ADMIRAL DIES

LONDON, April 13—(AP)—Admiral Cecil Frederick Dampier, who in 41 years in the Royal Navy rose from midshipman to command of a fleet, died Wednesday at his home in Bishop's Waltham, Hampshire. He was 82.

SABOTAGE IN NORWAY

OSLO, Norway, April 13—(Reuters)—Sabotage today halted all the vehicles of Norwegian troops on manoeuvre in North Norway. Sugar was found to have been mixed in petrol tanks. But by whom was not known.

Today in every province in Canada, regular payments go out every month to widows whose thoughtful husbands looked after the future through life insurance policies with...

Back Stretch

(Continued from page 6)

home stretch too tired to make a winning sprint. Of the 22 contestants Mabel Trask won thirteen and St. Frisco nine, and he forced her to her record of 2:01 1/2 and his own mark, 2:01 1/2, in the time the world's race record for trotting stallions was made in a race with Mabel Trask.

Playdale 3, 2:07 1/2, 4, 2:04 1/2, owned by Willard Kelly, carries the blood of Mabel Trask. His sire is Scotland 1:59 1/2 by Peter Scott, 2:08 1/2, his dam, Elizabeth Reeves by Guy Axworthy 2:08 1/2, grandson, Mabel Trask by Peter the Great. It will be noted that while he carries the blood of Guy Axworthy he also has a double infusion of Peter the Great.

Volomite, the world's greatest speed sire, whose fee is now \$5,000, when put up as a yearling by Walnut Hall Farm in 1926, was sold to William H. Cane for \$5,800. Later Tom Taggart bought him from Cane for the same price but he continued in Cane's Good Time Stable, and was trained and raced by Walter Cox. Volomite in Cox's hands raced well and took a three-year-old record of 2:03 1/2, but he was a lazy sort of horse and would not give his best efforts until he got right into competition. Cox suggested that Mr. Cane buy him a stallion but Mr. Cane said: 'He doesn't even look like a stallion... he was again sold at auction and Walnut Hall Farm bought him back for \$13,500. Since then he has earned hundreds of thousands of dollars as a stud horse. It appears that Mr. Cane was not the only one who thought Volomite would be a failure as a sire. Hundreds of good horsemen could not understand why Dr. Oden Edwards of Walnut Hall Farm would select the small black stallion to place in the stud there, but Mr. Edwards proved to be a wonderful judge not only in the selection of stallions but also brood mares, and when he died a few years ago Walnut Hall Farm was at the zenith of its fame.

In 1944 Mr. Cane paid \$6,500 for Chesterton, a yearling son of Volomite. He did not train well at two but at three — in 1946 — he won a stake race at Old Orchard, Maine, and looked so good that Walter E. Smith paid \$40,000 for him. That year in Smith's colors he won \$26,000. At the end of the 1947 season as a four-year-old his earnings were \$64,648 and at the end of 1949 they were over \$103,000 and his record was reduced to 2:00 2-5.

Getting back to Bert Younkens two colts out of Alestra, we may say that the purchaser will have no worries about registration papers. Bert is a wise breeder and when a purchaser arrives at his home and looks over a colt he calls into the house and bring out the registration papers. We have no doubt, in fact we are quite sure, that there will be a big demand for colts here the next few years. Those that have left here have made a good impression wherever they have gone and the only kick the buyers have is the difficulty of getting "registration papers." It will certainly be worth every owner's time and effort to have papers made out when they are weanlings and send them away within the next few months to the United States Trotting Association, 1349 East Broad St., Columbus 5, Ohio. The fee will be \$5.00 in Canadian money for any age. Next year it will be the same as in other parts, \$5.00 for weanlings, \$15.00 for over that age. The transfer fee will remain at \$1.00 for any age this year only. Horsemen are also reminded that the fee for an eligibility certificate if not applied for before May 1st, will be \$4.00. The present fee is \$3.00 Canadian money is accepted as par. If remittance is over \$10.00, you can get a bank draft. The cost is trifling.

We have to thank Percy Walsh, representative of Dr. Bell's Multiple Company, for the following notes, the result of visits the past two weeks... Dropped in at John Farmer's, Kinkora, and saw that

grand race mare Winnie Scott, son Birdie Budlong by Calumet Budlong, dam, Birdie Gratian by Gratian Royal. Both are in foal to his stallion Jollity 2:05 1/2. Saw Jollity and he is looking like a picture horse, largely due to the great care given him by Johnny Mulligan. At John Noonan's, Albany, I saw his brood mare Katie Aubrey and her lovely foal by Pepper, by Volomite. She is now in foal to Jollity 2:05 1/2. Joan Callaghan of Kinkora has a mare by Great Scott, dam Haste by Peter Volo, she is also in foal to Jollity.

Roy Smith, Granville, has a Brian Yorkie yearling out of Juanita. Worthy by Alworthy, dam, Juanita, also Judy by Orin, dam by Laciola, in foal to Calumet Budlong, and Mazie Hal by Oregon Hal, in foal to Squire Hanover. Arnold Weeks recently bought the pacer Bud Hugo from Roddy Ford, Hunter River, and plans to have a lot of fun with him. George Smith, Bradabane, has a brood mare that was raised by the late Duncan Robinson, York Point. She is by Kalmuck out of a Longest Mare and is in foal to Fagliacci. His brother Claude has lady Abner, that showed a mile in 2:18 over the Charlottetown track early last season. He is placing her with Emmet Bernard, Hunter River, for training and racing this season. Claude also owns Lindy Clegg, dam, Just Judy. Claude Smith of Emerald has Hilda Cam in Barie Semple's stable for spring training and he also has the three-year-old Face Cloth, by Squire Hanover, also a four-year-old called Lee Hanover, both out of Betty Kalmuck and both standard bred and registered. He intends to train them and race them this year. Face Cloth is entered in the colt stakes and is a very nice gaited pacer.

A Roland Matheson, Bradabane, has a six-year-old by Abner T. Clegg that will be placed in training and looks like a good prospect. Robert (Bobby) Shea, Kinkora, intends breeding his Kalmuck mare whose dam is by Mayor Todd, to Jollity this season. Johnny Mulligan has a yearling by Pepper out of Queenie Spruce by King Spruce 2:08, dam, Mabel the Great by Peter the Great. She is in foal this year to Jollity — a great favorite with Johnny. Angus Mulligan has Timmy Budson, back home after being in the Ensor Bowness stable, Summerside, during the ice racing season. She looks in excellent condition.

Cyril Smith, Hunter River, has sold the pacing mare Lina Sigma, by Signal Senator, 2:08 1/2, to Earl Yeo of Central, Lot 16, and he and Roddy Ford have bought a very classy colt black gelding, Bub Abner by Abner T. Clegg, dam by Bellini Scott, second dam by Upton Prince, from Arnold Weeks. He is a four-year-old and took part in eleven races over the ice the past winter at Millvale and Stanley Bridge. He was nine times first one second and once third, she they ing a lot of speed and manners. Cyril and Roddy plan to have him ready for the summer's racing. Another newcomer to the horse mind of village of Hunter River is Miss Admiral Mac 2:14, by Admiral Mac. She is a stylish chestnut pacer and will be raced in the dashes during the summer. The above horses are in Roddy Ford's stable and receiving his best care.

Alden Corr, Emerald, R.R., writes... "I was pleasantly surprised on the morning of April 8th to find my mare with a lovely chestnut filly at her side. The mother's breeding is, sire, Clover Guy 2:07 1/2, dam, Minnie Marshall by J. Marshall. This is the first colt in this vicinity and I have had a lot of admiring friends to see her and of course I am very proud to own her. As soon as the roads get good I am going in to have registration papers fixed up."

A very popular driver, William Utton, died at Orlando, Florida, Saturday, April 8th and his funeral was held on Thursday, April 13th at his home, Barton, Vermont. Billy Utton raced horses for over fifty years and had some of the best that appeared not only on New England tracks but also on the Grand Circuit. He drove his first race at the age of sixteen and must have taken part in hundreds of contests. He was a very reliable man and extremely well liked by other drivers. Among those who were his pupils we recall Harry Coleman and Wilfred Chapdelaine, and we can also recall a horse he had great success with — Lambert Todd 2:02 1-2, that was afterwards owned in Cape Breton and raced by Allie Lewis.

At a meeting of the Directors of the Tantramar Race Track, Ltd., Sackville, N.B., held on Wednesday, it was decided to hold three daylight race meets and two twilight meets. Day racing will be held Monday, June 3 — Saturday, July 1st — Wednesday, August 23rd. The twilight events will be Friday, July 21st and Friday, August 4th. Classes and purses will be announced later. Dr. G. M. McFarlane was elected President and W. M. Humphrey of Moncton, Vice-President. Inspection of the track revealed that it is in good shape. A new pacing record of 2:09 was made last year by Scott Spencer (G. Lewis), owned by Harry Hirsch, Sydney. The trotting record of 2:10 1-2 was made by Tracey Hanover 2:10 (L. Walker) owned by Jack Scott, Halifax, August 1st, 1945.

J. W. Godfrey, proprietor of Godfrey's "Photo Finish Camera" and sound system arrived home Thursday night after a visit to several of the best running race tracks in the United States, also Foxboro Raceway near Boston and Gorham Maine Track. He was given every opportunity to look over their pari-mutual and photo equipment and no doubt came away with plenty of new ideas. He was accompanied by Mrs. Godfrey.

Hunters Corner

(Continued from page 6)

The died-in-the-wool anglers will be in there punching long before daybreak and it's a foregone conclusion that some of the lucky ones will return home with bulging creels despite weather conditions. Trout are unpredictable at times and in certain pools and will gobble down a glob of worms in the midst of a snow squall. There have been quite a few inquiries from prospective first day anglers as to what constitutes "fishin'" through the ice? It is this columnist's version that if Mother Nature is kind enough to supply holes well and good but don't try to help her out with an axe or ice chisel.

Young trappers are busy setting traps for Jimmy Skunk who now has a bounty of one dollar per on his stout. One evening before the storm set in I was tramping across some back land to where I had left the car parked on the pavement. Wildgeese had been moving freely on their way to spend the night on open waters off shore after filling up on grains and refuse potatoes on inland fields, during a lull in the flight, and as dusk was settling over the spring landscape, I heard a hollow boom of a gun, shot in the direction of Pownal village. I stopped and listened but no clamour of startled wildgeese sounded on the soft spring air. A few minutes later as I topped a rise near Birch Hill church the pungent odor of skunk hung in my nostrils... someone had earned himself a dollar.

'Jim' Crow is another character who will regret that there is such a thing as an automatic shotgun especially one that is offered as a prize to the gunner who turns in the most crows feet (over 75 pairs). Crows are too numerous. Along the edge of an alder swale in Royal pheasant country I counted 16 of the black rascals either sitting on fence rails or searching on foot through the swamp grass. I'm afraid that any pheasant trying to hatch out a clutch of eggs in this area will have the cards stacked against her.

On Good Friday evening I was driving along the highway in the Bunbury district when I spotted a youth walking toward me with a single barrelled shotgun under his arm. He was stepping along quite openly and aboveboard but I figure that anyone carrying a shotgun in goose territory in the spring is worth looking over. I stopped the car and was in the act of winding down the window (Good Friday was cold) when the lad, whom I'd judge to be 14 or 15, shoved one hand in through it with two crows feet lying in the palm and queried: "Have you ten cents on you?" That's what I call beating a fella to the punch.

Girl Guide News

Brownie Leaders Remember the Brownie Shield Contest for Charlottetown, C. Royalty and Parkdale will take place next Thursday April 20th, Trinity Hall at 6 p.m.

First Class Examiners We recommend that the following be cut out for future reference of Guide Leaders. The following people will act as First Class examiners for the Guides in Charlottetown and surrounding districts. Appointments should be made in advance. Essay — Mrs. J.A. McMillan. Map Reading Compass, Local Knowledge — Major Fred Jenkins. Swimming, First Aid — Mrs. Harry Cudmore. Hike — Miss Betty King, Miss Margaret MacClennan. Teach Tenderfoot Semaphore — Captain of Company.

The WEEK at S. D. U.

The last holiday of the year has gone the way of all holidays, as have the five days following it. For once every one rested during the holidays, since all complaining about the weather did little to alter it. For the next six weeks, one will hear little but the rustle of tiny pages being turned, far on into the night. Your chronicler will content himself with nothing more than news items, for he too has pages that need rustling.

Elections for officers of the Students' Union were held on Monday, April 3. There was very spirited interest in the elections on the campus this year, due chiefly to some very thorough campaigning by the supporters of the several candidates before, during, and after the election rally on the Friday before election day. Charles Gorman of Kensington was elected to the Presidency, defeating Mark MacGuigan of Charlottetown and Francis Ledwell of St. Peter's Bay. George Cameron of Wellington was elected Vice-President, defeating David Kennedy of St. John, Arnold Allen of Emerald, and Alden MacDonald of Bear River. Ernest MacDonald of Cardigan defeated fellowtownsman Andrew Redmond in a close vote for the position of Secretary-Treasurer. The students are to be complimented for the large turnout on election day. Two hundred and sixty seven students out of a total enrollment of 293 voted, a ninety-one percent vote. Several of those who did not vote were caught in a slight epidemic of the mumps. Messrs. Wilfred Driscoll and Rupert MacLellan, retiring President and Secretary, are to be congratulated for the very efficient manner in which the election was conducted, an excellent lesson in democratic procedure throughout.

The St. Dunstan's choir participated in Tenebrae singing for Holy Week services again this year. Those students who were able to attend Tenebrae have advised us that the choir upheld the standards set by former St. Dunstan's choirs. Our congratulations to the boys and to Father L. W. Landriagan, director.

The basketball team travelled to New Brunswick for a couple of exhibition games during the holidays. On Tuesday night, April 4 they lost to St. Peter's C. Y. O. by a 45-39 score. The following night they were a little off form, and lost to St. Joseph's University, 43-31. A return game with the St. Joseph's team will be played tonight at the P. W. C. auditorium. The team could do with some support, especially from some of the "Old Saints".

Mr. Charles Gorman, President-elect of the Students' Union, left yesterday morning for Quebec City to attend a conference of the National Federation of Catholic Students. Mr. Gorman is attending this meeting to learn the advantages and disadvantages of membership in the organization. His report will probably determine what course St. Dunstan's will follow in this regard next year.

Messrs. A. J. MacAdam and Hughie MacPhee were delegates of the College at the annual meeting of the Maritime Inter-Collegiate Athletic Union held at Sackville this year. They report little by way of new business, the meeting being devoted almost entirely to routine matters, including the setting of dates for next year's inter-collegiate athletic events.

REMEMBER WHEN

By The Canadian Press Tommy Farr, rock-jawed battler from Wales, punched out a 12-round decision over Max Baer at London 13 years ago tonight and rocketed into the forefront of world's heavyweight championship contenders. Defeated by Joe Louis and Jimmy Braddock, Farr dropped a sizzling 15-round verdict to Baer a few months later.

FAMOUS VOLCANO

Mount Etna in the Italian Alps has a record of more than 126 eruptions.

Camp Week End — Camp Commandant. Sewing — Maylea Boswell. Cooking — Mrs. William Reddin. Child Nurse — We recommend that this test be given only at the completion of a course. The two examiners for this Proficiency Badge are Mrs. Ivan Horne and Miss Verna Darrach.
