, with a Bank note or Bill on a London house for £5 or £10, in order that a package of medicines to meet the exigencies of the case, may be sent out by next mail, thus avoiding the protracted suffering and unnecessary loss of valuable time, which must otherwise occur.

DR. DE ROOS' GUTTÆ VITÆ OR LIFE DROPS; *Protected by Royal Letters Patent of England; Seals of the Faculte de France; Royal College of Prussia, &c*, have in numberless instances proved their superiority over every other advertised remedy for Spermatorrhœa, languor, lassitude, depression of spirits, irritability, anger, excitement, needless fear, distaste and incapacity for society, study or business; indigestion, pains in the side, palpitation of the heart, giddiness, noises in the head, impotency, impediments to marriage, &c. This medicine strengthens the vitality of the whole system, gives energy to the muscles and nerves, thus speedily removes nervous complaints, renovates the impaired powers of life, and invigorates the most shattered constitution. For skin eruptions, sore throat, pains in the bones, and all those diseases in which mercury, sarsaparilla, &c. are too often employed in vain, to the serious detriment of health, its surprising efficacy has only to be tested to be appreciated.
As these complaints if neglected become chronic or incurable, sufferers will do well before they waste valuable time in seeking aid from instruments, and other absurdities professing to supersede medicines, to make fair trial of a remedy, which concocted on unerring scientific principles, cannot fail, and may be carried about the person, or *left upon the toilet table*, without exciting a suspicion of its nature. Price, 11s, and four times the quantity at 33s per bottle. The £5 packages containing twelve 11s quantities, by which a saving of £1 12s is effected, will be sent from 25, Bedford Place, only on receipt of the amount per draft on a London house or otherwise.
Extracts from letters which can be seen by any one. "I am happy to say that I am now quite well, thanks to you and your medicine of medicines."—*D. P St. Asaph.* "I am happy to say that I shall not require more, thank God, and I hope He will reward you for what you have done for me."—*A C., Hartlepool* "If my tongue could speak, or my pen could write to express my gratitude to you I should feel happy, but neither tongue nor pen of mine can do so."—*H. A. Birmingham.* "Without you I should have been in my grave but now I am a happy man again."—*D F F., Inverness.* "I can never thank you sufficiently; had I never read of the Guttæ Vitæ, where or what I might have been now, I cannot tell."—*W. G., West Pelton.*

PAINS IN THE BACK, GRAVEL, LUMBAGO, GOUT, RHEUMATISM, DISEASE OF THE KIDNEYS, BLADDER, &c. DR DE ROOS' COMPOUND RENAL PILLS are a most safe and speedy Remedy for the above dangerous complaints. Discharges and Diseases of the Urinary Organs generally, which too frequently harass the sufferer over the best years of life, and end only in an agonizing death. They agree with the most delicate stomach, and in three days effect a cure when capivi, cubebs, &c., have utterly failed. 2s 9d., 4s 6d., 11s, and 33s. per box. The superiority of these celebrated medicines over everything of the kind, is universally acknowledged, and the extraordinary demand for them without precedent.
Many there are, who from natural diffidence, or fear of discovery, would silently bear their afflictions rather than apply for aid to those from whom they may reasonably expect relief. With the above remedies the sufferer may without the knowledge of a second person, cure himself speedily, privately, and at the least possible expense.
HER MAJESTY'S HON. COMMISSIONERS have graciously permitted the Government stamp, bearing the word "Therapion" in white letters, to be attached to each package; thus insuring the public against fraudulent imitations, and securing to the proprietor the sole right of supply throughout her dominions; and any infringement of which they will prosecute with the utmost severity.
AGENTS FOR ENGLAND, Thomas & Co., 7, Upper St. Martin's-lane, London; Raimes & Co., Liverpool; Apothecaries Comp., Glasgow; Ferris & Co., Bristol; Cornish & Co., Plymouth; Rowe, Devenport; Randall & Co., Southampton; and obtainable through all medicine vendors in the known world, or in case of difficulty, by enclosing a draft or order for £5 or £10, according to the nature of the case, payable in London to Messrs. Thomas & Co., as above, a large package will be sent by return mail, carefully secured from observation or accident.

PREMATURE DECAY OF THE SYSTEM, and its perfect restoration, whether arising from youthful imprudence or the excesses of adult life, infection, climate, &c. Observations on marriage, the prevention and removal of certain disqualifications. Rules and numerous prescriptions for self-treatment. Sufferers who are prevented from matrimony by the consequences of imprudence should read this work, as pointing out the sure way to restoration of health. "I have taken your Pills and always derive great benefit from them."—*W. W. H., Queen's College, Cambridge.* "I have taken your Pills with the most happy result."—*B. J Dursley.* "I have tried your Pills and derived the greatest benefit therefrom."—*V. G., Navy Hotel, St. Helier's.*
