tendent of the Railway, arrived from Ottawa

VENNON's big snow storm has been reported
from Vermont and Maine. It is particularly
severe along the Atlantic coast. Will it reach
us?

We notice to-day a handsome Christmas
Tree at the Family Grocery, it is the best
place to get your sweets, nuts, figs, etc.,
give R. K. BRACE a call, and get your goods
cheap.

MR. LESTER HAYDEN, of Vernon River,
we are informed, presented to Mr. H. G.
Wadman, of this city, yesterday, a trout
which girthed thirteen inches and weighed five
and three quarter pounds. At Vernon River,
we are informed Mr. Hayden caught
several trout weighing from three to four
pounds.

HON. SENATOR HAYTHORNE is home from
Ottawa with a budget of anti-contract mani-
festos. It is said that Parnell leaves every
part of Ireland which he visits in a flame. We
do hope that no conflagration will take place
here as the result of this hasty and unexpected
advent of the Island's Parnell—the sweet-
tongued Senator Haythorne.

The hot supper held at Cornwall last even-
ing, in aid of Cornwall Church, was—con-
sidering the inclemency of the weather—a
successful affair. It will be continued this
evening, in order that those who were pre-
vented from enjoying the entertainment last
evening may have another opportunity of
doing so. Tables set from 7 till 10.

THE Bazaar and Tea in the Market Hall,
last evening, in aid of the Baptist Church,
was in every particular a grand success. The
tea tables, fancy work tables, toy and oyster
tables, were well and tastefully laid. The
committee of ladies and gentlemen who had
the affair in hand, worked energetically and
their endeavors were liberally rewarded. We
learn that the handsome sum of \$475 was
realized.

At the regular Convocation of Port la Joie
Encampment held on Wednesday evening, the
following officers were elected for the ensuing
term:—

Chief Patriarch—Theo. L. Chappells,
High Priest—J. S. Bagnall,
Senior Warden—E. W. Dawson,
Recording Scribe—C. F. Yates,
Financial Scribe—T. E. Calbeck, [re-elected]
Treasurer—A. D. White,
Junior Warden—J. R. Macdonnell.
Trustees—Thomas R. Calbeck, A. D.
White, George E. Hughes.

UNSAFETY OF THE ICE—We are now in
Xmas week, and although we have had the
harbour frozen up for four weeks, the ice is
still in a very dangerous state—in fact, unsafe
for traffic from Southport or West River. One
gentleman, in crossing this forenoon, says the
ice was like waves, and his horse was 18
inches deep in the slush, while the horse of
another coming behind him, put one leg
through. Two others, having to come over,
brought a sleigh without a horse, alter-
nately pushing and pulling it through
the slush. Should this weather con-
tinue for a few days longer, we would
not be surprised to see the Southport
steamer running again.

THE advertisement, in another column, an-
nouncing a meeting of the so-called reform
association in Market Hall this evening intro-
duces three names. The very respectable
Thomas W. Dodd is to appear behind the foot-
lights supported by L. H. Davies, and A. B.
Warburton. As they are the trinity worship-
ped by the Grit party in Charlottetown, a
good house may be expected. Of course
every Grit will attend, to applaud at the
proper time, and a good many fun loving
Conservatives will put in an appearance to wit-
ness the farce. As the entertainment is to be
free, and the managers have wisely advertized
in THE EXAMINER, we can safely promise a
large audience. Resolutions condemning the
bargain with the Syndicate will be introduced
as a matter of course. If it were possible for
Sir John McDonald and his Government to
introduce the millennium, the Grits would
call their party together and pass resolutions
against its appearance. We confess to a little
surprise at the Reform Association going to
the expense of advertising a meeting, and
renting a Hall to pass resolutions, if that was
their only object. The three tailors of Tooley
street addressed the British Parliament, as we
the people of England. Why could not Thos.
Walker Dodd, L. H. Davies and A. B. War-
burton pass their resolutions and sign their
names as we the people of Prince Edward
Island. This would save a great deal of
trouble and unnecessary expense. But perhaps
the promoters of the meeting designed it as a
means of getting up a little harmless amuse-
ment for the citizens during the gay and festi-
ve season of Christmas. If so we congrat-
ulate them on the probability that the evenings
entertainment will be a decided success.
