## Diefenbaker Suggests Effort

CALGARY (CP) — Opposition Leader Diefenbaker said Thursday a Canadian envoy Chester Ronning should go to Hanoi immediately in an effort to head off North Vietnamese threats to execute captured American pilots.

Mr. Diefenbaker made it clear at a press conference he would expect American retaliation to follow if North Viet Nam carried out its "inhuman, unjustifiable, provocative" threats.

"The very suggestion of public trials and executions of American airmen could bring disastrous consequences not only to North Viet Nam but the rest of the world," he said.

Mr. Ronning, 72, a retired diplomat, has been in Hanoi twice this year to meet with North Vietnamese leaders. Mr. Diefenbaker said the Camrose, Alta. resident is highly respected in the Far East.

Mr. Diefenbaker paid a brief visit to the Calgary Stampede Wednesday night.

## Agreement Eliminates Hourly Wage

KINGSTON, Ont. (CP) — A labor agreement hailed as "the first in North America" has been signed with Aluminum Co. of Canada here.

It eliminates wages, calculated on an hourly basis, and puts all workers on what a union spokesman called an annual salary.

Lloyd Fell, international representative of the United Steelworkers of America (U.S.A.), said the plan ensures employees a weekly wage equal to 40 times the old hourly wage.

He did not disclose current wage rates.

Overtime will still be paid on time worked in excess of 40 hours a week.

Unions involved in the agreement are Local 343, Steelworkers, and Local 54 International Association of Machinists and Aerospace Workers (I.A.M.).

Mr. Fell said two unions bargaining together for a single contract was also unique in Canadian labor negotiations.

Months of negotiation went into the new contract which provides wage increases ranging from 22 cents to 57 cents an hour over a two-year period retroactive to May 18. Vacation and welfare issues were also negotiated.

SMASH TERROR RING  
SAIGON (Reuters) — Police have smashed a Viet Cong terror ring in Saigon and arrested 20 men alleged to have taken part in attacks on U.S. and government installations, a police spokesman said Thursday.

The police swoop also netted a number of pistols, hand grenades and documents, he said. The arrested men were alleged to have been members of Viet Cong "suicide squads".

CHECK ROOMING HOUSES  
TORONTO (CP) — The Canadian Civil Liberties Association will keep an eye on building inspectors who have been authorized to pay surprise visits to rooming houses in the midtown Yorkville coffee house area, Executive Director Sidney Linden said Wednesday.

"I know these rooms are overcrowded, I've talked to kids from Yorkville and in many instances there are 30 to 40 people sharing a room," he said. "The inspectors were ordered after a mother described Yorkville as a breeding ground for immorality and corruption."
