By THE CANADIAN PRESS Cleveland Indians' Tommy John outduelled Robin Roberts and Baltimore Orioles in a game of more Sunday to gain a 3-0 three-hit victory and a split in the first game of a 2-2 series.

John and Roberts were locked in a scoreless battle until the sixth inning when Indians started their drive. Johns pitched for 1 1/2 hours while the Yankees blanked Washington Senators 4-0 in New York; Chicago White Sox defeated the Los Angeles Angels 3-2 and Kansas City Athletics bombed Minnesota Twins 7-0.

In the National League, Milwaukee Braves edged Philadelphia Phillies 4-0 as pitcher Hank Fischer hurled a two-hit shutout and they slowly turned back on as the various lines were checked over for breaks. "A fire" he said, "would have meant total disaster."

Russia, there is a very good civil defence organization in the city and Anchorage is known as the "quake" strick, all gas and power and water was shut off completely, and they slowly turned back on as the various lines were checked over for breaks. "A fire" he said, "would have meant total disaster."

He said a fire would have been disastrous because of the fire of water due to broken pipes. However the quick work of the civil defence in shutting down the gas supply, there were no fires whatever. He compared this to the San Francisco earthquake and the reason for the fire there being the lack of water. "A fire" he said, "would have meant total disaster."

More than 100 fishing craft from Biote's and the Tignish Fisheries Co-operative, a re currently engaged in fishing for lobsters in the waters of Tignish and St. John's Run.

From the moment the fishermen fired the signal, 9 a.m. Thursday, officially permitting the lobstermen to head for the fishing grounds to place traps and lines, these two ports have been a hive of feverish activity. Above are shown units of the fishing fleet which have been continually churning in and out of the harbors in an almost endless stream.

Fire Levels Two Farm Buildings And Threatens Gengarry School

O'LEARY — The O'Leary fire department answered three fire calls over the weekend. The most serious call was at 6:30 Saturday evening, when a brigade was summoned to the farm of Thomas Griffin, Gengarry, where a grainery and a small outbuilding were involved.

The grainery and outbuilding were separated from other buildings by a plowed field and a fence. It was feared that the fire would burn itself out without endangering the other buildings the firemen feared, preventing what could have been a serious fire. One that would have threatened the entire village.

Hartack's Attention Focused On Hillrise

By KELSO STURGEON LOUISVILLE, Ky. (AP) — Jockey Bill Hartack was riding Canadian bred Northern Dancer, but his attention was focused on favorite Hill Rise Saturday in the Kentucky Derby.

"I had him in my sights all the time," Hartack said after winning aboard E. P. Taylor's grey little colt for his fourth Derby victory.

"As we came to the stretch I was copying the Dancer every step. He's a good little horse. He's all blood and guts and he tries hard."

Hartack brought Northern Dancer out of the middle of the pack, running with Hill Rise and took the lead in the last quarter.

Hartack said that when he got out of bed Saturday morning any doubts he had about winning were gone.

"I told my valet we would bring home the roses — and the time and you can see I paid money — and we did," the smiling Hartack said. "Mr. Lora."

SUMMERSIDE — An elderly St. Elizabeth's patient, 72, was found dead Saturday afternoon in his home by his wife, Ralph Riley, who lived with him.

The Summerside RCMP were notified and are conducting an investigation. Prince County Coroner, Dr. Marvin Clark, was also notified but it wasn't known at a late hour last night whether an inquest would be held.

"I had great faith in my horse," Taylor said, "I was consistent, honest and has a big heart."
