

health. It would be an insult given to leave out any body—received to be left out by every body.—Conversation, amusing or instructive, gives place to a rapid round of compliments, neither instructive, nor amusing, nor sincere. You no more mean what you say when you make an ordinary buttering after dinner speech than you do what you write, when you finish a letter with 'your most obedient servant,' and address it to a fellow whom you mean to kick the first time you can catch him.—*New Monthly Magazine.*

A PLANK IN THE PRINTER'S PLATFORM.—'I hold,' said a Western editor with dignified emphasis, 'I hold it as a self-evident principle, that no man should take a newspaper three consecutive years, without making at least an apology to the editor for not paying for it.'

A FABLE FOR THE DAY.—A correspondent of the *Times* relates the following fable:—'One day a traveller met the plague going into Cairo, and accosted it thus:—'For what purpose are you entering Cairo?'—'To kill 3000 people.' Some time after the same traveller met the plague again, and said, 'But you killed 30,000?'—'Nay,' the plague replied, 'I killed but 3000; fear did the rest.'

TO THE PUBLIC.

THE Hon. PHILIP S. WHITE, P. M. W. P. National Division, Sons of Temperance, having by, virtue of the power vested in him, granted a Charter under the seal of the said National Division, organising a Grand Division, under the name of the "GRAND DIVISION of Prince Edward Island," with full power to open Subordinate Divisions in the said Island. [Date.]

The undersigned inhabitants of believing the order of the Sons of Temperance to be well calculated to extend the blessings of Total Abstinence, and promote the general welfare of mankind, respectfully petition the Grand Division of Prince Edward Island to grant them a Charter to open a new Division, to be called the Division, No. Sons of Temperance of the Island of Prince Edward, to be located in and under the jurisdiction of the said Grand Division.

We pledge ourselves individually and collectively, to be governed by the rules and usages of the said Grand Division, and also, by those of the National Division.

(Signed.)

And for Books, 15s. }

Upon receiving the enclosed certificate I am directed by the Grand Worthy Patriarch to state, that as soon as practicable, he will attend with the Grand Conductor, or will send a Deputy duly authorized, to open the Division.

As it is desirable that the principles of this truly noble and philanthropic order should be diffused throughout the Island, it is to be hoped, that those persons who are in favour of Temperance would unite, so that Divisions may be established in every settlement of the Colony. The leading principles of the Order are as follows:—

1. A universal Temperance reformation.
2. A Brotherhood, in Love, Purity and Fidelity.
3. The pecuniary relief of sick Brethren.
4. The encouragement of morality.
5. The diffusion of good will to all mankind.

Besides others equally exalted and ennobling. The initiation fee to each Brother on opening Division is twelve shillings, and which is retained in the Division, and from this fund the expenses for Charter &c. are paid.
