Campbell Rejoins Islanders Today

The league-leading Charlottetown Islanders of the Atlantic Coast Senior Hockey League will bolster a trio of players who were not in Monday's line-up in their ranks tonight as they battle the second-place Moncton Hawks at the Forum. For one of the few times this season, the Islanders will be sporting four hard hitting defencemen which will make quite a change for coach Steve Brklacich and rear-guard Lloyd Hinchberger who for the last three weeks have been holding the fort alone.

Lorne Hennessey who has been nursing an injured shoulder for the past week is expected back for this evening's fray. Also back after a two-week absence is defenceman Danny O'Connor. Copper Leyte who is presently out with an infected leg will not be in the lineup till a week from tonight.

The big news, however, is that the Islanders have recalled former playing-coach Hughie Campbell to make up a complete four-man defence which the local club has lacked since early in the season. Hughie, who turned over coaching duties to Steve Brklacich at the first of the season, has been studying at Saint Francis Xavier University in Antigonish since he was releaved of the Islanders' guidance. The Islanders management last night stated that Hughie, even though taking regular defensive duties with the Islanders, intends to continue his studies at Saint Dunstan's University here in Charlottetown in the same manner that many of the Fredericton Capitals are presently doing in the New Brunswick capital.

At the first of the season, Hughie was one of the best players the Islanders had. We have been informed that he has done considerable skating in his two-month absence from the local scene and has not likely lost too much to the old flash which he so often sported on the local ice sheet when playing with Billy Watson and Billy Ford of the old Halifax St. Marys.

Visitors tonight are the Islanders biggest rivals, the Moncton Hawks who are hot on the victory trail after an over-time win at the expense of he Islanders Wednesday night in a furious battle in the Hub City Stadium. A win for the Hawks could put them within four points of the league leading Brklacich gang. Word from the Ha..ks camp has it that former Halifax forward, high-scoring Ross Watson will arrive in camp in time for tonight's match here in town. The master showmen of the league, Nick Pidsodny and Joe Lepine have been doing pretty good at keeping the fans howling all season and are not likely to take exception tonight.

Hughie Campbell

The Islanders starting line-up will figure something like this: goal, Jim Shirley; defence, Steve Brklacich, Danny O'Connor, Lloyd Hinchberger and Hughie Campbell; forwards, Buck Whitlock, Ray Leduc, Wimpy Jones, Wally Kullman, Orin Carver, Lorne Hennessey, Bob Gray and Bubby Dowling. Campbell will fly into Charlottetown this morning from Sydney, N. S.

63 Horses Are Nominated For Grand National Event

LONDON (AP)—Sixty-three of the finest jumpers in Britain and Ireland were nominated Thursday for the 109th running of the Grand National Steeplechase March 26 over Aintree's treacherous course.

Two former winners, Early Mist in 1953 and Royal Tan in 1954, were nominated again but they will run under different colors if they start.

Another possible starter is M'As-Tu - Vu, owned by the Queen Mother, and considered a jumper still developing. If he starts it will be his first try over Aintree barriers.

Weights for the jumpers will be announced Jan. 27. An Irish Hospital Sweepstakes is based on the result of the race.

Royal Tan is now owned by Prince Aly Khan and Early Mist by his trainer, Vincent O'Brien of Ireland. Both horses once were owned by Joe Griffth, Dublin candymaker, who was forced to sell them in a bankruptcy sale last November.

Marciano Will Know By Feb. 15 Re Title Bout

NEW YORK (AP)—Rocky Marciano's manager, Al Weill, said Thursday he will know "by Feb. 15" when the heavyweight champion will be ready to make his next title defence. He can pick among three propositions offering total guarantees of $950,000.

Weill, so informed promoter Jim Norris of the International Boxing Club Thursday. He sent the same answer to Jack Solomons, British promoter, who offered a $300,000 guarantee plus transportation for a Marciano-Don Cockell match at London in late April or May.

If Marciano does fight in April he has a variety of offers including the London guarantee, a $400,000 payday for fighting Archie Moore and a $250,000 bid to meet Cuban Nino Valdes at Havana. Philadelphia May Be Site Of Title Fight

PHILADELPHIA (AP) — Blinky Palermo, manager of Johnny Saxton, indicated Thursday that Philadelphia may have to endure the welterweight champion's first title defence in April.

Palermo ruled out Syracuse, N.Y., as a possible site for his bout against the No. 1 147-pound challenger, Carmen Basilio.

"We won't fight in Syracuse, that's certain. Why, we haven't even received an offer from Norman Rothschild, Syracuse promoter," Palermo said.

Philadelphia was the site of Saxton's "victory" over Kid Gavilan here last November. Gavilan cried "fix" after losing his title.

Almost all of the experts at ringside thought Gavilan won the slow, dull fight. They described it unanimously as a "stinker."

Nature's first line of defence against erosion is the vegetation which covers the earth.

Cohen-Toweel Bout Touches Off Rematch Controversy

JOHANNESBURG (AP) — The bantamweight title match in which world champion Robert Cohen will defend against Willie Toweel, the South African titleholder, March 5 at Johannesburg, has provoked a rematch controversy two months in advance of the fight.

Teddy Waltham, secretary of the British boxing board of control, said in London Thursday that Cohen's manager, Gaston Charles-Raymond, had informed J. Onslow Fane, British board chairman and a member of the world championship committee, that there is no return-bout agreement.

The world committee, headed by Bob Christenberry, former chairman of the New York state athletic commission, recently condemned return-bout contracts.

The Johannesburg Star says, however, there is a private agreement for a return fight.

The National Boxing Association recently withdrew title recognition from Cohen for his failure to go through with an agreement to box Raton Macia, the Mexican.
