Dear Editor:

It is about time our Student Union took some type of action against those people who run the "only alternative radio station." I'm talking about none other than that excuse for a radio station-CIMN. I'm quite sure that a lot of students wonder why the hell the station exists-the music they play would be enough to make a dog cry! The recent controversy surrounding "Alter Ego" showed the student union doing what they are supposed to be doing-covering their asses against a lawsuit. I applaud their actions, since they were doing the job we elected them for. An employer has the right to request an employee to stop doing something if that activity reflects negatively on either the employer, or on the employer's public image. If CIMN staff have a problem with that-tough luck! In my opinion, it was not censorship - it was a case of student union members doing what is in their job description.

The other thing that interested me was our sudden increase in cash. In last week's X-Press, it was noted that our Student Union had offered Tom Cochrane

\$10,000.000 to do a date at the Barn. I'm not here to condemn Dave Fitzpatrick, or anyone else for that matter. I assume that they had a good reason for making this offer. Now that we saved ourselves \$10,000.00 I'd like to make a suggestion. Why not take some of the money and give it to the media centre so they can purchase some more current LP's. The selection they currently have leaves a lot to be desired, in my opinion.

In closing, I just want to tell the Student Union "you're doing a great job-keep it up!"

Junior Gallant.
