

For Your Moulting Hens.

The time that hens shed their feathers is again at hand. It is a very exhausting process. Are you prepared to help them through this trying period? Eggs have not been so high for years at this season as now; they will be still higher. Hens rarely if ever lay while moulting, then help them to get their new plumage quickly. Many people get only five or six dozen eggs in a year from a hen and lose money when they ought to get three times that many and make money rapidly. How? There are about 600 eggs in the ovaries of a hen; get all you can of them in two years and keep the hen no longer. You thus save two or three items of food of the hen which is no small item if you buy all the food. When a hen is in "condition" says a high poultry authority, "she will lay plenty of eggs." Therefore, help her through the moulting season, that she may be in condition to lay early, as everything is pointing to higher prices for eggs this fall than ever before. The elements needed by a hen at moulting, in addition to good food, is contained in Sheridan's Condition Powder to a very high degree. Thousands of people have proven it to be worth its weight in gold when hens are moulting. It keeps them in health, helps form the new plumage, and gets them in condition to lay early. A hen will not lay while moulting. But if you give them during the moulting Sheridan's Condition Powder daily in extra doses, they will get to lay much sooner and lay all winter; larger, better and more vigorous eggs for hatching than pullets. But don't get them a third year; get all the eggs in two. Remember Sheridan's Powder is not an egg-food; you can raise or make food as cheaply as anyone. To any person interested, I. S. Johnson & Co., Boston, Mass., on receipt of address and stamp for reply will send a recipe for making a good egg-food. Any person buying and using Sheridan's Condition Powder now will get their hens in good laying condition and stand a good chance to win one of the large gold premiums to be offered later by the same firm, who are the only makers of Sheridan's Condition Powder. For 50 cents they will send two 25 cent packs, five packs for \$1.00, or for \$1.20 one large 2 1/2 pound can of powder, post-paid; six cans for \$5.00, express prepaid. A copy of the best poultry magazine published, sent free. The paper one year and a large can of powder for \$1.50
