MOUNT ALLISON.—Miss Mathew, Souris, has graduated in arts at Mount Allison; and the prize for the alumnal essay was won by Miss Moore, of Charlottetown. At the entertainment in Beethvan Hall the singing by Misses Moore and Dawson is highly spoken of.

PRESBYTERIAL.—The Presbytery Committee will visit Dundas on June 14th at 2 p. m. and Georgetown on the same day at 7.30 p. m. The following compose the committee: Messrs. Fullerton, Spencer, McKenzie, McLeod, Craise.—Thos. F. Fullerton, Convener.

SONS OF ENGLAND.—In celebration of the diamond jubilee the Sons of England will parade to the first Methodist church at 3 o'clock, Sunday afternoon on the 20th inst., where an appropriate programme will be carried out. Rev. Mr. Campbell and Rev. W. J. Kirby will be the officiating clergymen.

A GOOD MOVE.—The bicycle clubs of Charlottetown are about to build a quarter mile track, the prospect for which is now being made ready. The track and grounds will be for bicycling, foot racing, pole vaulting, foot ball, cricket, tennis and all sports of a similar nature. It is thought that the sum required will be \$2500, or \$3000, to be subscribed in shares of \$10 each. The idea is a good one, and we hope to see it consummated very soon.

SOURIS NOTES.—Mr. Charles Coughlan, wife and party arrived here by the SS. St. Olaf on Monday evening. They intend spending the summer here and in the autumn go to London, Eng., to play Romeo and Juliet. They are accompanied by their daughter Mrs. Cameron and child.

Mr. S. S. McDonald, Veterinary Surgeon at Souris, has removed his office to the bank building. He has a first-class livery stable in connection.

THE COMING ATTRACTION.—Of the three plays to be presented by the Harkins Company at the Opera House commencing with the performance on Thursday evening it is hard to say which will prove the more interesting. All are plays which have made both fame and fortune for their managers and authors during the past season. In "Brother for Brother" the story is one that appeals to the heart, the sense of honor, the parental love, the hope and love of justice—and from beginning to end the audience is held spellbound by the deep interest and tingling excitement forced upon them at the rise of the curtain and continued till the close of the last act. The company is said to be the best that Mr. Harkins has ever brought to the Provinces during his twenty years experience.

AT THE KINDERGARTEN HALL.

Miss McLean's musical recital at the Kindergarten Hall last evening was a decided success. There was a very fair audience all of whom seemed well satisfied with the evening's entertainment. The stage was nicely decorated with flowers, ferns, etc. The Rev. D. Sutherland presided. Miss McLean is to be congratulated on the success of this her first recital, for her pupils, one and all, showed remarkable skill. The selections, some of which were very difficult, were all from the best authors. As a change from the piano forte part of the programme Miss McDonald's and Miss Kathleen Fitzgerald's readings were very much appreciated. Major Galbraith played a cornet solo in his usual good style. The vocal solos by Mrs. Byrne, Mrs. E. H. Norton and Mrs. Hodgson were well rendered. The violin solo by Mr. Jam. s Hyndnan seemed to be the favourite selection on the programme. He was rapturously entered and had to respond. The concert closed with "God Save the Queen."
