

**CONFIDENTIALLY YOURS**

—by Byrne Hope Sanders  
 MONTREAL, Oct. 29th—I'm building my nest-egg by instalments. And you, too, can do it now by buying the new Canada Savings Bonds at the BANK OF MONTREAL with a down-payment of only 5%. That's \$2.50 down for a \$50 bond, and \$5 down for a \$100 bond. The remainder is spread over the year in eleven easy monthly instalments. And this year's Canada Savings Bonds are paying the best interest ever... 4.98% if held to maturity. Why not discuss your purchase of Canada Savings Bonds this week with your neighborhood B of M manager. They're safe, dependable and are backed by the strength and vast resources of this great country of ours.

**AS CRISP AND ZESTY** as these brisk October mornings—that's the way I feel about AYLMEER Sweet Mixed Pickles—sunshine-fresh, with that Aylmer Flavour we enjoy so much. Brighten your meals, all winter long, with these favourites—Sweet Wafers, Small Gherkins, and Green Tomato Pickle. Here's a tip for Tartar Sauce—simply chop Aylmer Sweet Mixed Pickles into mayonnaise, and serve with a hot fish course. Nothing nicer! Aylmer Pickles are most economically priced. But it's their superb quality that makes them your best buy... true Aylmer Quality!

**HAPPY DAY AHEAD LITTLE FELLOW!** I love watching mothers waving their children off to school. Hope that they've all enjoyed RED RIVER CEREAL before taking on their busy, run-around day that lies ahead. Piping hot Red River is truly delicious, with its nutty, wholesome blend of cracked wheat, rye and flax. But don't think of Red River as a healthy breakfast for young Canadians only—older people, and sedentary workers find that it guards regularly. Everybody enjoys Red River these crisp mornings. Cooks to perfection in just a few minutes and costs so little. Start your family's day off right... with nutritious Red River Cereal!

**HERE'S WONDERFUL NEWS** for mothers who want to make sure their rampaging youngsters have all the vitamins they need for their busy days. Give them Wampole's VITA-POPS! They're wild-cherry flavored and candy good, furnishing active youngsters the essential vitamins they need for growth and good health. Vita-Pops contain carefully measured amounts of 8 precious vitamins, including A, C, D and B12. Give your child just one Vita-Pop a day to ensure him his vitamin requirement. I recommend a 5 weeks' supply of Vita-Pops at \$2.50, or if you've more than one child—a 13 weeks' supply at only \$5.95.

**DOES YOUR HUSBAND** like his steaks cut real thick... cooked crisp and brown on the outside... pink and juicy inside? At DOMINION STORES you can still enjoy good old-fashioned personal meat service. Friendly, experienced meat clerks will cut and trim steaks (roasts and chops, too) exactly as you want them. Of course Dominion has a handy, modern self-serve meat department, too. Whichever way you prefer to shop for meats, try Dominion. Complete satisfaction is unconditionally guaranteed, and you'll be pleasantly surprised by how much you save.

**ASK THE AVERAGE, HEALTHY MAN** how he likes his food, and he'll tell you he likes it with lots of good, hearty flavour. He's easy to please, bless him... for it's so easy to give him the flavour he likes—by adding 2 or more MAGGI Chicken Bouillon Cubes to your cooking. For instance, adding Maggi Chicken Bouillon Cubes to rice, vegetables, stews, sauces, gravies, and casseroles gives them a new and zesty flavour, that subtle gourmet touch. Ask your grocer for Maggi Chicken Bouillon Cubes in the yellow and red package and your man will think you're the best cook in town! Magic Maggi!

**ON THE SHELF, BUT NOT FOR LONG!** You'll find that you use your large jar of MIRACLE WHIP often! And the more you use it, the more you'll appreciate its truly unique taste—a light and lively flavor that enhances other flavors without overwhelming them. That's why Miracle Whip by Kraft suits modern tastes to perfection. Use it as a salad dressing for all your salads... and in sandwich fillings such as meat, canned salmon or cheese. Get the large, 32-ounce jar at your grocer's today. It's on his shelf—but not for long! Miracle Whip is so popular, you can be sure it's always fresh!

**RESERVED!... THAT'S THE SPACE** on my kitchen shelf that's always occupied by the famous bright white tins labelled AYLMEER FANCY PEAS—ASSORTED SIZES. Aylmer Fancy Peas are sweet and tender. That's because they're grown on specially selected Canadian farms where sunshine, moisture and soil are ideal. Then, at exactly the right moment of growth, Aylmer rushes them, fresh-harvested, to its nearby canneries and seals and cooks them—often within an hour! Result: that sunshine-fresh Aylmer flavor. Try them!—I'm sure they'll find a place of honor on your kitchen shelf, too.

**"I AM A MILKMAN... exposed to cold, dampness and chill.** At other times I become over-heated. For more than three years, I suffered greatly from sharp pains of sciatica in my hip and thigh. Eventually I got around to taking TEMPLETON'S TRC's and found wonderful relief. You can understand the great joy I find in my freedom." That letter is but one of thousands from grateful men and women who have won relief from rheumatic, neuritic or arthritic pain through TRC's. They want others to know how effective TRC's are. TRC's are available at drug counters everywhere. Try them yourself—and tell your friends—TRC's may be your answer too!
