

R. R. REMEDIES. HEALTH will, in all cases follow the use of Radway's R. R. Remedies. There are no such things as weak, feeble, or crippled with pain of infirmities, but that Radway's Ready Relief, Restoring Resolvent, or Regulators, as the nature of the disease or sickness may require, will quickly and rapidly cure.

These remedies consist of Radway's Ready Relief, Restoring Resolvent, Radway's Regulators. Each of these remedies possesses special curative power over certain diseases. Yet there are other diseases wherein their combined medicinal properties are required; and when time is so short, it is sufficient life and strength within the diseased or dying body to sustain their action, the patient will live and be restored to health.

Many diseases that afflict humanity are inherited as heir looms from the diseased bodies of sickly sires. Scrophulous Consumption, Syphilis, and other diseases, are among the most common of constitutional diseases. Now, we care not how many generations the seeds of these diseases may have been established in the system, corrupting the blood—Radway's Restoring Resolvent will eradicate from the bodies of the afflicted every particle of diseased deposits, and fill the veins with new, pure and healthy blood.

Radway's Restoring Resolvent should be hailed as a blessing by every mother throughout the land, whose infants are afflicted with sores, humors, etc. These breakings out (thus early) are evidences of disease transmitted from the parent stock. A few doses of the Restoring Resolvent will eradicate every vestige of the disease and insure the child a sound and healthy body.

AYER'S CHERRY PECTORAL FOR THE RAPID CURE OF Colds, Coughs, and Hoarseness.

Dr. J. C. Ayer, 140 North Main Street, Lowell, Mass., writes: "The best remedy I have ever found for Coughs, Hoarseness, Influenza, and the accompanying symptoms of a Cold, is your Cherry Pectoral. Its only merit is in my practice on my family for the last ten years has shown it to possess superior virtues for the treatment of those complaints. EDWIN KNIGHT, M.D."

A. B. MORTIMER, Esq., of Utica, N. Y., writes: "I have used your Cherry Pectoral in my family ever since your invention, and believe it the best medicine for its purposes ever put out. With a bad cold I should never use any other but your Cherry Pectoral for a bottle than do without it, or take any whooping?"

Croup, Whooping Cough, Influenza. Brother Ayer: I will cheerfully testify your Pectoral is the best remedy we possess for the cure of whooping cough, croup, and the chest diseases of children. We of your family in the South appreciate your skill, and commend your medicine to our people.

HIRAM CONKLIN, M. D. Dr. J. C. Ayer, 140 North Main Street, Lowell, Mass., writes: "I had a tedious influenza which continued more than six weeks; took many medicines without relief. Finally tried your Cherry Pectoral, and in ten days was cured. I have since used it in my family, and it has cured many others. I have found nothing equal to your Cherry Pectoral for giving ease and relief to consumptive patients, or curing such an awful disease. We might add volumes of evidence, but the most convincing proof of the virtues of this remedy is found in the effects upon trial."

Asthma or Phthisis, and Bronchitis. West Manchester, Pa., Feb. 4, 1856. Sir: Your Cherry Pectoral is performing marvellous cures in this section. It has relieved several from alarming symptoms of consumption, and is now curing a man who was laboring under an affection of the lungs for the last forty years. HENRY L. PARKS, Merchant.

A. R. RAYBURN, M. D., Alston, Monroe Co., Iowa, writes, Sept. 4, 1856: "I have used your Cherry Pectoral for giving ease and relief to consumptive patients, or curing such an awful disease. We might add volumes of evidence, but the most convincing proof of the virtues of this remedy is found in the effects upon trial."

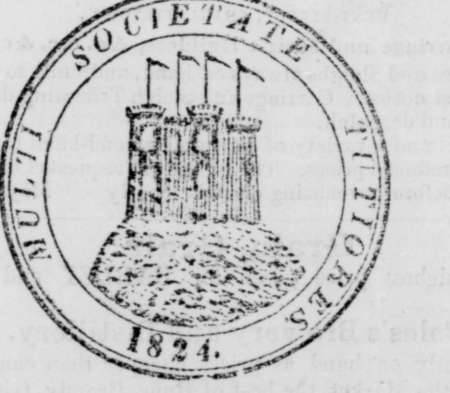

Consumption. Probably no one remedy has ever been known which cured so many and such dangerous cases as this. Some persons are not cured, but even to those this Cherry Pectoral affords relief and comfort. Astor House, New York City, March 5, 1856. Doctor Ayer, Lowell: I feel it a duty and a pleasure to inform you that your Cherry Pectoral has done for my wife, she has been five months laboring with the most distressing symptoms of Consumption, from which she could never have recovered had it not been for your Cherry Pectoral. We have used it for several weeks, and she is now perfectly cured. We have recommended a trial of your medicine to all our acquaintances, and we do your skill for she has recovered from that day. She is now as well as she could be, but is free from her former complaint. Yours with gratitude and regard, ORLANDO SHELLEY, of Shelburne.

Chloroform, do not despair till you have tried Ayer's Cathartic Pills. It is made by one of the best medical chemists in the world, and is perfectly safe and healthy. The high merits of its virtues.—Philadelphia Ledger.

Ayer's Cathartic Pills. THE advances of Chemistry and Medicine have been taken their utmost to produce the best, most perfect purgative which is known to man. Innumerable proofs are shown that these Pills have virtues which surpass in excellence the ordinary medicines, and that they will successfully operate upon all men. They are safe and pleasant to take, but powerful to cure. Their purgative properties stimulate the vital activities of the body, remove the obstructions of its organs, purify the blood, and expel disease. They purgative the food humors which breed and grow distemper, stimulate sluggish or diseased organs to their natural action, and impart healthy tone with strength to the whole system. Not only do they cure the most distressing complaints of every kind, but also scrophulous and dangerous diseases that have baffled the best of human skill. While they produce powerful effects, they are at the same time, in diminished doses, the safest and best physic that can be employed for children. Being sugar-coated, they are pleasant to take; and being purely vegetable, are free from any risk of harm. Cases have been made which express belief were they not substantiated by one of such exalted position and character as to forbid the suspicion of truth. Many eminent surgeons and physicians have lent their names to certify to the public the reliability of my remedies, while others are sent out the assurance of their conviction that my preparations contribute immensely to the relief of my afflicted suffering fellow-men.

The agent below named is pleased to furnish gratis my American Almanac containing directions for their use and certificates of their cures, of the following complaints:—Constipation, Bilious Complaints, Rheumatism, Dropsy, Hoarseness, Headache arising from a full stomach, Nausea, Indigestion, Stomach Troubles, and all other ailments arising therefrom, Flatulency, Loss of Appetite, all Ulcers, and Cutaneous Diseases which require an evacuant medicine. Scrophulous King's Evil, and all other diseases arising from the blood and stimulating the system, cure every complaint which it would not be supposed they could reach, such as Eczema, Facial Scrophulous, Neuralgia, and Nervous Irritability, Inflammation of the Liver and Kidneys, Gout, and other kindred complaints arising from a low state of the body or obstruction of its functions. Do not be put off by unprincipled dealers with cheap imitations; they make more profit on. Ask for Ayer's Pills, and take no other else. No other they can give you compare with this in its intrinsic value or medicinal powers. The sick want the best and there is no other, and they should have it.

An Astonishing Remedy. HOLLOWAY'S OINTMENT. IT EXPELS DISEASE.

It is said that all productions of human skill have their day, and are superseded by new inventions or discoveries. Not so with this remedy. "It is not for a day, but for all time, and in all countries." And why? Because it strikes at the generic root of all diseases in the blood, and medicinal art can accomplish nothing beyond that. The Ointment, penetrating through flesh and fibre, like water through a porous substance, reaches the germ or disease such as scrophulous, erysipelas, cancer, tumor, and all eruptive and ulcerous discharges in the circulation, and eradicates the taint at once and for ever in this climate.

OLD WOUNDS, SORES, AND ULCERS. The most inveterate cases of bad legs, scrophulous, or other sores, are cured, if of 20 years standing, by the joint use of the Ointment and Pills. The effect of this unrivalled remedy upon virulent ulcers and sores, is almost miraculous. It first discharges the poison which produces suppuration and proud flesh, and thus the cure which its healing properties afterwards complete, are safe as well as permanent. It has a wonderful effect in the cure of sores occasioned by mosquitoes, sandflies, or giggers.

PLEBS. This Ointment will cure the worst cases of Piles if used according to the printed directions even if of 20 years standing. ERUPTION OF THE SKIN. Blotches, pimples, dry eruptions, and all irritations of the skin, fade and disappear after a few applications of Holloway's Ointment. In these cases brisk friction is indispensable. Many of the ordinary eruptions are caused by suppressed perspiration, and as this penetrating unguent at once opens the pores and invigorates the absorbents, it dissipates the inflammation by a double process. Ladies whose faces or arms are disfigured by cutaneous diseases, may readily remove the blemish and restore to the skin its natural tint, flexibility, and softness, by the use of this safe but powerful counterirritant.

Both the Ointment and Pills should be used in the following cases:—Bad legs, Chiefo foot, Fistulas, Sore throats, Bad Breasts, Chilblains, Gout, Skin diseases, Burns, Chapped hands, Glandular Swellings, Scourvy, Bunions, Corns (Soft), Lumbago, Sore-heads, Bite of Mosquitoes, Cancers (Soft), Piles, Tumours, Sand Flies, Contracted and Stiff Joints, Rheumatism, Ulcers, Coco-bay, Elephantiasis, Sore Nipples, Yaws.

Sold at the Establishments of Professor Holloway, 244 Strand (near Temple Bar), London, and 20 Maiden Lane, New York, also by all respectable Druggists and Dealers in Medicines throughout the civilized world, at the following prices:—Is 3d, 2s 3d, and 5s each Pot. There is a considerable saving by taking the larger sizes. N. B.—Directions for the guidance of patients in every disorder are affixed to each Pot.

It is compounded in a truly scientific manner, and according strictly with rules of Pharmacy, retaining all the medicinal qualities of each article in its original strength and being concentrated in the form of a Balsam that is agreeable to the taste and wonderfully quick and efficacious in its action on the Lungs and Bronchial Tubes, it exceeds anything in medical science that has ever been offered. And for the cure of COUGHS, COLDS, WHOOPING COUGH, GROUP, ASTHMA, INFLUENZA, SPITTING OF BLOOD, BRONCHIAL COMPLAINTS, AND ALL DISEASES OF THE THROAT AND AFFECTIONS OF THE LUNGS, and those dreadful and appalling enemies to our race and country, CONSUMPTION AND LIVER COMPLAINT. It is unrivalled and when it has once been sold it has gained a reputation for itself without the aid of lengthy advertisements and it now has the confidence and is recommended by many high-minded men, and some of our first physicians; and we particularly ask the attention of this class of the community who are afflicted with any complaints of the Throat, Chest or Lungs to this article, and to MRS. GARDNER'S INDIAN BALSAM OF LIVERWORT AND HOARHOUND.

It is an excellent remedy for BOWEL COMPLAINTS, although we do not claim for it such high encomiums as some others claim for their preparations particularly adapted to diseases of this nature. We have many valuable certificates in our possession in favor of this medicine, from men of high standing, and whose popularity extends throughout America. We have liberty to use the names of a few persons well known in our community, who have been cured or otherwise benefited by the use of this Balsam. Messrs. DOCTOR MORSE'S INDIAN ROOT PILLS

CAUTION.—Beware of a Counterfeit signed A. B. MOORE. All genuine have the name of A. J. WHITE & Co. on each box. Also the signature of A. J. WHITE & Co. All others are spurious. A. J. WHITE & Co., Sole Proprietors, 50 Leonard Street, New York.

THIS philanthropist has spent the greater part of his life in traveling, having visited Europe, Asia, and Africa, as well as North America; has spent three years among the Indians of our Western country—it was in this way that the Indian Root Pills were first discovered. Dr. Morse was the first man to establish the fact that all diseases arise from IMPURITY OF THE BLOOD—that our strength, health, and life depended upon this vital fluid. When the various passages become clogged, and do not act in perfect harmony with the different functions of the body, the blood loses its action, becomes thick, corrupted and diseased; thus causing all pain, sickness and distress of every nature; our strength is exhausted, our health we are deprived of, and if nature is not assisted in throwing off the stagnant humors, the blood will become choked and cease to act, and thus our light of life will forever be blown out. How important then that we should keep the various passages of the body free and open. And how pleasant to us that we have it in our power to put a medicine in your reach, namely, Morse's Indian Root Pills, manufactured from plants and roots which grow around the mountainous cliffs in Nature's garden, for the health and recovery of diseased men. One of the roots from which these Pills are made is a Sarsaparilla which opens the pores of the skin, and assists Nature in throwing out the impurities of the corruption within. The second is a plant which is an Expectorant, that opens and unclogs the passage to the lungs, and thus, in a soothing manner, performs its duty by throwing off phlegm, and other humors from the lungs by expectoration. The third is a Diuretic, which gives ease and double strength to the kidneys; thus encouraged, they draw large amounts of impurity from the blood, which is then thrown out beautifully by the urinary or water passage, and which could not have been discharged in any other way. The fourth is a Cathartic, and accompanies the other properties of the Pills, which engaged in purifying the blood; the contract particles of impurity which cannot pass by the other outlets, are thus taken up and conveyed off in great quantities to the bowels.

From the above, it is shown that Dr. Morse's Indian Root Pills not only enter the stomach, but become united with the blood, for they find way to every part, and completely root out and cleanse the system from all impurity, and the life of the body, which is the blood, becomes perfectly healthy; consequently all sickness and pain is driven from the system, for they cannot remain when the body becomes pure and clear. The reason why people are so distressed when sick, and why so many die, is because they do not get a medicine which will pass to the affected parts, and which will open the natural passage for the disease to be cast out; hence, a large quantity of food and other matter is lodged, and the stomach and intestines are literally overflowing with the corrupted mass; thus undergoing disagreeable fermentation, constantly mixing with the blood, which throws the corrupted matter through every vein and artery, until life is taken in the body by disease. Dr. Morse's PILLS have added to themselves victory upon victory, by restoring millions of the sick to blooming health and happiness. Yes, thousands who have been racked or tormented with sickness, pain and anguish, and whose feeble frames have been scorched by the burning elements of raging fever, and who have been brought, as it were, within a step of the silent grave, now stand ready to testify that they would have wondrously medicine, Morse's Indian Root Pills. After one or two doses had been taken, they were astonished, and almost entirely surprised, in witnessing their charming effects. Not only do they give immediate ease and strength, and take away all sickness, pain and anguish, but they at once go to work at the foundation of the disease, which is the blood. Therefore, it will be shown, especially by those who use these Pills, that they will so cleanse and purify, that disease—that deadly enemy—will take its flight, and the flush of youth and beauty will again return, and the prospect of a long and happy life will cherish and brighten your days.

For sale at the Apothecaries' Hall, and at the Drug Stores of W. R. Watson and M. Skinner, and at all the stores throughout the Island. Persons wishing supplies of the above Medicines, can be furnished at Proprietors' prices at 1 Drug Store of July 6, 1857. W. R. WATSON, General Agent.
