NOTES LOCALES, ETC.

Il a été expédié 4,200,000 livres de fromage de l'Ile du Prince Edouard pendant la dernière saison. Le prix moyen étant de 10 cts. la livre, les fromageries de la province ont donc rapporté $420,000.

Il est rumeur que Sir Louis H. Davies va se retirer de la vie politique et que l'hon. H. R. Emmerson élu dans Westmoreland N. B., aux dernières élections fédérales, va le remplacer comme ministre de la marine et des pêcheries.

On est a faire des améliorations considérables au Stanley afin de le mettre en état de faire le trajet pendant l'hiver, entre Summerside et le cap Tourmentin.

Les huîtres se vendent de $3 a $4 le baril, a St. Jean N. B.

Mardi dernier, le cadavre de Ernest Munn de Wood Island I. P. E., a été trouvé coupé en deux sur la ligne du chemin de fer a Pictou. On croit que Munn aura été tué et que les meurtriers auront placé son cadavre sur la ligne pour faire croire a un accident. Munn était agé de 19 ans.

Un qui a failli passer du temps a l'éternité promptement est R. O. Hamilton de Pictou, N. E. Samedi au soir, pendant qu'il était assis dans son bureau, une balle traversa une des vitres de la fenêtre près de laquelle il était assis et lui passa deux ou trois pouces de la tête. Un nommé Johnston a été arrêté comme suspect.

Jeudi de la semaine dernière, un incendie désastreux a eu lieu a Canning, N. E. Les granges de Kingsman & Co. ont péri avec tout leur contenu qui consistait en 100 pièces de bêtes a cornes, 12 chevaux, 350 tonnes de foin et des instruments aratoires évalués a $2,000.

Un jour de la semaine dernière, tandis que Peter McDougall était engagé a bardocher le toit d'une maison a Wellington, il fut pris d'un tournoiement de tête qui lui fit perdre connaissance. Il tomba en bas du toit et lorsqu'on le trouva, aux pieds de l'échelle, il rendait le dernier soupir. Il était agé de 45 ans.

La foudre vient encore de faire une des siennes. Mardi passé, Mlle. Holland de Portuguese Cove, N. E., était assise près du poele, lorsque la foudre entra par la porte, frappa Mlle. au bras, déchira une partie de ses vêtements, enleva la semelle de l'un de ses souliers, monta au grenier, sortit par la porte de la cuisine et tua un cochon en sortant. Mlle. Holland a été paralysée pour trois jours après.

Durant l'ouragan de mercredi passé une partie d'un mur du Théatre Français, en voie de construction, a Montréal, s'est écroulé, et a démoli une maison occupée par deux familles italiennes. Un nommé Anzetto Costello qui pensionnait chez l'une des familles était malade et au lit. Dans le fracas un poele fut renversé et le feu se déclara. Avant que les pompiers purent pénétrer jusqu'au malade, il était tellement brulé qu'il en est mort. Quatre autres personnes ont été sérieusement blessées.

Les conservateurs du 5ème. district de Prince ont choisi MM. Gilbert Des-Roches et John A. Sharpe pour candidats.

Les libéraux du même district ont choisi MM. Godkin et R. C. McLeod.

Le Professeur Fletcher de la ferme expérimentale d'Ottawa est du même avis que Rév. Père Burke au sujet d'arriver aux moyens de détruire les mauvaises herbes dans nos champs. Notre partie de la province, en particulier, a grand besoin de faire la guerre aux mauvaises herbes.

Il nous fait plaisir d'apprendre que les instituteurs d'Egmont-Bay et Mont-Carmel ont résolu de tenir des assemblées régulières dans le cours de l'hiver. Cet élan, qui est, croyons nous, du en grande partie au vif intérêt qui a été manifesté lors de la convention a Mont-Carmel, l'été dernier, est des plus louables. Nous sommes heureux de constater aussi que le Rév. P. Arsenault s'intéresse d'une manière toute spéciale a l'avancement de l'éducation française dans sa paroisse.

COUGH OF GRIPPE.

In the Spring when Grippe was raging I had a bad attack and the cough was so severe that I thought I would cough myself to death. I got a bottle of Dr. Wood's Norway Pine Syrup and it cured me in a surprisingly short time.

Mrs. Hibbert Beck, Newburn, N. S., writes: "I was in bed for weeks with Rheumatism and could not move without help, I began using Milburn's Rheumatic Pills and one box relieved the pain and six boxes completely cured me."

A DAUGHTER'S DANGER.

A Chatham Mother Tells how Her Daughter, who was Troubled with Weak Heart Action and run Down System was Restored to Health.

Every mother who has a daughter drooping and fading—pale, weak and listless—whose health is not what it ought to be, should read the following statement made by Mrs. J. S. Heath, 39 Richmond Street, Chatham, Ont:

"Some time ago I got a box of Milburn's Heart and Nerve Pills at the Central Drug Store for my daughter, who is now 13 years of age, and had been afflicted with weak action of the heart for a considerable length of time.

"These pills have done her a world of good, restoring strong, healthy action of her heart, improving her general health and giving her physical strength beyond our expectations.

"They are a splendid remedy, and to any one suffering from weakness, or heart and nerve trouble I cordially recommend them."

Milburn's Heart and Nerve Pills are 50c. a box or 3 for $1.25. at all druggists.

A Terrible Cough.

If people would only treat coughs and colds in time with Dr. Wood's Norway Pine Syrup, there would be fewer homes desolate.

The severest coughs and colds, bronchitis and croup, and the first stages of consumption yield readily to this powerful, lung-healing remedy.

Read what Mrs. Thos. Carter, Northport, Ont., says: "I caught a severe cold, which settled on my throat and lungs, so that I could scarcely speak above a whisper. I also had a terrible cough which my friends thought would send me to my grave. I tried different remedies but all failed to do me any good until I took Dr. Wood's Norway Pine Syrup, and the contents of one bottle completely cured me."

Je fis un signe négatif. Il me prit la main, la secoua fébrilement et s'éloigna à grands pas, sans que j'eusse pensé à le suivre.

ment. Cette exception, répondrons-nous, confirme la règle.

En effet le défaut de lumière affaiblit l'énergie vitale du sang au profit du développement de la graisse, qui est une maladie.

Ce fait prouve par le contraste la néoessité de la lumière pour les animaux auxquels on demande autre chose que de la graisse.

JEAN D'ARAULES

KRUGER EN FRANCE

Paris, 24. M. Kruger a ainsi répondu à l'adresse du Comité Boerophile de Paris :

"Je suis touché jusqu'au fond de l'âme des vibrantes marques de sympathies que l'on m'a témoignées, par toutes les villes de France que j'ai traversées. J'ai vu des milliers de Français se grouper dans mon pays, et c'est là que j'ai appris que tous les Français sont comme moi, convaincus de la justice de notre cause.

"Nous cherchons à maintenir notre indépendance parce que nous savons que seule cette indépendance nous assurera la paix.

"Et c'est dans ce but d'obtenir une paix fondée sur la liberté et la justice que nous combattrons jusqu'à la mort snr le sol de nos deux républiques et que je suis moi-même venu en Europe.

"Je n'oserai jamais sollicité une faveur de caractère injuste. Je ne fais que demander justice et j'ai clairement prouvé mes intentions en ne cessant un seul instant de réclamer un arbitrage. Pour accomplir mon œuvre, j'ai confiance dans les sentiments du peuple, tout particulièrement dans la sympathie du peuple français."

New-York, 24.—Le "Journal and Advertiser", publie la dépêche suivante de Paris : "Des informations prétendent qu'un complot a été tramé dans le but d'assassiner M. Kruger lors des fêtes données en son honneur. Les amis du chef boer en ont été informés et vont exercer une vigilance extraordinaire autour de la personne de M. Kruger.
