REPORTS TAX COLLECTIONS INCREASED

The Summerside Town Council met in regular session last night, Mayor Robinson presiding. Councillor MacKay reported that a big increase had been made over last year in the amount of taxes collected to date and that 50 per cent of those who were behind with their taxes last year had paid up their back taxes and also paid their years assessment. This spoke well for the prosperity of the town. Outstanding taxes collected to date as shown in the police report are $244.15.

Councillor MacKay asked for the co-operation of citizens in keeping the streets clean and that the closed receptacle be used for garbage. Councillor MacKay moved a resolution that the street committee be empowered to deal with the widening of Fitzroy Street.

Councillor MacKay also moved a resolution of condolence to Councillor Grady on the death of his brother James H. Grady, who passed away on Saturday. Mayor Robinson in adopting the resolution said, he was very pleased to see Councillor Grady out again after his recent accident.

Bills passed were as follows, paid bills $7153.67. Unpaid bills $5078.18. Electric light paid bills $681.18, unpaid electric light bills $1710.11.

The police report was as follows. Drunkeness, arrests 21, convictions 20, operating motor vehicles while intoxicated 2, convictions 1, one case adjourned. Theft 2, convictions 1, dismissed 1. Fines collected $128.15.

Dr. Farrell reported that the inspection of ranches in the town was completed there were 48 all satisfactory.

The electric light report was satisfactory. Mention was made that some of the trees were a fire menace as they were overhanging the wires, an effort would be made to trim them without injuring the growth of the trees. Councillor Grady was given instructions to purchase the necessary material for mooring for aeroplanes that wish to remain at he airport over night.

A vote of thanks was extended to Mr. Robinson the leader of the band for the splendid effort he has put forward in the bettering of the town and being instrumental in giving the town first class band. Meeting adjourned till August 24.—S.

—VISITING P. E. ISLAND—Rev. R. E. Fraser, rector of the Anglican Church, New Glasgow, N.S., with Mrs. Fraser visited Prince Edward Island last week. They were the guests of Rev. Mr. Fraser's mother at Crapaud, and Miss Holland of Summerside. Before returning to the mainland, they called on Ven. Archdeacon C. De Wolfe White, D.D. and Mrs. White. Rev. Mr. Fraser is taking the services at Parrsboro, N. S. for this month.—S.

Kensington Presbyterian Church Holds Fiftieth Anniversary Services

The fiftieth anniversary services of the Kensington Presbyterian Church on Sunday were largely attended. The large attendance at the morning and afternoon service showed the great interest of the members and friends of the church in celebrating the fiftieth anniversary but the evening service far exceeded the expectations of those in charge of the services, the crowd assembling exceeding the capacity of the building. Additional chairs were secured from the Town Hall but even with this additional accommodation, standing room was at a premium.

The Rev. T. W. Goodwill, of Hillsburg, Ont., a former minister of the Kensington congregation, was the preacher at the morning service. His text was taken from Psalm 16: 6, "The lines are fallen unto me in pleasant places: yea, I have a goodly heritage." Very eloquently Mr. Goodwill contrasted an earthly heritage with a heavenly heritage. An earthly heritage of itself is not of great value. It may even bring a curse. He then pointed out the fundamental importance of the heavenly heritage. Without the heavenly heritage, the earthly heritage is valueless. Property in a churchless community would not be of much value. He exhorted the congregation to show greater interest in the heavenly heritage: to have greater love for the church; and to lay hold of the salvation offered in the gospel.

Music was furnished at the morning service by the Kensington choir. The anthems, "I Will Lift Up Mine Eyes," by Lane; and "Where He Leads Me," by Owen, were sung. The hymns sung were: "Thou Shalt Arise, and Mercy Yet Thou to Mount Zion Shalt Extend," "O Word of God Incarnate," and "I Love Thy Kingdom Lord." An historical sketch of the church prepared by Rev. Rhoad, Mr. Thomas Ramsay, Mr. John Stavert and Gordon Glover, was read.

Address By Dr. Fraser

At the afternoon service at 3 p.m. an historical address was given by the Rev. J. Keir Fraser, D.D., of Alberton. He dwelt upon the history of the past one hundred and fifty years. The first Presbyterian minister to visit the Island was the Rev. Dr. James MacGregor of Pictou. He visited the various settlements on the Island as often as possible and administered the ordinances of the church. The first settled minister on the Island was the Rev. Peter Gordan who was ordained as minister over Covehead and St. Peters. At this early time there were only two other ministers of religion on the Island, the Rev. Mr. Desbrisay of the Episcopal Church, and Bishop MacEachern of the Catholic Church. Dr. Fraser dwelt at great length on the work of the Rev. Dr. Keir of Malpeque. Dr. Keir was not only minister at Malpeque for fifty years but he was also a professor of theology and as such had a great influence through his training of the ministers of the church. His ability as a theologian was widely recognized both in Canada and United States. Dr. Fraser spoke of the great love which the pioneers had for the church and of the difficulties which they had in attending church. He said that we today with our better means of travel should imitate the zeal of the pioneers. He closed with a brief history of Presbyterianism in Kensington.

The music at the afternoon service was furnished by members of the Zion Presbyterian choir from Charlottetown. Mr. McEwen presided at the organ. Two solos were sung, one by Mrs. Harold Gillespie, and the other by Mr. Craswell. A duet was rendered by Miss McLennan and Mr. Craswell. A newspaper account of the opening of the church fifty years ago was read. This clipping was furnished through the courtesy of Mr. John Anderson.

Rev. Mr. Goodwill

The Rev. T. W. Goodwill preached at the evening service using as his text Revelation 3:8, "Behold I have set before thee and open door, and no man can shut it." He spoke of the four things which are out of place. Things will not be right in the world until these things are in their right place. First, the devil is out of place. He is the prince of the power of the air. He is doing his work among the nations of the world and even in the church. The time is coming when he shall be put in his place, i.e., into hell. Second the Jew is out of place. God has promised to him the land of Palestine. The time is coming when he shall possess that land which has been promised to Abraham. Third, the church is out of place. The church's place is in heaven. Everyone who believes in Christ is a member of His Church and has a right to heaven. Fourth, Christ is out of place. He is now at the right hand of God interceding for us but he belongs on the throne of David. The time is coming when He shall sit upon that throne and reign as King of kings and Lord of lords.

The music was furnished by the Summerside Presbyterian choir. Mr. Bolden of Montreal presided at the organ. The choir, under the direction of Miss Helen Peters, sang an anthem. A male quartette from the choir also sang.

Great credit is due to the committee who planned the services. The committee consisted of: Rev. Mr. Rhoad, Mr. James Jardine, Mr. Gordon Glover, Mrs. James Jardine, Mrs. Robert Bowness, Mrs. John Walker and Mrs. W. O. Rhoad.

HISTORICAL SKETCH

Prior to the erection of the Presbyterian Church in Kensington services were held in Kensington at stated times by ministers from Malpeque. In 1885 preparations were begun looking forward to the erection of a church in Kensington. On July 9, 1885, a tea was held to raise funds for the erection of the church.

In 1886 under the ministry of the Rev. George MacMillan of Malpeque the church was erected and was opened on Christmas Day 1886. Kensington continued for the time being to be a part of the Malpeque pastoral charge. The session minutes of the Malpeque (or Princeton) congregation contain the following items: October 16, 1887. "Agreed to call a meeting of the congregation at an early day to consider the future connection of Kensington station." December 26, 1887. "Fifteen members of this congregation were certified to Kensington that section having been disjoined from Princetown and connected with New London North." It would appear from these items that in the fall of 1887 Kensington was formally disjoined from Malpeque and was united to New London North.

During the period from the opening of the church until the calling of the first minister the congregation was served by the cooperation of three ministers. These were the Rev. Mr. MacMillan of Malpeque, the Rev. Mr. Mason of Long River, and the Rev. Mr. Scott of Bedeque. The first sacrament of the Lord's Supper was dispensed in the Kensington Church by these three ministers on March 13, 1887. The first session consisted of Robert Humphrey, Walter Stavert, William Walker and William Brown. The Sunday School was organized May 20, 1888.

On August 21, 1888, there was the induction of the first minister. He was the Rev. J. M. MacLeod, who was a recent graduate from Princeton Theological Seminary, Princeton, N. J. He continued as minister for about seven years until 1895. During his ministry the Women's Missionary Society was organized. The first meeting was held Thursday, January 22, 1891, at two o'clock. The first officers were Miss Barbara McLeod, President; Mrs. William MacLeod, Vice President; Miss Annie Sharpe, Secretary; and Miss Jane Glover, Treasurer. Before the close of the first meeting there were twenty-two members on the roll. This society has always been very active. It has grown until at the present time there are two missionary societies in the congregation.

In March 1896 the Rev. Charles MacKay was inducted as minister. He was minister of the congregation for about three years. He was followed in April 1900 by the Rev. Edwin Smith, who continued as minister for about three and a half years, until Christmas 1903.

On October 23, 1904, the Rev. A. D. Sterling was inducted as minister of this congregation. He was minister for about six years, until 1910. During the pastorate of the Rev. Mr. Sterling the church building was enlarged and improved by the erection of the school room.

On September 10, 1911, the Rev. G. A. Sutherland was inducted as minister. He was minister for about five years until September 24, 1916. During the ministry of the Rev. Mr. Sutherland, the Rev. B. M. Lockhart was designated and ordained as a missionary in this church.

The Rev. Thomas W. Goodwell was the next minister who served this congregation. His ministry lasted for nearly five years, from February 25, 1917 until November 27, 1921.

Mr. Goodwill was succeeded on May 14, 1922, by the Rev. A. W. Robertson. Mr. Robertson was minister for about three years, until the disruption of 1925.

Following the disruption of 1925 the congregation was served by various supplies. The first of these who served for a considerable time was the Rev. Dr. M. E. Genge who served for about a year and a half. Following him the Rev. Fred Williamson supplied for an extended time.

The first inducted minister following the disruption of 1925 was the Rev. T. L. Williams. He served for about a year and a half, from April 4, 1929 until October 1930.

For a little over a year following the departure of the Rev. Mr. Williams the congregation was served by the Rev. D. L. Griffiths and the Rev. C. R. Ashdown who were stated supplies.

The present minister, the Rev. Wm. O. Rhoad, began his ministry, as stated supply, in December 1931. He was inducted as minister of this congregation in September 1933.

During the past fifty years the church has been served by nine ministers as well as numerous supplies between pastorates. Let us thank God for His blessing and sustained grace during the past fifty years and pray for His continued blessing in the future.

Opening of the New Presbyterian Church, Kensington

On Saturday, the 25th of December, 1886, this new church was completed and formally opened on the following day, the 26th.

On the 8th of April 1885, the first meeting of those desiring the building of a church was held, and though small in number, a resolution was recorded that the work would be undertaken and proceeded with without delay. And we are proud to say that the interest in it deepened from day to day until what appeared at first a heavy undertaking for so small a body, has been accomplished, and we now have a comfortable and neat church finished and furnished. The building is 50 x 32 feet and 20 foot wall with a span roof. The very best material has been used throughout, and it presents a very good appearance outside, though plain in design still substantial looking. The inside is neat and comfortable. The entry is on the end, with a stairway on the left leading to the gallery, and a classroom to the right. Two doors then lead into the main building, one to each aisle. There are three rows of pews in front of the pulpit, and one on each side. The pews are well finished and cushioned, and everything provided that adds to comfort without extravagance. The church has cost complete $2,300, besides a fine site granted by the late Wm. Glover. Of this amount $2,000 has been raised, leaving a debt remaining of $300, which we hope to meet within a year. Mr. James McKinnon, who has completed the contract, has done his part faithfully and well. The painter, also, Mr. John Ramsay, though hurried in his part of the work, has nothing to fear from an inspection of the job.

Though the travelling was very bad on the day of opening the church was crowded at each service. Rev. Mr. Carr, of Alberton, preached in the morning, Rev. Mr. Ralston, of Murray Harbor, in the afternoon, and Rev. Mr. Hamilton of Margate, in the evening. The collection amounted to $106.39. We cannot close without recording our thank to the many friends who have given valuable aid. Also to Rev. Mr. MacMillan of Malpeque, who had done so much in the matter, and the building committee, Messrs. A. Bowness, Chas. A. McNutt, Wm. S. Higg, Wm. Walker and John Anderson. B.

Personals

—Mr. and Mrs. T. G. Burns, Freetown, have arrived home from a visit to New Brunswick.

—Mrs. Joseph Stockwell of Mount Pleasant is doing well after a serious operation in the Prince County Hospital.—S.

—Mr. Kenneth MacKenzie, of the Bank of Commerce, Charlottetown, is spending his vacation at his home in Summerside. Mr. MacKenzie has just returned from Halifax, where he had been attending a bankers' convention.—S.

Glenwood Illustration Station

Mrs. McIsaac and her two sons, George and Harry, received a good many compliments on their splendid demonstration plots of clover and other green feeds.

Their farm, situated in Glenwood, a thriving little farming centre in the western part of the Province, is a good example of what a farm should be any was well chosen for the illustration station in that district.

The land appears to be very well suited to alfalfa and had a remarkable second growth, which was admired by the visitors on the annual field day last week.

Mr. R. C. Parent of the Federal Agricultural Department was well pleased with the crops. The field of roots, fodder corn, and mangels was one of the finest to be seen anywhere. A pen of Barred Rock pullets bred in one of the approved brooder houses attracted a good deal of attention.

ADDRESSES

Mr. Parent, in a short address explained that this opening field day for 1936 was the 116th field day to be held in the province. This year they would feature live breeding of poultry, plowing, field crops, control of insects, and use of fertilizer. Some of the field days will have cattle and horse demonstrations.

Mr. Parent gave a short talk on Brown Heart in turnips.

Hon. W. H. Dennis

Hon. Mr. Dennis, Minister of Agriculture, whose home is near Glenwood, expressed pleasure in the appearance of the farm, which proved that the western section of the Island was just as good for farming as any other part of the Province.

He said that he would like to see more interest taken in chicken raising, which could be made 100 per cent profitable. The Government was anxious to assist boys' and girls' clubs in this section of the country.

He was glad that the Department was fostering interest in plowing as the cultivation of the soil was the foundation of agriculture. Dr. Clark introduced Mr. D. D. Gray, Superintendent of the Experimental Farm, Ottawa, and Mr. James MacLean, President of the Plowman's Association, Ontario.

The gentlemen gave instructive addresses on the principles of good plowing and stressed the need of the skimmer on a plow to turn under the weeds. They were anxious to have the junior farmers enter the plowing matches for the Maritime Provinces, which takes place at Cornwall, Ont., this fall. Any kind of plow could be used and points would be given for straightness of furrow, charting, holding well and finishing well.

Mr. A. E. MacLean, M.P., and Mr. George Barbour, M.L.A., gave short addresses.

Dr. R. T. Gorham gave a short talk on insects and their control.

Mr. C. Schurman discussed the various pasture crops, value of red clover, white clover, and early and late varieties.

Mr. Stewart C. Wright of the Department of Agriculture assisted at the field day.

The W. M. S. of the United Church served a delicious tea, which was highly appreciated by the visitors.—S.

Death Of Mrs. F.A. Hewitt

Much sympathy is extended to Mr. F. A. Hewitt and family in the death of Mrs. Hewitt, who passed away on Sunday night about 11 o'clock at her home in Summerside. The deceased lady had been under the doctor's care for some time, but had borne her illness with Christian fortitude.

Mrs. Hewitt was a native of Nova Scotia but had resided with her husband and family in Lower Montague, P. E. Island for over thirty years. Two months ago the family removed to Summerside.

Friends at Montague will deeply regret to learn of her passing as she was beloved by all who knew her. The United Church at Lower Montague will miss the active interest of Mrs. Hewitt as she was very faithful in her duties for the church.

There are left to mourn her memory her sorrowing husband, three sons, Roy, Guy R., and Eric D., and one daughter Lillian, now Mrs. Charles Batt of Galt, Ontario. Three grandchildren are left, two grandsons in Galt, and one granddaughter, daughter of Mrs. and Mrs. Roy Hewitt, Summerside.

The funeral will take place on Wednesday, Aug. 12th at 2 p. m. at the United Church at Lower Montague.—S

Moderator Of Young People's Rally

On Friday, August 7th, the Young People's Societies of Alberton, West Point, Freeland, Victoria West, Tyne Valley and Lot Fourteen Presbyterian Churches, held their third annual district rally at Freeland.

An afternoon service at 3 p.m. was held in the Freeland Church. About 100 delegates were present and the meeting was conducted entirely by the young people.

Mr. Ralph MacLean (Tyne Valley,) Prince County Vice-President in the Union presided, in the unavoidable absence of the President, Mr. Reg. MacNutt of Charlottetown.

Greetings and welcome were extended on behalf of the Freeland Society by Bert Larkin.

A brief address was given by Lorne MacKay of Clifton, Vice-President for the West Central District.)

The scripture lesson was read by Doris Moore, Victoria West

The attendance banner went to West Point with 30 members present at the opening session.

After this meeting the delegates adjourned to the beach for games and recreation, including boating, excursions under the direction of Frank Hardy, Freeland, which were much enjoyed by all.

Tea was served by the Freeland Society at the tea grounds. One hundred and forty delegates answered supper call, and many more continued to pour in until the evening session began.

Supper was followed by a brief impromptu twilight song service led by Joseph MacLean, student at West Cape.

Then at eight o'clock the grand evening service was held, in a large field beside the beach, with about 300 persons present.

A huge bonfire was set aflame during the singing of "Breathe on me, breath of God, Fill me with life anew," and the meeting was opened with prayer by Rev. Edwin White, Presbytery Convenor of Y.P.S. and minister of the Freeland Church, who presided at this service.

The Scripture was read by Floyd Henderson, Freeland, who is a recruit for the ministry, and is supplying Alberton Church for the summer.

The special treat of the Rally was next, the address by the Reverend Malcolm A. Campbell, D.D., of First Presbyterian Church, Montreal, the Moderator of the General Assembly of the Presbyterian Church in Canada.

Dr. Campbell made a wonderful impression upon all present. Using the appeal to youth of the remarkable setting in which the service was held, the starlit canopy of the Heavens, the murmuring sea-shore, the fascinatng blaze of the huge fire, the host of young people assembled. Dr. Campbell made a stirring appeal to young people to resond to the Fatherly call of God and to take up His service in the name of the Great Elder Brother, the only King and Head of the Church.

Joseph Machan rendered a delightful solo, and the service was conducted with verses 1 and 4 of hymn 571 "Blest be the tie that binds our hearts in Christian love!" (the Y.P.S. ritual hymn,) followed by the Benediction by Rev. Dr. Campbell.

All who attended this Rally will long remember a delightfully happy day of Christian fellowship, and particularly the soul-stirring impression made by the Moderator's address at the evening service.

The large attendance of members speaks well for the vigor of the societies represented, five of which are only a little over two years organized.

All members are eagerly awaiting the Fall rally at Charlottetown. (Patriot Please Copy)

THANKS

I take pleasure in expressing appreciation and thanks to all who so loyally supported me in the Guardian Campaign Contest, particularly those who took the trouble to send their subscriptions when I was indisposed. Also my grateful thanks are due the Campaign Manager and all else who in any way assisted.
