"THERE IS NO SUBSTITUTE FOR

NATURAL FLAVOUR

...and That's What You Get at **DOMINION**

You get rich, satisfying flavour in the meats you buy at DOMINION, for two very good reasons. First, because Dominion's experienced meat buyers tour the packinghouses every day, carefully selecting the prime young sides that Nature has blessed with an extra measure of quality.

But even the best quality meat does not reach the peak of flavour until it has been properly hung. So Dominion waits patiently until time and Nature bring out the full, rich satisfying taste and tenderness.

The result is natural flavour... flavour that owes everything to Nature... and to Nature alone!

No wonder true meat-lovers say: "There is no substitute for the natural flavour you get at DOMINION!"
