IN MEMORIAM

McNEILL — In loving memory of a dear husband and father, Emmett P. McNeill, who passed away March 14, 1962.

As a wonderful husband, we think of you
In memories that are fond and true
There wasn't a thing big or small,
That you wouldn't try to do for us all.
It's sad but true, and we wonder why
The best are always the first to die.
Quickly and quietly came the call,
Your sudden death surprised us all,
We have lost, but God has gained,
One of the best the world contained.

Ever remembered by wife and family.

BURKE — In loving memory of Mr. and Mrs. William E. Burke, who departed this life on October 7th. 1942 and March 14, 1961.

Like falling leaves the years slip by
But precious memories never die
They live with me in memory still
Not just today, but always will.

Always remembered by your daughter, (Catherine), Mrs. J. Keith Adams.

To suit your needs— to fit your budget—Frigidaire

Yes, there *is* a Frigidaire Refrigerator exactly right for your family, be it big or small. Want luxury—or utility? Quick freezing in the freezer section—or simply frozen food storage? It's yours—in the Frigidaire line.

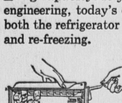
You use your refrigerator more than any other appliance so it makes sense to get the best—Frigidaire, the acknowledged leader. Even the least expensive model is built the famous Frigidaire way.

LOOK AT ALL YOU GET FROM FRIGIDAIRE

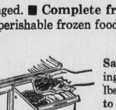
Removable door shelves for easy cleaning; magnetic safety seal *all* the way round the door; cross-braced doors that never sag; raised food compartment to save stooping; acid-resistant porcelain interior; door seal is concealed for added beauty; coloured exterior at no extra cost.

ENJOY THE LUXURY OF THESE ADVANCED FRIGIDAIRE FEATURES:

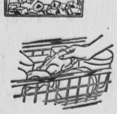
■ **Big capacity.** 15 years ago you needed 3 refrigerators to store the load shown above. Thanks to Frigidaire engineering, today's outside dimensions have hardly changed. ■ **Complete freedom from defrosting** in both the refrigerator and the freezer. ■ **Safe storage** for perishable frozen foods like ice cream; no thawing and re-freezing.



Instant Ice Service gives you a constant supply of cubes. Ice Ejector empties ice cubes into storage bin in 1½ seconds with no fighting, no tugging, no running water.



Safe Meat Storage in the Flowing Cold Meat Tender. Nearly 10 lbs. of fresh meat kept safely up to 7 days without freezing.



Right at your finger tips—up to 150 lbs. of frozen foods, in Roll-to-You freezer baskets and on the freezer door.
