Still in memory you are with us,
As you always were before.

Always remembered by mother, Dad, Sisters and Brothers.

We will meet him bye and bye.

Ever remembered by wife and family.

NEW YORK

NEW YORK (AP)—Wall Street received a surprise Christmas gift Wednesday — the biggest stock market rise in two weeks and another record high in the Associated Press average.

Based on the rise in the AP average the quoted value of stocks listed on the New York Stock Exchange rose an estimated $2,800,000,000.

The rise was a surprise because brokers anticipated considerable selling. It was the first day on which profits could be taken for entry into 1959 U. S. tax returns.

Rails resumed their rally of Tuesday, marching forward with industrials on a broad front. Utilities, spearheaded by American Telephone's 3-point rise, also rose on average.

The AP 60-stock average rose $2.20 to a record $210.60, topping the previous peak of $210.10 reached last Thursday. The industrial component rose $2.80 to a record high, the rails $2.80 to a high for the year and the utilities 60 cents.

Volume rose to 3,050,000 shares from 2,870,000 Tuesday.

American Standard was the most active stock, up ½ to 15⅝ on 60,700 shares.

Among gains by rails were Baltimore and Ohio 2 and Illinois Central 1⅜.

Among Canadian issues, Aluminium gained ⅝, Canadian Pacific ⅛ and International Nickel ½. McIntyre Porcupine lost ½ and Distillers Seagrams ¼.

American Stock Exchange prices were generally higher. Among Canadian issues, Shawinigan and Jupiter Oils each gained ⅛, Fargo Oil was up ⅝ and Preston East Dome and Sapphire Petroleums each closed 1-16 higher.

Merry Christmas For Toronto Boy

TORONTO (CP)—It was a very merry Christmas for an eight-year-old Toronto newsie.

Little Bobbie Duguay found himself on his hands and knees in a downtown office building, opening $100 worth of gifts with Santa Claus right beside him.

"We knew his father hadn't worked since last February and his mother was a $24 - a - week night waitress," said switchboard operators Julie Benoit and Mrs. Babs McKelvie. Donations poured in when they began a collection three weeks ago among fellow employees.

"He's a dandy kid," said Mrs. McKelvie. "You just can't help liking him. He even takes all his tips home."

Bobbie's eyes bulged as he unwrapped a wrist watch and he clasped it to his ear to see "if it was a real one." It was.

Four pieces of underwear were rather embarrassing in front of all those girls and Bobbie shut that box quickly. But other packages contained a parka coat, toys, a sweater, two shirts, slippers, shoes, five pairs of socks, overshoes, leather mitts, two pairs of jeans—even some giant-sized dolls for Bobbie to give to his sisters.

Christmas Cheer Put To New Use

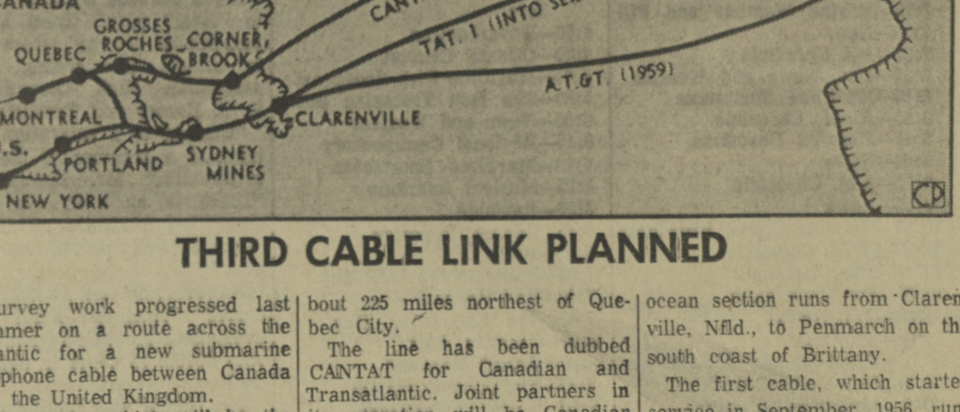
PETERBOROUGH, Ont. (CP) A reveller got a new kind of Christmas cheer from a bottle of rye whisky here.

A 12 - year - old girl somehow froze her tongue to an icy iron railing on a bridge near the city's liquor store Tuesday. Efforts to free it with water only froze it more firmly and when a bystander pulled a jacknife from his pocket the girl burst into terrified screams.

The reveller arrived, carrying a 26-ounce bottle of whisky. He poured half of his Christmas spirits into the hand of a policeman and after a gentle message the tongue was freed.

NOON-DAY BOOM

ST. JOHN'S, Nfld. (CP) — The noon gun will again be fired every day starting New Year's Day, reviving a custom that started in 1842 and lapsed in 1948. A modern six-pounder gun to fire the salute has been placed on Signal Hill alongside its predecessors.



THIRD CABLE LINK PLANNED

Survey work progressed last summer on a route across the Atlantic for a new submarine telephone cable between Canada and the United Kingdom.

The cable, which will be the third telephone link to cross under the ocean, is to be completed by 1961. It will run from Oban, Scotland, to White Bay, Nfld., then across Newfoundland, under the Gulf of St. Lawrence and up the St. Lawrence River to a terminal at Grosses Roches, about 225 miles northest of Quebec City.

The line has been dubbed CANTAT for Canadian and Transatlantic. Joint partners in its operation will be Canadian Overseas Telecommunications Corporation, a crown company, and Cable and Wireless Limited of Britain. Work also continued during the summer on a second cable, a United States-European project due to be in service by the fall of 1959. The 2,400-mile ocean section runs from Clarenville, Nfld., to Penmarch on the south coast of Brittany.

The first cable, which started service in September, 1956, runs from Clarenville to Oban. COTC was a nine-per-cent partner with American Telephone and Telegraph Company of the United States owning a 50-per-cent share and the British Post Office the other 41 per cent.
