HAPPENINGS

Miss Jane Giddings, R.N., spent a week the guest of her parents, Dr. E. S. and Mrs. Giddings. While home Jane was maid of honor for her sister Miss Irene, whose marriage to Mr. McGregor took place in Trinity United Church on Friday, St. Valentine Day.

Mr. George Henderson, Bridgewater, N.S., and Mr. Sterling Giddings, brother of the bride, who were to have been attendants at the Giddings wedding on Friday afternoon were both caught in the snow storm Thursday night and arrived in the City on Friday only in time for the wedding reception at the Charlottetown Hotel.

Mr. A. H. Mutch of Earncliffe, maritime director of the Canadian Shorthorn Association, left Thursday morning to attend the annual meeting held at Brandon, Man., after which time he plans to go on to Alberta to visit his sisters.

World Day Of Prayer Is Observed This Week

The following is the second installment of an article by Miss Margaret H. Brown entitled "Prepare Early for the 1958 World Day of Prayer" which first appeared in the United Church Missionary Monthly.

The 1958 service comes from Australia, the land "down-under." Though it is a member of our Commonwealth it has been something of an unknown country to most Canadians. We have thought of that great island continent as rather weirdly different, a land where Christmas comes in mid-summer and Easter at the beginning of autumn, and where live strange animals, survivors of a forgotten age, that hop around everywhere, carrying their young in pouches.

But now radio and television are giving us a more accurate picture of the country and the life of its people and this year's service, prepared by the women of Australia, will help us to a better understanding of the spiritual life of the people.

After months of prayer and preparation, representative women from the six states gathered in Melbourne, Victoria, having travelled a total of 14,000 miles, to confer and complete the service. They even asked for contributions from the aboriginal women which they gave in a foreword, because they felt that they too, should have a share in this service for all the world.

"Bread of Life", the theme they chose for 1958, is very timely for a world in which millions lack sufficient bread to nourish their bodies, and millions more have never known the spiritual bread for the nourishment of their souls.

The theme reminds us that Australia, like Canada, is one of the great wheat-growing countries of the world. It is natural to them, as to us, that bread should be always much in mind.

But Australia, unlike Canada, is a land with great desert spaces and wide areas which quickly revert to desert when the rains fall. Drought seems always to hover in the background. How natural then in the service prepared in that country to hear overtones of the need for rain to produce the seed and quench the thirst.

So there is special thanksgiving for "the rain which falleth from heaven to bring forth seed to the sower and bread to the eater" and this makes its spiritual counterpart more urgent.

When long seasons of drought come, men of Australia must

ANNOUNCES ENGAGEMENT

September wedding plans are being made by Miss Adelaide Duffy of Dorchester, whose parents, Mr. and Mrs. Earl Duffy of Kinkora announce her engagement to Mr. J. Robert Queeney son of Mr. and Mrs. James R.

The regular monthly meeting of the Souris Sub-division of the Catholic Women's League was held in the Parish Hall on Tuesday, February 11th, with twenty-four members present. The president, Mrs. J. J. McDonald, presided and opened the meeting with the League prayer.

The minutes of the previous meeting were read by the secretary, Mrs. St. Clair Paquet, approved by the meeting and signed by the president.

The financial report, read by the treasurer, Mrs. Joseph Campbell, showed a satisfactory balance, after payment of all bills.

The following conveners were present and gave their reports: Spiritual, Mrs. Joseph Campbell, Sick visiting, Mrs. John McCormac, Education, Mrs. Paul McPhee, Press, Mrs. St. Clair Paquet.

Correspondence consisted of letters of thanks from Miss Marion Conway, Angus Rice and Angus LaVie. Also letters of appeal from Rev. Thos. J. Walsh, National Director for Canada of the Sacred Heart Program, and H. C. Hearty, chairman of the P.E.I. Chapter of Multiple Sclerosis of Canada. Money was voted for both these organizations.

Plans were finalized for the coming Valentine dance and for the weekly Bingoos which are held in the Parish Hall on Monday nights.

A committee, convened by Mrs. Paul McPhee, was appointed to take charge of the catering to the Father and Son Boy Scout Banquet, which is being sponsored by the Knights of Columbus.

A report of the amount collected by the members for the

"March of Dimes" was presented and the results were very gratifying.

The routine business being disposed of, the meeting adjourned, and the Act of Consecration to the Blessed Mother was recited, led by Rev. Edwin Steele, after which a delicious lunch was served by the committee and a social hour enjoyed.

Science Now Shrinks Piles Without Pain Or Discomfort

Finds Healing Substance That Relieves Pain And Itching As It Shrinks Hemorrhoids

Toronto, Ont. (Special)—For the first time science has found a new healing substance with the ability to shrink hemorrhoids and to relieve pain and itching. Thousands have been relieved with this inexpensive substance right in the privacy of their own homes without any discomfort or inconvenience.

In one hemorrhoid case after another, "very striking improvement" was reported and verified by doctors' observations.

Pain was promptly relieved. And while gently relieving pain, actual reduction or retraction (shrinking) took place.

And most amazing of all—this improvement was maintained in cases where doctors' observations were continued over a period of many months!

In fact, results were so thorough that sufferers were able to make such statements as "Piles have ceased to be a problem!" And among these sufferers were a very wide variety of hemorrhoid conditions, some of even 10 to 20 years' standing.

All this, without the use of narcotics, anesthetics or astringents of any kind. The secret is a new healing substance (Bio-Dyne)—the discovery of a famous scientific institute. Already, Bio-Dyne is in wide use for healing injured tissues on all parts of the body.

This new healing substance is offered in suppository or ointment form called Preparation H. Ask for individually sealed, convenient Preparation H Suppositories or Preparation H ointment with special applicator. Preparation H is sold at all drug stores. Satisfaction guaranteed or money refunded.

ELLEN'S DIARY

"Just A Few Cakes"—But What Could Taste Better

"Storm or no storm, Ellen," James offered rising to an elbow to survey the new morning before setting his feet on the floor. "I'm going to clean that length of stovepipe. You know where it turns to go into the stove. It should have been attended to before this."

"It has been quite a while since it was cleaned," we agreed, narrowing more deeply into the very blankets.

"I came to my mind when I heard the wind blow so high last night, and the snow and rain beat against the windows. And I thought what a dreadful night it would be to have a fire — to have to turn the animals out into the storm, to say nothing of the family. So I believe I'll give a bit of cleaning. We don't want a pipe or flue fire or sparks breathing all over the yards in weather such as this. Or in any weather," he said easing out to his day.

"Is it storming much?" we asked. "It has eased some I'd say. But he shook his head "there's no sign of it clearing as yet."

But now the stars shine brilliantly from a clear sky, above farmlands where every last drift of day has gone to rest.

Until tomorrow — Diary — Goodnight.

LOT 7 C.W.L.

The monthly meeting of St. Mark's Lot 7 Sub-division of the C. W. L. was held on Sunday afternoon February 9th, in the church vestry, with a large attendance of members. Mrs. Peter Dalton presided.

The meeting opened with the League prayers lead by the Director Rev. J. N. Trainor. The minutes of the previous meeting and executive meeting were read by the secretary, Mrs. Edmond Collicutt. The treasurer's report was given by Mrs. William Perry. Mrs. Frank Butler was appointed membership Convener.

The following committees gave their reports: Entertainment—Mrs. Myrtle Doyle reported the card parties held in the parish hall were very successful both socially and financially. \$5.00 was voted for prizes at close of card tournament.

Social Welfare conveners, Mrs. Henry Dalton and Mrs. Lorne Shaw, reported visiting the sick. Get well and sympathy cards

BLOWN GLASS LINE

Despite all the emphasis on the chemise or sack line, the lines projected by the leading designers are many and varied. As proof we offer the "blown glass" silhouette, devised by Hattie Carnegie and used by this house for late afternoon and evening dress of re-embroidered white lace over pink organdie. The waist is not by-pressed, not cinched, but softly indicated in this shapely and supple line.
