

## Bank Reports Record Loans

MONTRÉAL — Year-end records in loans, deposits and resources, plus new highs in both profits earned and taxes paid, are all shown in the Bank of Montreal's 145th annual statement.

The statement shows B of M loans at an all-time high of \$2,269 million—17.33 per cent more than a year ago, and reflecting a year of intense credit demands. In contrast, the bank's securities portfolio was reduced 12.5 per cent, from \$1,107 million to \$969 million.

B of M resources were reported at \$4,015 million, a new year and record, compared with \$3,380 million a year ago. Deposits increased from \$3,647 to \$1,834 million to \$3,713 million. Personal savings amounting to 1,834 million, are up by \$85 million, are up by \$85 million.

## Fish Landings In Nfld. Down

ST. JOHN'S, Nfld. (CP)—Fish landings in Newfoundland during October were seven per cent below the October 1961 catch, but the value was down only two per cent, the federal fisheries department announced here.

About 31,000,000 pounds of fish worth \$846,000 were caught last month, compared with 33,000,000 pounds worth \$823,000 in the same month last year. Poor weather conditions were blamed for the reduced volume.

Cod landings were up to 18,000,000 pounds, but the marketed catch was only half of that in October last year. However, the herring catch doubled to 600,000 pounds.

Gross value of the fisheries for the first 10 months of this year is about \$16,000,000 nearly \$2,000,000 better than for the first 10 months of last year.

## 300TH ANNIVERSARY

QUEBEC (CP)—The Quebec anniversary, one of the oldest educational institutions in the country, celebrates its 300th anniversary next March 26. It was founded with the approval of King Louis XIV of France and, after the English conquest, began teaching boys as well as priests.

## LANGUAGE LABORATORY

FORT FRANCES, Ont. (CP) The local high school is the only one in northwestern Ontario, and the fifth in the province, with a newly developed language laboratory. More than 300 students take French lessons using the unit's tape recorders and microphones to improve their pronunciation.
