Jensen First To Drive In 100 Runs A Red Sox Split; Senators Drop Chicago

By the Canadian Press

Jackie Jensen became the first American Leaguer to knock in 100 runs this season, sending across four tallies on a two-run homer and a bases-loaded single Thursday to give Boston Red Sox a 6-4 victory over Detroit Tigers in the second game of a doubleheader.

Home runs by Ray Boone and Charlie Maxwell powered the Tigers to a 6-1 victory in the opener.

In the other American League day game, the seventh-place Washington Senators, beaten 15 times previously by Chicago's second-place White Sox, walloped the pennant-minded Sox 6-1.

The defeat in the heat of the championship drive followed a sox split of a four-game series with the tail-end Baltimore Orioles.

The Senators have taken the Sox only three times this season and Bob Porterfield has won all of them. He chocked them Thursday on six hits. He wasn't around at the end, however.

TWISTED KNEE

After singling in the eighth, Porterfield limped to the bag and was removed for treatment of a twisted knee.

In the only National League day game, Milwaukee's second - place Braves increased their lead over third-place New York Giants to four games by nipping the Giants 3-2 on Warren Spahn's six-hitter.

For six innings it appeared that Spahn was heading for defeat as Jim Hearn stopped the Braves with one hit and led 2-0. Then Hearn lost control in the seventh and the Braves quickly took advantage to score all their runs.

Hearn walked Ed Mathews and Hank Aaron. Johny Logan singled in the first and when Hearn walked George Crowe to load the bases, he was replaced by Marv Grissom. Andy Pafko drove in the trying run with a safety on a roller to third and Del Crandall's ground out brought in Logan with the winner.

Dairymen Wallop Lions 14-2 In Softball Opener

The Sunshine Island Dairy humbled Barry's Lions 14-2 yesterday evening in the first game of the City Softball League finals played on the Parkdale Diamond.

The Len Arsenault coached Dairymen jumped into an unearned 4-0 lead in the first inning and scored three more unearned runs in the second frame as the Lions failed to show the form that carried them into the finals past the B. Y. C.

Big Henry Hartinger, the League's leading pitcher for the past two years, hurled the win for the Dairy. He gave up nine scattered hits walked two and struck out two.

Demps Gregory started on the mound for the Lions and was followed by Spud Chandler in the fourth. Gregory gave up nine hits and twelve runs with seven of them unearned. Chandler was touched for two hits and as many led the winners at the plate with runs. Hartinger and Reggie Hughes led the winners at the plate with three hits each. Hartinger getting two doubles and a single and Hughes three singles. Pete MacIntyre of the Dairy had two hits and two walks while Gene Ward had one hit and three walks.

Duke MacCallum, Joe Revell and Lester Taylor were the main stickers for the Lions with two hits each. The Lions got both their runs in the fourth inning with pinch-hitters Spud Chandler and Louie Gallant driving in the runs.

Defensively Reg Hughes, Mike Connolly and Gene Ward of the Dairy and Joe Revell of the Lions were the standouts. Hughes made a brilliant play on Sam Gregory in the first inning. Connolly robbed Merle Longaphie with a beautiful outfield catch in the third while Ward and Revell turned in stellar performances in their respective positions.

A large crowd attended the game and chipped in generously in the collection for which the League officials expressed delight.

The game was handled by Brian Lewis with Ted Strain and George Ward on the base paths.

Dodgers Cop First Game Of Semi-Finals Over Stars

Charlie Ryan's Dodgers went one game up in the best of three city league baseball semi-finals against the Stars with a close 4-2 win at Memorial Field last evening in a game called at the last of the seventh because of darkness.

Paul Jay hurled 5-hit ball at the Stars and Vern Handrahan set down the Dodgers on only 4 hits but was the victim of some shaky fielding on the part of his mates.

The Dodgers picked up their first run in the last of the first as McCallum was hit with a pitch, advanced to third on a wild pitch and passed ball and scored on Whitlock's single into centre. They added another in the second as a pair of errors put runners on first and second and Ken MacDonald's line single.

The Stars came back with a run in the fourth on two singles and a fielders choice and tied the game up in the fifth as Dave MacLeod belted a long double into right, advanced to third on an infield out and scored on an error.

The Dodgers got the winner as Squarebriggs got a life on an error, went to second on another and crossed the plate on Ken MacDonald's second single of the game.

Ken MacDonald led the Dodgers with his pair of singles and Whitlock and LeClair each had one.

Joe Coyle had two for the Stars MacLeod had a double and Donnie LeClair and Dunn clipped one baggers.

Snead And Souchak Head First Round In Golf Open

By W. R. WHEATLEY
Canadian Press Staff Writer

MONTREAL (CP)—Sam Snead, the old master from White Sulphur Springs, Va., came in late Thursday with a sparkling five-under-par 65 to share leadership with Mike Souchak of Grossinger's N. Y., in the first round of the 26,800 Open.

Last of those with a chance to catch up with Souchak, the husky ex-footballer, Snead came down the last nine with a remarkable display of golf, topped by a 60-foot chip shot from the fringe of the green at the 13th which went down for a birdie deuce.

One stroke behind the tied leaders were Doug Ford, winner of this tournament over the same course two years ago, and Marty Furgol with 66s.

Gene Littler came in with 67, alone at that figure.

Snead picked up four birdies on the first nine and went over par at the third hole with a five. He reached the 530-yard first in two and was down for a birdie. He birdied the second and sixth and got another at the seventh when he chipped on nicely from just off the green.

SENSATIONAL SHOT

After his sensational chip shot at the 13th, he sank a 20-foot downhill putt for a birdie at the 15th. He missed a three-footer at the par-four 16th and took a five. But he was back with a 15-foot birdie putt at the 17th, and at the home hole he missed another birdie when his 50-foot putt rimmed the cup.

Souc missed par at only one hole, counting birdies.

The bull - shouldered Souchak threw his best block at par-grudging Summerlea with his putting. He ran them down from distance of two feet to 35 feet, but ingloriously missed one two-footer, the only time he bowed to par.

"The course played fast, but I think it was the lack of wind that helped me," he said. "I got a little careless on the eighth green where I missed that two-footer.

ONLY 28 PUTTS

Souchak had only 28 putts for the 18-hole distance, one-putting eight greens.

Heading a group with 68s were George Bayer, mountain - size golfer from Cincinnati who bangs them far into the blue, and Bill Mawhinney of Vancouver, who put together a fine 35-33 against Summerlea's 36-34 pars.

In the same bracket were Fred Hawkins of St. Andrews, Ill., Jack Burke, Jr., Art Wall, Jr., Ted Kroll and Bo Wininger.

Arnold Palmer, winner of the Canadian Open at Toronto's Weston course last Saturday, wobbled on the back nine and took a

Stan Leonard of Vancouver and Damien Gauthier of Montreal got into the 69 bracket with several others.

George Bayer, the clouter, was the only man in the field of 132 to get an eagle—and he bagged two. At the 530-yard first, a par five, he banged his second shot 12 feet from the pin and sank his putt. At the 16th he holed out a 60-yard pitch for another eagle.

Captures Second Maritime Golf Title In Four Days

HALIFAX (CP)—Capturing her second Maritime golf title in four days, Rita Lohnes, of the Bluenose Golf Club, Lunenburg, defeated Miss Cairine Wilson of St. Andrew's, N. B., Thursday in the finals of the Maritime ladies' amateur championships.

Monday, at the Ashburn Golf and Country Club, Miss Lohnes won the Maritime junior championships in competition with Miss Ellen Driscoll of Riverside, Saint John and Miss Donna Manuge of Liverpool and Halifax.

Thursday's scheduled 36 - hole final ended on the 32nd hole. On the 31st, Miss Lohnes racked up a par four to Miss Wilson's one-over five to boost her margin to five-up with five holes to play. On the 32nd, the par four, 389 - yard 14th hole, both settled for a one-over five, ending the match.

For Miss Wilson, former Maritime and Nova Scotia champion, the afternoon round had meant an uphill battle under heavy pressure. Miss Lohnes, at the peak of her game in the morning round, entered the final round with a five-up lead. She was one-up at the end of the outgoing nine and wound up the morning play in spectacular style, winning the 16th, 17th, and 18th holes.

STARTED COMEBACK

The first nine holes of the afternoon round, however, saw Miss Wilson open a sparkling comeback, dropping a 40-foot approach shot on the first hole.

She won the second and third, reducing Miss Lohnes' lead to two holes, and the fourth, fifth and sixth holes were halved. On the seventh, a penalty called by Miss Wilson herself, cost the New Brunswick golfer the hole.

She had used her putter as a "maker" while removing mud from her ball, moving it slightly. When the hole had been played, Miss Wilson notified the referee and she was charged with an extra stroke, giving her a six. Miss Lohnes' lead went to four-up.

A birdie two on the 155-yard eighth continued Miss Wilson's rally. They halved the ninth but on the 10th, the Lunenburg star steadied, bagging a par three to Miss Wilson's five and regaining her four-up margin.

Miss Wilson birdied the 11th but from then on, the stage was Miss Lohnes as she won the 12th with a birdie three and the 13th with a par four to go five up.

The victory for Miss Lohnes, who at 17, is the youngest golfer ever to win the championship, climaxed a brilliant tournament record. In addition to her two title triumphs, Miss Lohnes was qualifying medalist in the championships, leading the 34-player field with an 80 Monday.

Jap Baby Of Ring Wins Title

TOKYO (AP) — Jiro Sawada, Japan's 17-year-old "baby of the ring" captured the Orient lightweight title Thursday night with a technical knockout over aging Masashi Akiyama in the fourth round of a 12-round title bout. Each weighed 132½ pounds.

The referee stopped the match after the 32-year-old Akiyama hit the canvas four times in the fourth round.

Akiyama, a veteran of 16 years of boxing, announced his retirement after the defeat.

Liverpool Ties Up Semi-Finals

The win tied at 1-1 the best-of-nine Halifax and District Senior Baseball League semi-finals.

Larrupers, who finished the season in first place, scored nine runs in the third inning and three more in the fifth. They did it all on nine hits off starter Ed Lyons and reliefers Al Lindop and Ted Thelander. Lyons took the loss.

Wildcats got the same number of hits off starter Don Macleod and third-inning relief pitcher Don Richards, who got the win.

Top Harness Racing Card Is Scheduled For S'side

A splendid card of harness racing is scheduled for Summerside Raceway on Saturday, August 27 when four double dashes will be run off in what promises to be a thriller.

Three other classes with ten starters in each event make up the card. An added feature to the racing will be the attendance of the Summerside Sea Cadet Band under the direction of Sub-Lt. Declares No Betting On Baseball In Buffalo

BUFFALO, N. Y. (AP) — Bolf Steinhelper, business director of Buffalo Bisons of the International Baseball League, said Thursday that to his knowledge there was no organized betting in the stands at Offerman Stadium and "if there was any going on it'll come to a sudden halt."

Steinhelper said the stands were patrolled by park police and that all would be instructed "to keep a special eye out."

Steinhelper told The Associated Press, in response to questions concerning betting on major and minor league baseball, "that everybody must certainly be aware of the position of organized baseball in regard to betting. We just simply would not condone it.

"A notice is posted in both team dressing rooms at Offerman Stadium (Bison's home park) warning teams of gambling. As far as we know no player or anyone else has been approached."

The Buffalo Courier - Express says in Thursday's editions that baseball betting here "has mushroomed into big business with the take running as high as $75,000 to $100,000 per day."

The story says that "the set-up also provides outlets to lay off bets in Montreal and Toronto if a bookmaker fears his play is too heavy."

The head of the Montreal police morality squad, Pacifique Plante, said there were no such outlets in Montreal.

"Any major gambling set-up here would certainly not operate more than 10 or 15 days before being discovered and acted upon" he said.

In Toronto, however, the Toronto Telegram says "a betting bull ring," a gathering place for gamblers, operated behind third base at the International League Maple Leafs home park.

The Telegram says anywhere from $1,500 to $5,000 has been individually bet on games there in the last week.

The paper says police have trouble obtaining proof because all bets are verbal, the payoff coming later.
