MOTHERHOOD.

Mark'st thou the strange sweet radiance in her eye?

FAMILY OF FOUR ON \$200 PER YEAR.

A Wisconsin Teacher Maintains His Family Well and Saves Half His \$405 Salary.

A. H. Zander contributes an article to the March Ladies' Home Journal in which he tells how he maintains a family of four persons—wife, two children and himself—on \$200 per year. He is a school-teacher and is paid a salary of \$405, out of which he saves and puts out at interest \$205 yearly. Living in a small Wisconsin town he has the advantage of cheap rents, his house costing him \$36 per year. His other expenses are: provisions, \$94.82; clothing and foot-wear, \$38; magazines and newspapers, \$5; incidentals, \$40.
 "Our meals," Mr. Zander writes, "we find abundant in quantity and variety. For breakfast we have coffee, cake, bread and butter, with eggs and fried ham occasionally. For dinner we have boiled potatoes with butter gravy, boiled cabbage or other vegetables, and pudding or pie, and coffee. Sometimes we have pork and beans, and sometimes some egg preparation, as potato pancakes, dumplings, etc., while with one meal in the week we have meat. For supper we have the remains of our dinner with fried or baked potatoes, and eggs. We have coffee with every meal. On this fare we thrive well."
